

In my bed all safe and warm
I like to listen to the storm.
The thunder rumbles loud and grandThe rain goes splash and whisper; and
The lightning is so sharp and bright
It sticks its fingers through the night.

Second Fours Of Poems:

The First Four Books of Poems William Stanley Merwin, 2000 Reintroduces the out of print works of one of this Second Series of Bibliographical Collections and Notes on Early English Literature, century s greatest American poets 1474-1700 William Carew Hazlitt, 1882 Chinese Poetry, 2nd Ed., Revised Wai-lim Yip, 1997-04-21 An anthology of Chinese poetry featuring 150 selections drawn from throughout two thousand years each presented in original Chinese characters coordinated with word for word annotations and followed by an English translation Four Quartets, Four The Ecloques and Cynegetica of Nemesianus H.J. Williams, 2018-07-17 Poems from "Zion's Flowers;" Zacharie Boyd,1855 Although editions of Nemesianus have been surprisingly numerous very few have contributed appreciably to our understanding of this author and most texts have been based on a very limited number of manuscripts There has been no commentary of any length since that of Burman 1731 and there has never before been one in English covering the whole corpus This book is an attempt to remedy those deficiencies The text is the first to have been based on an examination of all the known manuscripts and a detailed and accurate apparatus criticus is provided The textual history of both poems is thoroughly discussed The question of the authenticity of the Eclogues is examined and Nemesianus authorship is held to be proved The commentary is mainly concerned with textual and grammatical matters There is also a bibliography **Poems** William Shakespeare, 2006-06 Includes all the narrative poems that can confidently be assigned to Shakespeare
