THREE MEN DANCING David Windmon,2012-03-20 **THREE MEN DANCING** By DAVID LYNN WINDMON In everything humans do in life the family is the basis for true individual success Strong family ties and as is the case in this family a strong and steady maternal presence is

the way to family social power Regardless to sameness of togetherness the lives of this family are also unfortunately paved with the bones of chance and error Through the true love and respect of one another and the togetherness unconditional that love brings the power manifests itself in the lives of Paul and Amy Jackson It is also wrung from the source for the enrichment of the lives of their children grandchildren and extended community family It is said often that it takes a village to raise a child and in the village the Jackson family lived in San Francisco Ca many wonderful children stand up to be counted This is the story of an American Family Not the average family but not far from it It is not my family for sure maybe not yours either But in every way this is a family all the good things and tragic ones along the way included One familiar like lots of others with stratospheric highs coupled with the sting of harsh bitter lowness The four men in the first few lines of the story between them represent the fullness of the life for and within the family Jackson The story begins on the unforgiving streets of New Orleans Louisiana with two children who meet inadvertently quite by accident They are both in separate children s orphanages as such and it is just because of the willingness of Paul to work for little money one day that makes that meeting happen Through the years his willingness to work both above and below the law makes lots of things come their way Through his willingness to bend the rules she is spared the last few years of unfulfilled wait kids have in an orphanage Paul and Amy both are grandchildren of freed slaves from homes broken by tragedy or tragedy of circumstance They decide together early on they want to rear a large loving family They would for the rest of their lives hold on to the things they used for survival and that made those early years in children s homes feel safe for them Paul learns fast that a steady willingness to bend the rules holds gallant if risky reward Amy spends little time with her prostitute mother But in that time she gets indoctrinated to a voodoo priestess learning that things unexplained drives forever her life and choices Moving to San Francisco in 1932 deep depression era America proves a godsend as they are able to forge a positive productive life Eventually they groom ten children to take on all the world has to offer some with a level of worldly success matched by few That steady flow of children and with that the bond only a family has gives those children the space within themselves to be the very best they can be Unfortunately though space also allows those that want to be at times far less than their best through lapses or intent be that as it may There is tragedy born flush of such lapses of mind and body that delicate ballet of the two that separates one s best from one s worst There is in the lives of the Jackson family tragedy based on the randomness of another delicate ballet that of time space and opportunity One of the bright lights of the loins of Paul and Amy didn t make it to the completeness of life that comes with age and wisdom He was struck down as just a child and that tragedy only bonded the family and fused them to the community That made them all into the massive family so many of them if unknowingly needed Another beloved sibling chose the destructive path and abject loneliness of drug abuse and never made it out of the turbulent 1960 s The children of Paul and Amy also scale the heights of career fields that include Law Medicine Music and professional sports Subsequent generations have also achieved those and show *Things I Wish I Told*

Hammer,2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926 95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son s life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries

and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record
