Second Look At The Second Coming:

A Second Look at the Second Coming T. L. Frazier, 2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days *The Demonic in the Political Thought of Eusebius of Caesarea* Hazel Johannessen, 2016 Through close literary analysis of the original Greek texts Hazel Johannessen explores how Eusebius of Caesarea c 260 339 used ideas about demons in his political thought Taking a Second Look at the Second Coming Les Brittingham, 2015-08-17 Taking a Second Look at the Second Coming discusses in detail seven roadblocks that have prevented us from having a simple approach to the Second Coming of Christ Author Les Brittingham believes that end time events have become so complicated and confusing that many preachers teachers and believers in general no longer want to study this topic It is time for a fresh simple approach to eschatology and end time teachings that is simple and life changing This book challenges the accuracy of many current popular prophetic teachings by discussing in a scholarly yet simple way topics such as the Rapture Israel and the Church the Tribulation Period the signs of Jesus Coming and the antichrist Many of these teachings that have dominated our views of the end times need to be reexamined and challenged in the light of God s Word After reading Taking a Second Look at the Second Coming one will find a freedom to study teach and proclaim these topics with a newfound insight and enthusiasm Brittingham takes a thoughtful and disciplined approach to the event that Jesus promised Thom Schultz CEO Group Publishing author of The 1 Thing and Why Nobody Learns Much of Anything at Church And How to Fix It This book is a must read Les brings much needed clarity to the biblical teachings on the end times and the Second Coming of Christ Charles Kohl Veteran Missionary to the Arabs International Director of Olive Branch Outreach Les makes a very compelling argument that there is nothing more that needs to occur before Jesus can return to earth Regardless of your position on the end times and prophecy I believe you will gain a refreshing new perspective on the subject Rick Olmstead Senior Pastor Vineyard Fort Collins and Regional Overseer Vineyard Community of Churches USA For other books written by Les please visit our web page at www.mannari.com *Library of Congress Subject Headings* Library of Congress, Library of Congress. Hudson, 2006-08 The Bible uses the analogy of physical birth and growth in order to illustrate how one becomes a child of God and how as such spiritual growth and development then become possible Dr Hudson expounds systematically how the biblical principles in the analogy should be understood and applied His discussion of Diet and Discipline under the regimen of faith carry over into steady spiritual growth and development He invites all Christians to consider what is expected of them even in their daily living if they expect to bring glory to God He does not pull any punches but lets his reader know that continuing a childlike level of development can not only bring discontentment to himself but

Orthodox Christianity and Contemporary Europe Jonathan Sutton, William Peter van den Bercken, 2003 This volume contains selected papers presented at a conference on Orthodox Christianity and its contemporary European setting The conference was held in England at the University of Leeds in June 2001 and drew together historians theologians philosophers specialists in theological education and political scientists Countries with an Orthodox Christian history were well represented as well as Orthodoxy in the diaspora and other Christian confessions by representatives from Western Europe and the United States and Canada The coherence of Orthodox Christianity and contemporary threats to its coherence formed one main strand for reflection but discussion also broadened out to consider the nature of religious tradition as such Part I of the collection brings together papers on such matters as identity nationalism globalization human rights discourse ecumenical dialogue and competing interpretations of what it means to be European Part II focuses on Orthodox Christianity in Russia and Part III on the traditionally Orthodox countries of Armenia Bulgaria Greece Romania Serbia and Ukraine The present collection is meant as a contribution to further reflection on Orthodox identity and relationship between Christianity and culture in Europe at the beginning of the twenty first century **Catalog of Copyright Entries. Cataloging Policy and Support Office,2007 **Bob Dylan and Leonard Cohen** David Boucher,Lucy Boucher,2021-04-08 Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation They sought to achieve the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional social irresponsibility While Dylan s and Cohen s fame fluctuated over the decades it was sustained by self consciously adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is explored in the context of Federico Garc a Lorca s concept of the poetry of inspiration and the emotional depths of duende Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat Generation **Catalog of Copyright Entries** Library of Congress. Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism. He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology. Canon Naim Ateek, Stephen Sizer's *Christian Zionism: Road Map to Armageddon* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel. Sizer writes as an insider within the church, not as a critic watching from afar. And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology. One quick read of this book will change anyone's perspective on the Middle East permanently. Professor Gary M. Burge: Congratulations on *Christian Zionism*. The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching. I couldn't be happier that this is published. You and I see eye to eye on this issue. Yours is a true prophetic voice so badly needed in the current prophecy frenzy. And when this mania also affects national and international policy, the danger takes on larger proportions. Professor Paul Maier: Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian-Israeli conflict. Christian Zionism raises vital theological and political challenges that must be addressed head-on by Christians in the West, particularly evangelicals. The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk, and it seems a far cry from the witness and message of Jesus Christ. Dr. Donald Wagner: This study of Christian Zionism, based on Stephen Sizer's doctoral thesis, is of seminal significance. It provides a fascinating survey of the history of Christian Zionism and an in-depth analysis of the theology of this highly important and influential movement. Rabbi Professor Dan Cohn-Sherbok: *Christianity Is a White Collar Job*. Les Brittingham, M.Div., Les Brittingham B.S., 2011-04-04. In *Christianity Is a White Collar Job*, author Les Brittingham boldly states that nothing of spiritual significance happens on the earth apart from the active ministry of the priestly church. Three aspects of the believer's priesthood are discussed in this compelling work: the priest position, the temple place, and the sacrifice offerings practices. Each is explained in three dimensions: the Old Testament, foreshadowing the person of Jesus Christ, fulfillment, and the church forwarding. You will gain a new perspective on how to change your world through your priesthood by being the church and not just going to church. This work is a must-read for anyone serious about the work of the kingdom. This book is classic Les Brittingham. While laying a rich theological foundation, he challenges believers to get up out of the church seat and take up the role as world-changing priests in God's kingdom. This powerful and unique work encourages us to leave behind the unimportant and embrace with vision and passion our true calling as priests of the Most High God. Once again, Les is more Todd and Megan MacGaffin. Former pastors and American diplomats in the Middle East, now working in Indonesia among Muslims, Les Brittingham is a Bible scholar who has been teaching biblical studies in various academic settings for over 25 years and he was a pastor in the Foursquare denomination for 15 years. He is also the author of a popular trilogy on the prophetic: *Taking a Second Look at the Second*.
