Elshtain**

Second One Thousand Years Ten People Who Defined A Millennium:

The Second One Thousand Years Richard John Neuhaus, 2001-04-18 The story of the last millennium is in largest part the story of the rise of the Christian West This fascinating book assembled by the editors of the journal First Things explores the religious and social development of the West during the past one thousand years by looking at ten people who defined the millennium Written by a team of renowned scholars the book treats the second millennium century by century choosing one historical figure as the prism through which to view each period While the individuals chosen are not necessarily representative figures in some instances they are people who opposed the spirit of the times the compelling personalities limned in these chapters help us to understand better where we have come so far Insightful authoritative and a pleasure to read these narratives not only open intriguing windows on key dimensions of the Christian West but also provide a panoramic view from which to comprehend all of modern history a view well worth pondering as we begin the third one thousand years

Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green, 2013-05-16 In Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green explores the critical role played by Maimonides in shaping Leo Strauss's thought In uncovering the esoteric tradition employed in Maimonides's Guide of the Perplexed Strauss made the radical realization that other ancient and medieval philosophers might be concealing their true thoughts through literary artifice Maimonides and al Farabi he saw allowed their message to be altered by dogmatic considerations only to the extent required by moral and political imperatives and were in fact avid advocates for enlightenment Strauss also revealed Maimonides's potential relevance to contemporary concerns especially his paradoxical conviction that one must confront the conflict between reason and revelation rather than resolve it An invaluable companion to Green's comprehensive collection of Strauss's writings on Maimonides this volume shows how Strauss confronted the commonly accepted approaches to the medieval philosopher resulting in both a new understanding of Maimonides and a new depth and direction for his own thought It will be welcomed by anyone engaged with the work of either philosopher *American Conservatism* Sanford V. Levinson, Melissa S.

Williams, Joel Parker, 2016-05-17 A collection of essays that unpacks the history nature development and beliefs of American Conservatism The topic of American conservatism is especially timely and perhaps volatile Is there what might be termed an exceptional form of conservatism that is characteristically American in contrast to conservatisms found in other countries Are views that are identified in the United States as conservative necessarily congruent with what political theorists might classify under that label Or does much American conservatism almost necessarily reflect the distinctly liberal background of American political thought In *American Conservatism* a distinguished group of American political and legal scholars reflect on these crucial questions unpacking the very nature and development of American conservative thought They examine both the historical and contemporary realities of arguments offered by self-conscious conservatives in the United States offering a well rounded view of the state of this field In addition to synoptic overviews of the various dimensions of American

conservative thought specific attention is paid to such topics as American constitutionalism the role of religion and religious institutions and the particular impact of the late Leo Strauss on American thought and thinkers Just as American conservatism includes a wide and sometimes conflicting group of thinkers the essays in this volume themselves reflect differing and sometimes controversial assessments of the theorists under discussion

The Human Organization of Time Allen C. Bluedorn, 2002 Particularly valuable to those involved in the management and organizational sciences since much material from those fields informs the discussion this book considers several answers to the question of the true nature of time It demonstrates that humanity creates a variety of times and the times affect the experiences of life as times vary so does life

Life, God, and Other Small Topics Eric Metaxas, 2011-10-13 This book is for the seeker in all of us the collector of wisdom and the person who asks What if from the author of Bonhoeffer Miracles and Martin Luther The Greek philosopher Socrates famously said that the unexamined life is not worth living Using this as a starting point Eric Metaxas created a forum encouraging successful professionals to actively think about life s bigger questions Thus Socrates in the City was born First presented to standing room only crowds in New York City and written by luminaries such as Dr Francis Collins Sir John Polkinghorne and Os Guinness these original essays grapple with extraordinary topics from Making Sense out of Suffering to Belief in God in an Age of Science No question is too big in fact the bigger the better because nowhere is it written that finding the answers to life s biggest questions shouldn t be exciting and even perhaps fun

Agape, Justice, and Law Robert F. Cochran, Jr, Zachary R. Calo, 2017-05-25 In a provocative essay philosopher Jeffrie G Murphy asks what would law be like if we organized it around the value of Christian love and if we thought about and criticized law in terms of that value This book brings together leading scholars from a variety of disciplines to address that question Scholars have given surprisingly little attention to assessing how the central Christian ethical category of love agape might impact the way we understand law This book aims to fill that gap by investigating the relationship between agape and law in Scripture theology and jurisprudence as well as applying these insights to contemporary debates in criminal law tort law elder law immigration law corporate law intellectual property and international relations At a time when the discourse between Christian and other world views is more likely to be filled with hate than love the implications of agape for law are crucial

A Companion to Luis de Molina Alexander Aichele, Mathias Kaufmann, 2013-12-05 Since his rediscovery by Alwin Plantinga in the 1970s the possibility of counterfactuals of freedom in Molinism has become one of the main issues in the contemporary analytic philosophy of religion Notwithstanding this Luis de Molina 1535 1600 remains one of the most influential and least known authors of late scholasticism and early modern philosophy The papers collected in this volume treat the whole range of issues posed by his metaphysics as set out in his revolutionary Concordia and in his practical philosophy especially concerning law and economics in his groundbreaking work De Justitia et Jure They also examine Molina s historical commitments and his influences on philosophy In this way this Companion offers the first comprehensive and

thorough overview of Molina's thought *Calvin for Today* Joel R. Beeke, 2010-01-01 Calvin for Today is an edited compilation of the stimulating addresses given at the Puritan Reformed Theological Seminary's annual conference in August 2009 at Grand Rapids Michigan. The book contains a wealth of information and practical applications about how to use Calvin's thought in our challenging day. Topics include Calvin on preaching Christ from the Old Testament, missions, the church, Scripture, the Spirit's work, redemption, ethics, believers' benefits, the early church, reprobation, marriage, and reforming the church. Table of Contents: Preface Joel R. Beeke; Introductory Sermon 1. What Kind of Love Is This? Dr. David Murray; Calvin and the Bible 2. Calvin on the Word of God Dr. Gerald Bilkes; 3. Calvin on Preaching Christ from the Old Testament Dr. David Murray; Calvin the Theologian 4. Calvin on the Holy Spirit Dr. Joseph Pipa; 5. Redemption: Speaking Peace in the 21st Century Dr. Derek Thomas; 6. Union with Christ: the twofold Grace of God and the Order of Salvation in Calvin's Theology Cornelis Venema; 7. Calvin's View of Reprobation Donald Sinnema; Calvin and the Church 8. Calvin's Doctrine of the Church Rev. Neil Pronk; 9. Calvin on Reforming the Church Dr. Derek Thomas; 10. Calvin and the Missionary Endeavor of the Church Dr. Michael Haykin; 11. Calvin on the Early Church Ligon Duncan; Calvin the Ethicist 12. Calvin on Ethics Nelson Kloosterman; 13. Christian Marriage in the 21st Century: Listening to Calvin on the Purpose of Marriage Dr. Michael Haykin; Calvin and His Contemporary Impact 14. The Resurgence of Calvinism in America Dr. Ligon Duncan; 15. Why is Calvin Important Today? Dr. Joel Beeke.

Thomas Aquinas John Hittinger, 2015-10-05 Pope John Paul II bestowed upon St. Thomas Aquinas the accolade of Doctor Humanitatis or Doctor of Humanity because he was ready to affirm the good or value of culture wherever it is to be found. Thomas is a teacher for our time because of his assertions on the dignity of the human person and the use of his reason. *Inter Munera Academicorum* 1999. This collection of papers explores the various philosophical and theological aspects of the thought of both Thomas Aquinas and John Paul II pertaining to this theme of teacher of humanity. The topics discussed here include the political praxis of Karol Wojtyla, Gadamer on common sense, prudence, and subsidiarity, embodied cognition, the knowledge of God, the commandment of love, Pope Francis on the Beatitudes, the new evangelization, Thomism, and modern cosmology and the challenges of transhumanism and gender ideology. The papers were presented at a conference held in Houston, Texas, USA, in 2013, cosponsored by the Center for Thomistic Studies, the John Paul II Forum, and the Pontifical Academy of St. Thomas Aquinas. This work will help to realize in its small way the hopes of Saint John Paul II concerning St. Thomas Aquinas. It is to be hoped that now and in the future there will be those who continue to cultivate this great philosophical and theological tradition of Aquinas for the good of both the Church and humanity. *Fides et ratio* 74. Additionally, it will undoubtedly be of interest to all participants in the cultivation of the thought of Thomas Aquinas, John Paul II, and the dialogue between Thomism and the modern world.

Christianity and Human Rights John Witte, Jr., Frank S. Alexander, 2010-12-23 Combining Jewish, Greek, and Roman teachings with the radical new teachings of Christ and St. Paul, Christianity helped to cultivate the cardinal ideas of dignity, equality, liberty, and democracy that ground the modern human

rights paradigm Christianity also helped shape the law of public private penal and procedural rights that anchor modern legal systems in the West and beyond This collection of essays explores these Christian contributions to human rights through the perspectives of jurisprudence theology philosophy and history and Christian contributions to the special rights claims of women children nature and the environment The authors also address the church s own problems and failings with maintaining human rights ideals With contributions from leading scholars including a foreword by Archbishop Desmond Tutu this book provides an authoritative treatment of how Christianity shaped human rights in the past and how Christianity and human rights continue to challenge each other in modern times **What is a Parish?** Thomas A. Baima, Lawrence

Hennessey, 2011 **Ressourcement Thomism** Romanus Cessario, 2010 The essays in this volume explore three areas in which St Thomas Aquinas s voice has never fallen silent sacred doctrine the relationship of sacraments and metaphysics and the central role of virtue in moral theology *Religion and the Death Penalty* Erik Owens, John D.
