The Second Wives Club Lenore Fogelson Millian, Stephen Jerry Millian, 2011 Are you or someone you know a second wife Are you tired of arguing about your husbands first marriage THE SECOND WIVES CLUB is the book you ve been waiting for Join the Club and learn the six secrets of successful second marriages Learn how you can have wedded bliss while avoiding the pitfalls that second marriages bring Don to be put off by his ex wife Help him get rid of his old baggage and make space in your relationship to be lovers for life Second Wives' Guide Angela Vassallo, 2014 Annotation This book is designed to help women who are entering into a marriage as the second wife It gives all the tips and advice of what to expect and what not expect and how deal with situations It is also about being a step parent and how to manage the ups and downs of being one

Cultural Representations of the Second Wife Jo Parnell, 2023-12-11 Cultural Representation of the Second Wife Literature Stage and Screen is a multifaceted interdisciplinary cross cultural work that provides insights into the realities of second wives the world over This book allows the reader a three dimensional view of the second wife experience It asks What does it mean and what does it feel like to be a second wife in a polygamous union or in a monogamous partnership Is there a difference Together the writers in this book cleverly create an in depth study of the subject through the productions referred to in the title to offer a different approach to the popularly held views of the second wife The book addresses the intricacies customs practices and lifestyles of the various Eastern and Western cultures and demonstrates the abilities of the Humanities to connect and interrelate with other disciplines as well as with the reader s own world **Ebony**, 1960-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Second Wives** Susan Shapiro Barash, 2000 With the population of second wives at a record high this invaluable guide shares over 100 real stories of their fears and triumphs Second Wife. **Second Best?** Glynnis Walker,1984 Stepwives Louise Oxhorn, Lynne Oxhorn-Ringwood, Marjorie Krausz, 2010-06-15 Stepwives n 1 ex wife and current wife to the same man mother and stepmother to the same children 2 women destined to battle for the love and control of their families until now Lynne and Louise were stepwives for ten years While they managed a barely civil relationship each was seething with anger on the inside It all boiled over in an ugly scene on the day Lynne saw that Louise was wearing shoes identical to her own favorite pair and then they knew they had to find a new way of being a family With the guidance of marriage and family therapist Marjorie Vego Krausz Lynne Oxhorn Ringwood and Louise Oxhorn developed a ten step program that has helped thousands of women begin to go from sworn enemies to CoMamas You don t have to follow the program together with your stepwife even if only one of you follows the plan your stepwife relationship and the happiness of your family will improve Learn how to Establish a good working relationship with your stepwife Put the children first Understand your husband s ex husband s role and how he can help Handle vacations holidays and other big occasions Packed with guizzes lists and other helpful tools Stepwives can show you how to step into her shoes and have a

peaceful cooperative relationship with your stepwife Polygamy Miriam Koktvedgaard Zeitzen, 2020-06-15 Forms of plural marriage or polygamy are practiced within most of the world's cultures and religions. The amazing variation versatility and adaptability of polygamy underscore that it is not just an exotic non Western practice but also exists in modern Western societies Polygamy A Cross cultural Analysis provides an examination and analysis of historical and contemporary polygamy It outlines polygamy s place in anthropological theory and its rich sociocultural diversity in countries ranging from the USA and UK to Malaysia India regions of Africa and Tibet Polygamy also addresses often difficult and controversial issues facing modern polygamists such as prejudice HIV AIDS and women s emancipation Polygamy A Cross cultural Analysis offers an anthropological overview of the fascinating yet often misunderstood institution of polygamy The Second Wives Club Jane Moore, 2010-06-18 It's Ex Wives versus Next Wives Alison and her groom Luca have just exchanged vows and are preparing to cap off their perfect day at the reception But before the champagne even hits the crystal stemware Luca's first wife storms in and makes it clear that she intends to remain very much a part of his life When the fuss has died down Alison finds an ally in Fiona who confides that a few women she knows have recently started something called the Second Wives Club a group of female friends who get together to bitch and gossip about the drama that inevitably unfolds when you marry someone else s husband The Club gives founding members Julia Susan Fiona and their friends a place to vent and together they contend with malicious rumors scheming divorce lawyers and ex wives intent on revenge until they decide that it s time to stop settling for second best and then the fun really begins Elite Malay Polygamy Miriam Koktvedgaard Zeitzen, 2018-09-14 Elite Malay women's polygamy narratives are multiple and varied and their sentiments regarding the practice are conflicted as they are often torn between personal and religious convictions This volume explores the ways in which this increasingly prominent practice impacts Malay gender relations As Muslims elite Malay women may be forced to accept polygamy but they mostly condemn it as women and wives as it forces them to manage their lives and loves under the threat of polygamy from a husband able to marry another woman without their knowledge or consent a husband that is married but available Α **History of the Mishnaic Law of Women, Part 1** Jacob Neusner, 2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship Women, the Family, and Divorce Laws in Islamic History Amira El-Azhary Sonbol, 1996-06-01 The eighteen essays in this volume cover a wide range of material and reevaluate women's studies and Middle Eastern studies Muslim women and the Shari a courts the Ottoman household Dhimmi communities children and family law morality The Family Counselor Jerome H. Blass, PhD,2012-04-27 For years clinical psychologist Dr Jerome Blass practiced individual family and marital therapy as well as educational psychology He recorded his observations and insights into human behavior in his weekly newspaper column now he shares his wisdom with the world The Family Counselor is a compilation of more than eight hundred of Blass s columns published over a 21 year period in the Jewish Standard a northern New Jersey weekly newspaper Dr Blass uses warmth and empathy to help readers understand and deal with common individual and family problems He covers a wide range of topics including child rearing family relationships divorce death illness habits and hang ups and social and educational problems Dr Blass explains the psychology behind why we think feel and behave the way we do offering practical advice for dealing with a wide variety of life s problems and challenges Whether you re struggling with disciplining your children trying to fi nd time for your spouse or dealing with emotional turmoil Dr Blass advocates a rational and common sense approach and will help guide you through life s obstacles large and small

Polygynous Marriages among the Kyrgyz Michele E. Commercio, 2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork Polygynous Marriages among the Kyrgyz argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio s analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender Polygamous Marriages in Peninsular Malaysia Norani Othman, Yaso Nadarajah, Rozana Mohd Isa,2025-04-28 This book presents the first national study of the practice of polygamy undertaken amongst Malay Muslims contextualised within the broader social legal and political context of Malaysia A collaboration between the Sisters in Islam NGO and three universities in Malaysia it examines the perspectives of both men and women through quantitative and qualitative data analysis of over 1 200 surveys and more than 60 in depth interviews charting the legal financial social and emotional impacts of polygamy It incorporates both progressive Islamic scholarly thought and the unique sociologically rich

perspectives of the study respondents In doing so the data serves to strengthen advocacy for awareness and law reforms within Islamic jurisprudence frameworks and institutions As one of the most comprehensive surveys ever conducted on polygamy in a Muslim society this represents a major tour de force within a little explored field with tremendous potential for societal impact This book is relevant to academics and graduate students seeking a deeper understanding of the issues related to Muslim polygamous marriage and to researchers within the broader fields of gender studies family studies Islamic studies and Islamic legal studies It is also a landmark resource for activists and policymakers seeking to advocate on behalf of marginalised groups particularly women and children in polygamous families Marabout Women in Dakar Amber B. Gemmeke, 2008 This rich ethnographic study explores the life and work of successful marabout women in Dakar It is set against the background of their private family lives of developments in Senegalese society and of global changes While including female experts in spirit possession and plant based healing it also gives a rare insight in the work of women who offer Islamic knowledge such as Arabic astrology numerology divination and prayer sessions With the analysis of marabout women's work this study sheds light on the ways in which women's authority in esoteric knowledge is negotiated legitimated and publicly recognised in Dakar The study focuses especially upon marabout women s strategies to gain their clients trust Reference to rural areas is a significant element in this process This study thus contributes to an understanding of the gendered way in which trust and scepticism are related to marabouts work and of the role of a connection between Dakar and the rural areas therein Secret Lives of Second Wives Catherine Todd, 2013-11-22 Breezy and smart KIRKUS Talented Janet Evanovich 1 New York Times bestselling author After more than a decade alone attorney Lynn Bartlett was ready to shake up her reliably comfortable life So when successful kind hearted Jack Hughes with his home in Silicon Valley his safely remarried ex wife and his two grown children proposed it seemed like a dream come true After all how hard could it be All you had to do was be nice to everybody and you d all get along Welcome to the perilous world of the second wife where nothing turns out quite as expected With an unemployed unmotivated stepson who declares he s moving in temporarily a stepdaughter who oozes scorn and a husband who s hiding something Lynn s imagined domestic bliss begins to crack Add in an ex wife who shows up at inopportune times a law partner who may be involved in illegal dealings and a client whose attractions prove far too tempting and Lynn finds both her marriage and her career could be in trouble Not even the Anne Boleyn Society an informal support group for second wives has all the answers Sure they can commiserate when Lynn says I never thought it would be so hard but they don t know the half of it A smart darkly funny novel about the plight of a second wife Lynn's wryly funny rueful voice is what makes Secret Lives appealing Diane White BOSTON GLOBE Sassy irreverent and smart Catherine Todd has a wicked sense of humor Carla Neggers bestselling author of the Sharpe Donovan series Not only should this book be required reading for any second wife as well as anyone contemplating a second marriage but it s a riveting beautifully written story on its own I stayed up very late reading just to see how Lynn worked through the

same turbulent mess that hits so many Second Wives who enter into a marriage without realizing how much baggage inevitably comes along with it VERY HIGHLY recommended RENDEZVOUS MAGAZINE **Social Theory in Contemporary Asia** Ann Brooks, 2010-07-14 Philosophical debates around reflexivity identity and intimacy have preoccupied Western social and cultural theorists since the 1990s and this book examines them in relation to the Chinese diasporic cultures in Asia The debates are set within the context of globalization and its impact on cultural gendered and ethnic Polygamy and Law in Contemporary Saudi Arabia Maha Yamani, 2022-07-01 The topic of identities in late modernity polygamy in Islamic countries is generally perceived by outsiders as something linked to harems and Hollywood style foreign intrigues The practice is frequently viewed through sexual connotations and male power versus female powerlessness The purpose of this book is to shed light on the often misunderstood polygamous situation in modern Saudi Arabia Through a unique series of local interviews with both men and women involved in polygamy both maritally and professionally the author invites the reader into the homes and personal lives of the people directly affected. The result is a moving candid examination of the frame of mind impulses incentives reasons and circumstances that drive individuals towards polygamy as well as the social legal economic and emotional consequences that inevitably follow The book also examines the historical origins of Islamic polygamy in Mecca and Medina as well as the legal situation in Saudi Arabia today The author argues that a combination of gender differences created through local laws and public policy decisions the revival of customary tribal practices and the pressures created by the sudden materialism of modern life have all led towards a misapplication of the original Islamic legal essence of the practice and a re adaptation of the laws regulating it Studies In Family Planning: <u>India</u>, 2003-06 As a programme of directed socialand behavioural change Family Planning has made considerable progress in India An impressive library of family planning research has also been created in the process There is however a disturbing communication gap between the research and the policy maker planner administrator Research findings do not get canalized into action programmes These two remain discrete activities with very little of interface between them One of the reasons for this is lack of systematization of research findings A stage has been reached when the stock taking of the existing body of research has become necessary to provide a sort of system or order to the widely scattered data and findings and to identify research gaps This double exercise will render current research utilizable and will stimulate further research This is what Professor Kamala Gopal Rao does in this book A distinguished researcher in the field of family planning Dr Rao has attempted to summarize and present in common format over 500 studies conducted in India between 1950 1973 on different aspects of family planning The main findings of the studies are critically reviewed for their relevance to the ongoing family planning programme She has also reviewed the methodologies employed in family planning research She suggests strategies to promote utilization of research The book fulfils the much felt need for a ready reference for researchers and a quide to administrators policy makers and programme planners concerned with family planning
