Rose Army, 2000-06 Nine Lives in the Air Lt Col Ed Henningson, 2016-05-06 My inspiration for the name of this memoir is derived from the superstitious wives tale about cats having nine lives The notion of that myth while the origin is unknown to me seemed to be a fitting title line In the course of a 26 year career as an Air Force Pilot there were the usual sorts of in flight emergencies and associated difficulties Yet there were still other life or death situations wherein it seemed things were entirely out of my control it was if I was merely along for the ride as a spectator Those events constitute the eight very distinct occasions wherein but for the Grace of God and Divine Intervention I believe it is most doubtful that I would still be around to author the memoirs embodied in this autobiography **Stand Well Clear** D. K. Tooker, 2007-12-01 Once again mixing the tragic with the hilarious the serious with the absurd Tooker portrays the daily drama of naval aviation in his
