Produced by MORGAN B. COX A UNIVERSAL SERIAL

Secret Agent X 9

Al Williamson

Secret Agent X 9:

Secret Agent X-9 Dashiell Hammett, 2011-04-19 When Secret Agent X 9 premiered in January 1934 King Features could proudly boast that its new adventure strip was written by the world's most famous mystery writer Dashiell Hammett the man who virtually invented the hard-boiled detective in such novels as *The Maltese Falcon* *The Thin Man* and *Red Harvest* The artist chosen was less well-known at this point Alex Raymond was merely an uncredited assistant on Tim Tyler's *Luck* and the humor strip *Blondie* but 1934 was the turning point in Raymond's career From that cold January forward Alex Raymond would become as famous as Hammett thanks to his Sunday comics double header *Flash Gordon* and *Jungle Jim* The Secret Agent X 9 strip was a dailies-only serial This volume collects the complete Hammett-Raymond strips plus the subsequent stories by Raymond and Leslie Charteris famous himself for *The Saint* novels as well as the Charteris stories drawn by Charles Flanders Included are strips from January 22, 1934 through October 31, 1936 Dashiell Hammett's Secret Agent X-9 Dashiell Hammett, William F. Nolan, 1983 In the mid-1930s at the peak of his career Dashiell Hammett plotted and wrote daily comic strip Secret Agent X 9 Working with him was a young artist Alex Raymond who was just beginning to make a name for himself with his own strips *Flash Gordon* and *Jungle Jim* Here for the first time in book form are all the X 9 episodes written by Hammett along with a fascinating new introduction by William F. Nolan author of *Hammett: A Life at the Edge* Also included is a Raymond rarity his only collaboration with Leslie Charteris creator of the Saint *Quatri me de couverture*

Secret Agent X-9 Dashiell Hammett, Alex Raymond, 1976 **Secret Agent X-9** Dashiell Hammett, Alex Raymond, 1985 A comic strip portrays the adventures of a spy as he fights to defeat the plots of deadly criminals and enemy agents *Secret Agent X-9* Dashiell Hammett, 1976 *Secret Agent [X-9/x-nine]*. Dashiell Hammett, Alex Raymond, 1983 Secret Agent X-9 Patricia Harper, Joseph O'Donnell, 1945 **American Rivals of James Bond** Graham Andrews, 2023-02-27 This is a critical history of spy fiction film and television in the United States with a particular focus on the American fictional spies that rivaled and were often influenced by Ian Fleming's James Bond James Fenimore Cooper's Harvey Birch based on a real-life counterpart appeared in his novel *The Spy* in 1821 While Harvey Birch's British rivals dominated spy fiction from the late 1800s until the mid-1930s American spy fiction came of age shortly thereafter The spy boom in novels and films during the 1960s spearheaded by Bond heavily influenced the espionage genre in the United States for years to come including series like *The Man from U N C L E* and *Matt Helm* The author demonstrates that while American authors currently dominate the international spy fiction market James Bond has cast a very long shadow for a very long time **Secret agent X-9**, 1992 Tegneserie om fbi agenten X9 *Cartoonists, Works, and Characters in the United States through 2005* John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work Author John Lent has used all manner of methods to gather the citations searching library and online databases contacting scholars and other professionals attending conferences and

festivals and scanning hundreds of periodicals He has gone to great length to categorize the citations in an easy to use scholarly fashion and in the process has helped to establish the field of comic art as an important part of social science and humanities research The ten volumes in this series covering all regions of the world constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation comics and cartooning They are the definitive works on comic art research and are exhaustive in their inclusiveness covering all types of publications academic trade popular fan etc from all over the world Also included in these books are citations to systematically researched academic exercises as well as more ephemeral sources such as fanzines press articles and fugitive materials conference papers unpublished documents etc attesting to Lent s belief that all pieces of information are vital in a new field of study such as comic art

Serials and Series Buck Rainey,2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis
