Secret Craft Life And Journalism Of Edward Farrer:

Secret Craft Carman Cumming,1992 The biography of an original and unconventional Canadian journalist who became editor of the Toronto Mail in 1885 and was immersed in the volatile issue of annexation to the US in 1891 Cumming journalism Carleton U finds interest in the fact that this controversial somewhat embarrassing figure has been overlooked by Canadian historians who h

Scrum Wars Allan Levine,1996-08-08 The image of the scrum a beleaguered politician surrounded by jockeying reporters is central to our perception of Ottawa The modern scrum began with the arrival of television but even in Sir John A Macdonald's day a century earlier reporters in the parliamentary press gallery had waited outside the prime minister's office pen in hand hoping for a quote for the next edition The scrum represents the test of wills the contest of wits and the battle for control that have characterized the relationship between Canadian prime ministers and journalists for more than 125 years *Scrum Wars* chronicles this relationship It is an anecdotal as well as analytical account showing how earlier prime ministers like Sir John A Macdonald and Sir Wilfrid Laurier were able to exercise control over what was written about their administrators while more recent leaders like John Diefenbaker Joe Clark John Turner and Brian Mulroney often found themselves at the mercy of intense media scrutiny and comment *Nation Maker* Richard J. Gwyn,2012-08-21 1 NATIONAL BESTSELLER John A Macdonald Canada's first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians

The Honourable John Norquay Gerald Friesen,2024-04-12 The life and times of the Premier from Red River John Norquay orphan and prodigy was a leader among the Scots Cree peoples of western Canada Born in the Red River Settlement he farmed hunted traded and taught school before becoming a legislator cabinet minister and from 1878 to 1887 premier of Manitoba Once described as Louis Riel's alter ego he skirmished with prime minister John A Macdonald clashed with railway baron George Stephen and endured racist taunts while championing the interests of the Prairie West in battles with investment bankers Ottawa politicians and the CPR His contributions to the development of Canada's federal system and his dealings with issues of race and racism deserve attention today Recounted here by Canadian historian Gerald Friesen Norquay's life story ignites contemporary conversations around the nature of empire and Canada's own imperial past Drawing extensively on recently opened letters and financial papers that offer new

insights into his business family and political life Friesen reveals Norquay to be a thoughtful statesman and generous patriarch This masterful biography of the Premier from Red River sheds welcome light on a neglected historical figure and a tumultuous time for Canada and Manitoba The Power of the Pen Richard Clippingdale,2012-08-18 Sir John Willison 1856 1927 lived and worked after the development of fast trains and the telegraph mostly before the widespread use of the telephone and almost entirely before radio mattered in news As a newspaperman though he was the most important Canadian journalist of his era **Beyond Bylines** Barbara M. Freeman,2011-12-14 Beyond Bylines Media Workers and Women s Rights in Canada explores the ways in which several of Canada s women journalists broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women s rights of their eras To do so some of them adopted conventional feminine identities while others refused to conform altogether openly and defiantly challenging the gender expectations of their day The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts higher education for women healthy dress reforms the vote equal opportunities at work abortion lesbianism and Aboriginal women s rights Their media reflected their respective eras intellectual magazines daily and weekly newspapers radio feminist public relations alternative women s periodicals and documentary film made for television Barbara Freeman takes an interdisciplinary approach combining biography history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality She shows how a number of these women were linked through the generations by their memberships in activist women s organizations *Periodicals of Queen Victoria's Empire* Rosemary VanArsdel,Jerry Don Vann,Rosemary T. VanArsdel,1996-01-01 Contemporary research in periodical literature has demonstrated conclusively that the nineteenth century in Britain was the age of the periodical It also has shown that in Victorian society the circulation of periodicals and newspapers was both larger and more influential than that of books The six essays in this volume investigate the extent to which this was equally true of Britain s colonies during the period up to 1900 In chapters devoted to periodical publishing in Australia Canada India New Zealand Southern Africa and the outposts of the Empire Ceylon Cyprus Hong Kong Malaya and Singapore Malta and the West Indies the contributors also consider the function and importance of periodicals in colonial life They identify and describe all locally produced publications that appeared at weekly or longer intervals and that contained for example local news poetry fiction criticism commentary on the arts news from home shipping information and commodities reports Each chapter presents an evaluation of the quantity and quality of guides available to periodical literature in each region from basic bibliographies of periodicals directories and finding aids to microfilm records and databases on the Internet *Periodicals of Queen Victoria's Empire* is an initial step towards understanding and analyzing what its editors regard as the unseen power of the periodical press in the British Empire of the nineteenth century
