Isabel (fict.name.),1903 **Sherwood Anderson's Secret Love Letters** Sherwood Anderson,Ray Lewis White,1999-03-01 In 1927 tired of the literary life of New York City New Orleans and Chicago a famous but aging American writer named Sherwood Anderson 1876 1941 author of Winesburg Ohio 1919 and other short stories in which he virtually invented the modern American short story moved to rural Southwest Virginia to write for and edit two small town weekly newspaper that he owned the Marion Democrat and the Smyth County News Living again among the small town figures with whom he was usually most content William Faulkner Thomas Wolf and indeed an entire generation of the greatest American writers worked for several years at making his newspaper nationally famous while struggling to come to terms with a life threatening psychological depression and a failing third marriage Both of Anderson s midlife problems were complicated when he met Eleanor Copenhaver lovely young daughter in one of the prominent first families of Marion and a career social worker for the YWCA Trying to keep their ardent affair secret in the small town Anderson avidly courted the socially prominent and much younger Miss Copenhaver while at the same time trying to free himself from his embittered third wife and overcome the

disadvantages of his age and his lover's family's distrust of him. Having by the end of 1931 continued for three years his surreptitious and consuming affair with Miss Copenhaver, Anderson determined on the first day of 1932 that the new year should be the year of decisions for him to gain his love in marriage or perhaps to end his life and he began the new year with a creative venture unique in literature. Starting on January 1, Anderson secretly wrote and hid away for Eleanor Copenhaver to find after his eventual death one letter each day, letters that she should someday discover whether they had ever become married or not and thereby relive in her memory their days of intense lovemaking, a mutual despair about their then unlikely marriage. Found by Eleanor Copenhaver Anderson only at Sherwood Anderson's death in 1941 and then preserved intact by this grieving widow who had married Anderson in 1933, the carefully hidden letters of 1932 recording their intense and seemingly doomed love affair have remained secret until now. Chosen by Eleanor Copenhaver Anderson before her death in 1985 to publish her husband's secret love letters, Anderson scholar Ray Lewis White has prepared a fascinating edition of these unique letters for the enjoyment of students and scholars of literature as well as for all other readers who savor compelling and inspiring stories of loss and love.

William And Kate : The Love Story - A Celebration Of The Wedding Of The Century Robert Jobson, 2010-12-06 Packed with fascinating anecdotes, sharp analysis and exclusive photographs by a celebrated royal photographer, this title reveals the secrets of Prince William and Kate Middleton's royal romance.

The Greatest Love Story Never Told Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades. The names and places have been changed to protect the privacy of the individuals involved in this affair. The chronological sequence of events has been maintained for continuity. All the stories and experiences are based on facts. This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret. The first book related to this love story was a book of poems entitled *Somewhere Sometime Somehow Love Poems and Short Stories* published in 2008 by this author and Xlibris. For the perceptive reader of this book, one can trace the ups and downs of our love relationship. These 18 years were filled with robust love and passion for each other. Perhaps it was fantasy, perhaps it was the most real thing we will ever experience. The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her. I opened my heart to her through poetry and thoughtful letters, but she rarely showed me what was in her heart. Perhaps it was a one-sided love affair, but I surely think and hope not. I was convinced that she truly loved me through her words and actions. At least I experienced a pure love that I had only dreamed was possible. The story is told mainly through the exchange of letters and emails to each other. Perhaps readers can experience and hopefully feel the deep love we felt for each other.
