English Rachel Spangler,2019-02-12 After a publicly humiliating divorce best selling author Emma Volant runs away to hide in the seaside English village of Amberwick where she doesn't know another living soul. She wants nothing more than to surrender to her broken heart in private. However, when the locals discover their newest resident is world famous, they gather at the local pub and hatch a plan to draw Emma out of her self-imposed isolation, hoping her celebrity status will elevate the village's reputation to something more than a holiday hotspot. It doesn't take long for them to try to rope their favorite bartender Brogan into the act. Born and raised in Amberwick, Brogan McKay has built a comfortable life by never overreaching. Part-time jobs and short-term flings have always been good enough for her, but when she meets her beautiful and wounded new neighbor, Brogan realizes Emma has the potential to wreck the carefully controlled expectations she uses to protect her heart. Despite their obvious attraction and growing friendship, both Emma and Brogan are in firm agreement that neither of them is in a position to look for love, but how long can they fight their fears and desires as the events and people around them all conspire to create a full English love story.

Y Peter Sharpe,2025-03-06 What is love? More importantly, how do you know when you're in it? These are the perennial questions that Ben Archer, a writer, grapples with as he attempts to complete his first major novel. Ben has been content to go with the flow for most of his life, but he now finds himself in the turbulent rapids of life's journey. He is caught between a girlfriend and one he wishes he had. Ben is committed to his girlfriend Jess Arnott, a successful journalist who worries about their relationship. She has supported him as he struggles to earn a living as a writer, but her faith in their partnership wavers. Yasmin Taher, a TV anchor, is the object of Ben's infatuation. She is in a long-standing relationship with her wealthy investment banker boyfriend while tolerating his insufferable aristocratic family. Then, through a twist of fate brought on by enforced separation and coincidence, Ben, Jess, and Yasmin find themselves on a collision course, testing the boundaries of attraction, fidelity, friendship, and sacrifice. This is a funny and heartwarming tale about three people navigating the emotional roller coaster of discovery, ultimately seeking answers to the question: What is love?
