Behind Closed Doors Thirteen O'Clock Press, 2014-05-08 Doors are fascinating from the normal house door hiding its

multitude of secrets from the neighbours through the elegant crafted doors of high flying businesses in tower blocks where who knows what wheeling dealing goes on to the solid ancient lost in antiquity doors of churches behind which are hundreds of years of prayers and confessions and acts that are beyond the imagination of the average churchgoer Doors that say KEEP OUT and doors that invite you in Countless thousands of them all have their own reasons to be there and their own secrets to conceal The authors responded to the call for contributions with an incredible collection of murder and mayhem of bitterness and depravity and just about every other human emotion there is Open the door and walk in there are stories here to entertain and surprise you Enjoy

Behind Closed Doors Anna Katharine Green,2021-11-09 In Behind Closed Doors Anna Katharine Green weaves a compelling narrative that delves into the intricate dynamics of murder morality and the human psyche This 1910 novel showcases Green s hallmark style characterized by meticulous attention to detail and a suspenseful almost Gothic atmosphere Through a rich tapestry of dialogue and vivid characterizations the reader is drawn into a world where hidden motives and societal expectations collide thus reflecting the complexities of early 20th century American society particularly in relation to gender roles and social propriety Green often hailed as one of the pioneers of detective fiction brought her own life experiences and profound understanding of human behavior to this work Her background as a female author in a predominantly male literary space informed her nuanced perspectives on the female condition while her extensive exploration of criminal cases in her earlier works established her as a quintessential figure in shaping the mystery genre This contextual richness enhances the depth of Behind Closed Doors making it not just a story but an exploration of broader societal themes I highly recommend Behind Closed Doors to readers seeking a thriller that combines psychological depth with a keen social critique Green s narrative intricacies are sure to engage both fans of classic literature and those interested in the early evolution of detective storytelling
