## **Secret Courtship:**

**Secret Courtship** Grace Green, 1996 She'll sell when the price is right Nick Diamond was confident he could make Laura fall in with his plans He wanted to buy her cottage and Nick always got what he wanted He also seemed to want Laura too But Laura hardly dared allow herself to read the secret message in Nick's smoky gray eyes She wasn't sure if she could trust him or if his teasing charm had hidden motives Was his real intention courtship or to persuade Laura to part with her property

**How to Pick a Mate, The Guide to a Happy Marriage** Clifford Rose Adams, 2022-04-06 Excerpt As far as we know this is the first time anyone has written a book attempting to put mate selection on a sensible basis despite the fact that sooner or later almost everybody selects one A good many people resent the idea of an outsider telling them how they should pick a mate They think it smacks of meddling Marriage is something sacred and personal It should not be done according to rules We heartily sympathize Unfortunately however marriages are not made in Heaven Usually people marry by hunch or impulse or because their parents think it is a good match or because they get themselves so deeply involved romantically that marrying seems the only proper thing to do Too frequently such methods merely mess up a couple of people's lives More than a third of all the millions of marriages undertaken in the last ten years are in trouble Many are already dissolved Many more soon will be A great deal of research and counseling has now been done in the field of marriage and the findings validated At Penn State for example hundreds of couples who were tested before marriage at the Marriage Counseling Service are checked periodically after marriage to find how they are making out Of all the marriages which the service predicted would be successful not one has yet ended in divorce or separation Most of the people who went ahead despite the clinic's cautions are already in serious trouble or have been divorced As a result of many such investigations reliable information is available on the kinds of people who make the best mates and on the causes of marriage success and failure In this book we have tried to include those findings which should be most helpful and interesting to all people involved in love or marriage but particularly to people who sooner or later will be taking unto themselves a mate It is not our intention to lay down a set of rules for people to follow But we hope that after reading this book you will be more enlightened in your hunches than you might be otherwise and be a much happier and more desirable mate yourself

**Flirtation and Courtship in Nineteenth-Century British Culture** Ghislaine McDayter, John Hunter, 2022-08-08 This is volume three of a three volume set that brings together a rich collection of primary source materials on flirtation and courtship in the nineteenth century Introductory essays and extensive editorial apparatus offer historical and cultural contexts of the materials included Throughout the long nineteenth century a woman's life was commonly thought to fall into three discrete developmental stages personal formation and a gendered education a young woman's entrance onto the marriage market and finally her emergence at the apogee of normative femininity as wife and mother In all three stages of development there was an unspoken awareness of the duplicity at the heart of this carefully cultivated femininity What women were taught no

matter their age was that if you desired anything in life it behooved you to perform indifference This meant that for women the art of flirtation and feigning indifference were viewed as essential survival skills that could guarantee success in life These three volumes document the many ways in which nineteenth century women were educated in this seemingly universal wisdom but just as frequently managed to manipulate subvert and navigate their way through such proscribed norms to achieve their own desires Presenting a wide range of documents from novels memoirs literary journals newspapers plays poetry songs parlour games and legal documents this collection will illuminate a far more diverse set of options available to women in their quest for happiness and a new understanding of the operations of courtship and flirtation the central concerns of a nineteenth century woman s life The volumes will be of interest to scholars of history literature gender and cultural studies with an interest in the nineteenth century

**Birth, Marriage, and Death : Ritual, Religion, and the Life-Cycle in Tudor and Stuart England** David Cressy, 1997-05-29 From childbirth and baptism through to courtship weddings and funerals every stage in the life cycle of Tudor and Stuart England was accompanied by ritual Even under the protestantism of the reformed Church the spiritual and social dramas of birth marriage and death were graced with elaborate ceremony Powerful and controversial protocols were in operation shaped and altered by the influences of the Reformation the Revolution and the Restoration Each of the major rituals was potentially an arena for argument ambiguity and dissent Ideally as classic rites of passage these ceremonies worked to bring people together But they also set up traps into which people could stumble and tests which not everybody could pass In practice ritual performance revealed frictions and fractures that everyday local discourse attempted to hide or to heal Using fascinating first hand evidence David Cressy shows how the making and remaking of ritual formed part of a continuing debate sometimes strained and occasionally acrimonious which exposed the raw nerves of society in the midst of great historical events In doing so he vividly brings to life the common experiences of living and dying in Tudor and Stuart England

**The Lincolns** Daniel Mark Epstein, 2009-01-13 Although the private lives of political couples have in our era become front page news the true story of this extraordinary and tragic first family has never been fully told The Lincolns eclipses earlier accounts with riveting new information that makes husband and wife president and first lady come alive in all their proud accomplishments and earthy humanity Award winning biographer and poet Daniel Mark Epstein gives a fresh close up view of the couple s life in Springfield Illinois of their twenty two years of marriage all but six were spent there and dramatizes with stunning immediacy how the Lincolns ascent to the White House brought both dazzling power and the slow secret unraveling of the couple s unique bond The first full length portrait of the

marriage of Abraham and Mary Todd Lincoln in more than fifty years *The Lincolns* is written with enormous sweep and striking imagery Daniel Mark Epstein makes two immortal American figures seem as real and human as the rest of us

[Making the Right Choice](#) Asha Abeyasekera,2021-03-12 *Making the Right Choice* is an intimate portrait of the politics of marriage and gender narrated through the life histories of three generations of Sinhala Buddhist families living in urban Sri Lanka The book demonstrates that marriage is a privileged site to investigate questions about gendered selves gendered agency and modern subjectivities

*E.D.E.N. Southworth* Melissa Homestead,Pamela Washington,2013-01-20 The prolific nineteenth century writer E D E N Southworth enjoyed enormous public success in her day she published nearly fifty novels during her career but that very popularity combined with her gender led to her almost complete neglect by the critical establishment before the emergence of academic feminism Even now most scholarship on Southworth focuses on her most famous novel *The Hidden Hand* However this new book the first since the 1930s devoted entirely to Southworth shows the depth of her career beyond that publication and reassesses her place in American literature Editors Melissa Homestead and Pamela Washington have gathered twelve original essays from both established and emerging scholars that set a new agenda for the study of E D E N Southworth s works Following an introduction by the editors these articles are divided into four thematic clusters The first *Serial Southworth* treats her fiction in periodical publication contexts Southworth s *Genres* the second grouping considers her use of a range of genres beyond the sentimental novel and the domestic novel In the third part *Intertextual Southworth* the essays present intensive case studies of Southworth s engagement with literary traditions such as Greek and Restoration drama and with her contemporaries such as Harriet Beecher Stowe and French novelist George Sand Southworth s focus on social issues and reform figures prominently throughout the volume but the pieces in the fourth section *Southworth Marriage and the Law* present a sustained inquiry into the ways in which marriage law and the status of women in the nineteenth century engaged her literary imagination The collection concludes with the first chronological bibliography of Southworth s fiction organized by serialization date rather than book publication For the first time scholars will be able to trace the publication history of each novel and will be able to access citations for lesser known and previously unknown works With its fresh approach this volume will be of great value to students and scholars of American literature women s studies and popular culture studies
