Biographical Encyclopaedia of Sufis N. Hanif,2002 *Moslem World* ,1927 Reliving Karbala Syed Akbar

Hyder,2008-09-01 In 680 C E a small band of the Prophet Muhammads family and their followers led by his grandson Husain rose up in a rebellion against the ruling caliph Yazid The family and its supporters hopelessly outnumbered were massacred at Karbala in modern day Iraq The story of Karbala is the cornerstone of institutionalized devotion and mourning for millions of Shii Muslims Apart from its appeal to the Shii community invocations of Karbala have also come to govern mystical and reformist discourses in the larger Muslim world Indeed Karbala even serves as the archetypal resistance and devotional symbol for many non Muslims Until now though little scholarly attention has been given to the widespread and varied employment of the Karbala event In Reliving Karbala Syed Akbar Hyder examines the myriad ways that the Karbala symbol has provided inspiration in South Asia home to the worlds largest Muslim population Rather than a unified reading of Islam Hyder reveals multiple sometimes conflicting understandings of the meaning of Islamic religious symbols like Karbala He ventures beyond traditional scriptural interpretations to discuss the ways in which millions of very human adherents express and practice their beliefs By using a panoramic array of sources including musical performances interviews nationalist drama and other literary forms Hyder traces the evolution of this story from its earliest historical origins to the beginning of the twenty first century Today Karbala serves as a celebration of martyrdom a source of personal and communal identity and even a tool for political protest and struggle Hyder explores how issues related to gender genre popular culture class and migrancy bear on the cultivation of religious symbols He assesses the manner in which religious language and identities are negotiated across contexts and continents At a time when words like martyrdom jihad and Shiism are being used and misused for political reasons this book provides much needed scholarly redress Through his multifaceted examination of this seminal event in Islamic history Hyder offers an original complex and nuanced view of religious symbols Yusuf's Fragrance Mahmud Gaami; tr. Mufti Mudasar,2022-12-05 It can be said of the 19th century Kashmiri poet Mahmud Ga mi that he was a pioneer in introducing the Persian genres of the ghazal nazm masnavi and na t into Kashmiri Mahmud Gami s contribution to Kashmiri poetry is unique in both scope and depth Not only is he the first truly prolific poet who has written

entirely in the Kashmiri language but much of his poetry also stands out for its beauty of expression and depth of thought such as in the lyrical romance of Shireen Khusrau Yusuf Zulaikha and Layla Majnun Yusuf's *Fragrance* is both a celebration as well as an homage to Gami's oeuvre Through these beautiful verses we explore themes of love both physical and metaphysical philosophy folklore and tradition through different narrative devices such as nazms masnavis and vatsuns

In Search of Oneness Moosa

Raza, 2012-09-15 This free flowing narrative illuminates the journey of the author a devout Muslim through sacred books and holy men of all religions starting with his own in search of a personal god and faith and his coming upon the Bhagavad Gita

Examining commentaries on this text from Sankara to Abdur Rahman Chishti alongside some renderings of the Quran here

Moosa Raza finds many common threads summoning God through s dhan or dhikr reaching God through daan or giving and

the service of the destitute and seeking ecstasy through self mastery detachment and surrender These original observations

are complemented by his encounters with people practising these values like his ailing school teacher who felt God was

always behind him or his friend a senior civil servant who trusting in Allah's providence kept an open home for the poor and

the homeless Through these experiences and his own striving Raza celebrates the oneness and power of faith and spirituality

showing a path for other seekers Madhumalati Simon Manjhan, 2000 The mystical romance Madhumalati tells the story of

a prince Manohar and his love for the beautiful princess Madhumalati When they are separated they have to endure suffering

adventure and transformation before they can be reunited and experience true happiness A delightful love story the poem is

also rich in mystical symbolism and the story of the two lovers represents the stages on the spiritual path to enlightenment

Madhumalati was written in the sixteenth century and it is an outstanding example of Sufi literature in the Indian Islamic

tradition Originally written in a dialect of Eastern Hindi it is here translated for the first time into English verse with an

introduction and notes that explain the poem's religious significance *Dictionary Catalog of the Research Libraries of the*

Piri-muridi Relationship

Desiderio Pinto, 1995 The relationship between a spiritual master and his disciple piri muridi becomes important when one

witnesses day after day the large numbers of Muslims and non Muslims flocking to spiritual masters pirs stationed at the

various dargahs of India This work discovers that piri muridi aims at making the disciple see God in all things while very

often allowing him to enjoy worldly success This is achieved through a lengthy socialization process that spans a period of

time ranging from twelve years to a lifetime This socialization process is very painful and some disciples murids run away

Most however remain bound to their pir by their vow of allegiance to him the pir's friendliness sympathy material magical

and psychological assistance and when that is not enough fear of his magical power During this period the murid learns to

fall in love with the pir whom he strives to see as the representative of God by observing serving and seeing the pir's hand in

everything that befalls him and frequently recalling and concentrating on a mental image of the pir while believing that his actions are prompted by the pir Having thus attained union with the pir he one day suddenly realizes that the pir is just a curtain or veil that hides something else that which he has truly loved all the time in the image of the pir is God himself The book is a mine of empirical information collected in the Nizamuddin dargah showing how a set of beliefs contained in constantly narrated stories and experiences are used to forge structure maintain and further the relationship between the pir and his murid It will be of interest to scholars of Islam Indian history and sociology Sufi thought and the place of religion in the modern world 阿拉姆·阿里·汗著. 2002
