John Powell

Secret Of Staying In Love:

The Secret of Staying in Love John Powell, 1974 John Powell with his special blend of insight and humor guides us in discovering our capacity to give and receive love By first learning to love and accept ourselves we develop an inner sense of celebration and satisfaction that extends to our relationships with others Powell explains how we can nurture and strengthen loving relationships through the secret of staying in love Communication He details the process of dialoguing in simple exercises that give us a new and deeper knowledge of ourselves and those we love from back cover **Love Life for Every Married Couple** Ed Wheat, Gloria Okes Perkins, 1996-12-24 Physician Ed Wheat has helped thousands of couples improve their love lives and build happier marriages In Love Life for Every Married Couple he ll help you improve your marriage through sharing touching appreciating and focusing healing attention on your mate Answering physical psychological and stress related questions in a Christian context Dr Wheat demonstrates how to bring your feelings of love back to life The Secrets of Enduring Love Meg John Barker, Jacqui Gabb, 2016-02-04 The Secrets of Enduring Love focuses on what couples actually do to maintain nurture and nourish their relationships The reader will be taken on a journey through different ways of doing relationships focusing on the key themes which came out of the research everyday acts of kindness and appreciation the importance of home communication and conflict management sex and intimacy incorporating others into the relationship children pets friends hobbies and telling your own love story One of the key messages from the research is that different things work for different people and at different times in the relationship For this reason the book focuses on the different practices that we might bring into our own relationships helping us to recognise the small things which we may be already doing but which ordinarily go by unnoticed and offering a helping hand to find out what works best for us **THE BEAUTIFUL ILLUSION OF BEING IN LOVE** Adrian Gabriel Dumitru, The book The beautiful illusion of being in love is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling in love is an experience that any human being must see with it s own soul It can be a beautiful experience an illusion or a beautiful illusion The book is more like a collection of poems but the writer is not knowing to write poetry but only essays Trying to define love in many ways the essays speak about the beautiful illusion as part of the life maybe the most important part Defining is done in a micro and macro way but the love is always seen as something very beautiful The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that wants to understand love from a philosophical point of view Enjoy it **Secrets of Love, Marriage, Sex, Genius, Success, and Happiness** Naser Hegazy, 2013-01-16 It is an analytical view of some of the concepts and aspects of life according to recent scientific studies that changed my consideration of some of these concepts and led me to the discovery of these secrets It is literary and social in the light of opinions the great philosophers theories the writers words and the psychologists ideas about concepts and

explains them I tried to understand and comprehend the wide knowledge base about how to behave better and find more wealth of realism and much happiness in life **Secrets of Successful Marriages** Dr. Matthew N. O. Sadiku, Janet O. Sadiku, 2022-11-29 This book is probably the best book on marriage you have ever seen It shows you how God wants you to have a happy and successful marriage However nothing in life is free If you want your marriage to be happy and successful you must be willing to discover the secrets and put them into practice This book gives you those secrets The Secret of a Christ Centered Home The Secret of Prayer The Secret of Vigilance The Secret of Communication The Secret of Understanding The Secret of Love and Appreciation The Secret of Commitment The Secret of Maturity The Secret of Financial Stewardship The Secret of Parenting The is a comprehensive guide on marriage but yet an easy read and very practical The book also offers insightful practical guides on how to apply the secrets The principles offered in this book will help you overcome the incredible array of spiritual and social forces working against your marriage The book will challenge and stimulate you to be the best person you can be and build the best marriage you can have **The Secret of Love** Lori Carpenos, Christine Heath, 2018-12-10 The Secret of Love is a collection of stories and wisdom from couples whose relationships improved or completely turned around by applying Sydney Banks Three Principles and turning themselves inwards towards their true selves Written by students of the late Banks and based on his book Thought and Marriage the book ties together quotes from Sydney Banks and true stories that illustrate and exemplify successful application of the wisdom of you the individual thinker The book covers Three simple principles that provide hope for every relationship Stories that talk about the secret of love as a spiritual gift and unlock the mystery many people feel about staying in love Discusses many of the common problems in relationships and how those problems can be transcended Designed to keep people focused on the feeling of love not just the idea of love Reveals how to unleash the magic that comes from living in deeper states of consciousness Love, Joy, and Sex Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis s Amoris Laetitia This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life This volume has gathered seminal commentaries on Amoris Laetitia by African Catholic theologians social scientists and pastoral workers They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other divisive issues These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling The authors here also call for the inclusion of Africa s own unique

challenges like polygamy childless marriages and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life They also challenge uncritical cliches in world Christianity that Africa's opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent

The Four Laws of Love Jimmy Evans,2020-02-11 The Four Laws of Love represents the culmination of Jimmy Evans influential career In this deeply personal book Jimmy Evans outlines the foundational pillars upon which God designed marriage Without holding back he tells the story of his own marriage which was hurtling toward divorce until this self proclaimed bad husband came to recognize and put into practice these four laws This book sounds a wake up call for every kind of marriage including those that are barely surviving and those that seem to operate on autopilot Couples who follow these simple guidelines recognizing the original intent and purpose of marriage will inject new life into their unions They'll see hurting marriages find healing and watch good marriages become great Each revitalized relationship will play a part in restoring marriage to its sacred role at the center of human civilization

Love in Sufi Literature Omneya Ayad,2023-09-27 Focused on A mad Ibn Ajba an eighteenth century Moroccan Sufi scholar renowned for his contribution to Sufi Qur'anic exegesis this book engages critically with his theory of divine love to elucidate his impact on the wider field of Qur'anic scholarship The principal source of analysis is Ibn Ajba's Oceanic Exegesis of the Qur'an which connected theoretical works on the concept of divine love to their practical application a breakthrough in Sufi literature Close analysis of this text is supplemented by a comparative approach focusing on several other eminent Sufi commentaries including those of Ab al Qasim al Qushayr and Rabi' al-Baqi Shahrastani This comparative approach situates Ibn Ajba's thought in theological and historical perspective engaging with his mystical approach which integrates his theory of divine love with other Sufi doctrines in an accessible manner This approach it is argued left an indelible impact on future generations of Qur'anic exegetes within North Africa and across the Islamic world The book will prove an important resource for academic researchers who wish to explore

the vast intellectual heritage that Ibn Aj ba left as well as to those interested in Sufi literature and Islamic theology in general

Secrets of Relationships Sri Sri Ravi Shankar,2014-02-17 Head to head communication happens through thoughts and words while heart to heart communication happens through feelings People throughout the ages have felt that they cannot communicate their feelings If we could communicate all our feelings through words then we would be leading very shallow lives Life is rich because feelings cannot be captured in words So we use all these gestures we hug so that hearts come closer we give flowers so that feelings are conveyed We put all our efforts into expressing our feelings and still feelings remain unexpressed His Holiness Sri Sri Ravi Shankar a spiritual leader and humanitarian was born in 1956 in southern India He was often found deep in meditation as a child At the age of four he astonished his teachers by reciting the Bhagavad Gita To globalise the knowledge of leading a happy stress free life H H Sri Sri Ravi Shankar established an international educational and humanitarian NGO The Art of Living in 1982 Today with a presence in over 151 countries The Art of Living is one of the largest voluntary organizations in the world

The Art of Being Free James Poulos,2017-01-17 Most folks probably don't learn about Alexis de Tocqueville in school anymore but his seminal work Democracy in America is still surprisingly resonant When he came to America in 1831 to study our great political experiment he reported that the main issues were religion money sex death love gender inequality work and politics Clearly we haven't come as far as one might hope But it wasn't all doom and gloom De Tocqueville not only cataloged our problems he also provided a manual on how to solve them In The Art of Being Free journalist and scholar James Poulos parses de Tocqueville's advice for a modern audience showing us how to live a sane healthy and happy life regardless of the hectic world around us Poulos dives into the original beloved text to see what Tocqueville would say about our relationship to technology our methods for coping with stress our obsession with appearances our workaholism and our physical indolence He explores how our uniquely American malaise might be alleviated not by the next wellness or self help craze but by the kind of inner inventory taking that has fallen out of fashion Like Sarah Bakewell's How to Live or Alain de Botton's How Proust Can Change Your Life The Art of Being Free offers a vital new twist on a collection of timeless wisdom for Americans of all ages

Dante's Aesthetics of Being Warren Ginsberg,1999 Explores the domain of the aesthetic in Dante *Knowing God's Secrets* John Hunter,2011-03-01 It is sad indeed that there are so many true and earnest believers who think of a victorious Christian life as a super deluxe version instead of normality and in the words of the author are so busy enduring their failure that they have no time to enjoy their faith The mystery of how to be what as Christians we have been born again to become is now an open secret in Jesus Christ that the secret of a changed life is an exchanged life [The Ten Secrets of Heaven](#) Theresa Cheung,2016-07-14 What is heaven like What is your soul's purpose Can you unlock your divine potential With advances in modern medicine enabling more and more people to be brought back from the brink of death it is now possible to paint a vibrant picture of what lies beyond It is also possible to discover more about our spiritual destiny from near death

experiences Each afterlife experience offers us powerful clues into our soul's purpose and in this fascinating new book Theresa Cheung unveils these life changing truths or insights as the Ten Secrets of Heaven It is only through our understanding of their meaning on earth that we can discover heaven and eternal life After explaining each of the ten secrets Theresa will show how heaven can disguise itself in aspects of daily life such as health career money love relationships and life goals and also during times of crisis such as when we are depressed grieving lacking direction or experiencing heartbreak Truly understanding how the Ten Secrets of Heaven can be harnessed for our wellbeing will bring enlightenment peace and joy It will also leave no doubt that nothing in this life is as it seems and death is not the end **I LOVE GOD, NOW WHAT? Book I Days 1 - 91** Steve Haines, 2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There's a little bit of everything I've put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don't read you won't benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God's Constitution Matthew chapters 5-7 about God's manifested love what it means to be Grafted In to God's family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers

to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress **Works of Love** Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early *Either/Or* through *The Diary of the Seducer* and *Judge William's* eulogy on married love to his last work on the changelessness of God's love *Works of Love* the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self giving love This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding *Works of Love* not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings
