**German Secret Weapons of the Second World War** Ian V. Hogg, 2020-01-24 A comprehensive highly detailed study that displays a stunning wealth of technical knowledge a brisk and understandable narrative HistoryNet The phrase German secret weapons immediately conjures up images of the V 1 and V 2 missiles that bombarded London in 1944 But what of the V 3 and V 4 What of Schmetterling the Rochling shell the Kurt bomb the Hs293 These and many other devices were all part of the German secret armory but are relatively unknown except to a handful of specialists What of the German nuclear bomb And the question of chemical warfare The sheer magnitude of the secret weapon projects of the Third Reich is revealed in this comprehensive study written by one of the world's great experts on weaponry The book explores the various fields in which the Germans concentrated their weapon development and discusses the multiplicity of ideas the difficulties and in several cases how these ideas were subsequently exploited by the victors Although much of the German wartime development was not completed before the war's end it nevertheless provided a foundation for a great deal of the munitions development that has since taken place Comparisons with Allied projects are also drawn This book explodes some of the myths surrounding Hitler's secret weapons to reveal a truth all the stranger for being fact Includes photographs and line drawings

*The Secret Weapon Against Terrorism* Daniel Ogwen, 2007-10 In this book Ogwen points out the difference it makes when God Himself shows up in the hearts of both the terrorist and the terrorized He compellingly turns the light on to the prescriptive and transformative secret weapon against terrorism Practical Life

**England's Secret Weapon** Amanda Field, 2012-07-19 England's Secret Weapon explores the way Hollywood used Sherlock Holmes in a series of fourteen films spanning the years of World War II in Europe from *The Hound of the Baskervilles* in 1939 to *Dressed to Kill* in 1946 Basil Rathbone's portrayal of Holmes has influenced every actor who has since played him on film TV stage and radio yet the film series has until now been neglected in terms of detailed critical analysis The book looks at the films themselves in combination with their historical context and examines how the studio updated Holmes and recruited him to fight the Nazis steering a careful course between modernising the detective and making sure he was still recognisable as the old Holmes in clothes locations and behaviour

**Stalin's Secret Weapon** Anthony

Rimmington,2018 A chilling reassessment of the Soviet Union s advances in biological warfare and the West s inadvertent contributions      *Secret Weapons* Brian J Ford,2013-09-20 Deep in the bunkers of Nazi Germany many of the world s top scientists worked to create a new generation of war winning super weapons A few of these such as jet aircraft and the V2 rocket became realities at the end of the war others never made it off the drawing board Written by noted research scientist Brian Ford this exciting book charts the history of secret weapons development by all the major powers during the war from British radar to Japanese ray guns and explains the impact that these developments eventually had on the outcome of World War II Ford also takes a look at the weapons that never made it to development stage as well as the more radical plans such as the idea of turning Hitler into a woman with hormone treatment      **ESTHER: God's Secret Weapon** Rebecca Nevin,2019-02-22 Long ago a young girl was orphaned in a land of her people s enemies She lived through the deaths of not one but both of her parents parents who taught her to love God and who faithfully modeled his ways to her Had God forgotten her Abandoned her Never Instead God had an amazing plan for her life that included helping rescue her people from certain destruction Come on the amazing journey of her life from orphan to queen of ancient Persia and discover how God faithfully led his daughter through valleys and heartache to victory and joy The story of Esther is a historic account that contains the plot line of the entire Bible in just ten short chapters Through this study you ll also learn of Satan s ancient hate against God and how it originated You ll visit the courts of heaven and the Garden of Eden and trace Satan s advance upon God s kingdom as he moves through the men and women of this earthly domain with his lust for power to kill God s people and ultimately establish his own worldwide reign The account of Esther is an ancient story that is more relevant than ever It s lessons and insights will give you a new perspective on the earthly battles God s people must engage in today just as his people of yesterday did No matter what situation you face personally or what situation God s people face collectively at this time in our history this study will reveal God s amazing power and faithfulness to bring all of us into full deliverance and joyful victory      The Secret Weapon of Africa Yao Foli Modey,2014-08-13 It was in the middle of the harmattan season and the weather was hot and humid The scorching rays of the sun had sucked the moisture out of every plant in the land and had turned the green leaves into dark yellow in color Many of the leaves had fallen to the ground and had begun to decompose into dark loamy soil rich fertile land innocent and untouched And that was the way it was in ancient times That was the way it was until the Oburoni slave traders arrived on the continent and changed everything imposing their greed and guns on the inhabitants The dry humid air left many people panting for breath and sweating profusely The women complained bitterly the children suppressed their discomfort but the men simply ignored the weather because they had bigger problems on their minds They d been thinking about the death and the devastation that the Oburoni intruders these uninvited aliens had unleashed on the land      *The Secret Weapon* Michael A. Campbell,2005-11      Secret Weapons of Jujutsu Don Cunningham,2015-12-08 Secret Weapons of Jujutsu is the first jujutsu book in English that deals with the full array of small

attack on the Nazi stronghold disguised as a scientific mission Apparently the U S forces were no match for the Nazi airships which shot down several planes and forced Byrd s troops to retreat *Hitler's Suppressed and Still-Secret Weapons, Science and Technology* Henry Stevens,2007-08 What spooked the Allies in the closing months of the war Why they were in such a panic to win quickly Because they knew the Nazis were developing supermetals electric guns lasers and ray weapons Here are official previously suppressed reports of cold bombs the red mercury bomb oxygen bombs fuel air bombs atomic bombs and rumors of the mysterious molecular bomb The SS black alchemists delivered large mystery rockets with technology far beyond the V 2 They also invented the computer magnetic tape and computer programs refined crude oil using sound waves or produced gasoline for 11 cents per gallon as well as the synthetic penicillin substitute 3065 Includes German experiments in time sustained fusion reactions zero point energy and travel in deep space *The Admiral's Secret Weapon* Charles Stephenson,2006 Thomas Cochrane the tenth earl of Dundonald had a controversial naval career both in the Royal Navy and overseas but it is on his work as an inventor and on one invention in particular that this book concentrates Charles Stephenson tells the incredible story of what was possibly his most ruthless and advanced creation a scheme to generate massive amounts of poison gas accompanied by saturation bombing and smoke screens The earl had in fact invented chemical warfare and with his stink ships and explosion vessels he also worked out the technology required to deploy this terrible weapon Considered too revolutionary at the time Cochrane s invention was kept under wraps though it could have been deployed during the Crimean War had the conflict not ended when it did During the First World War however certain documents detailing the plans disappeared It was feared by the then earl of Dundonald that they had fallen into German hands where the concept modified and adapted was employed in the use of chlorine gas at Ypres in 1915 Charles Stephenson draws on previously unseen material from the Dundonald family archive in his account of the earl and his invention and follows the story of the use of poison gas through to its place in modern warfare BOOK JACKET
