Secrets Jane Lahr, Peg Streep, 1989-05 **The Secret Documents of the Second Empire**, 1871 *Forthcoming*
Books Rose Arny, 1993-04 *The Secret Life of the Cheating Wife* Alicia M. Walker, 2017-10-24 Using a sample collected from Ashley Madison this book is the result of a yearlong inquiry into women's extramarital experiences. Ultimately, these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them or we break up the relationship and take up other relationships. These women conceive of an alternate solution to a marriage that is not wholly working where their own needs are ignored, unmet, and not prioritized. Thus, the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships. This book gives voice to women's experiences and perceptions regarding their participation in infidelity and glimpses into the interworkings of our most intimate relationships and the ways women negotiate marriages that fall short of their expectations.

Secret Historian Justin Spring, 2010-08-17 2010 National Book Award Finalist for Nonfiction Drawn from the secret never before seen diaries journals and sexual records of the novelist poet and university professor Samuel M Steward Secret Historian is a sensational reconstruction of one of the more extraordinary hidden lives of the twentieth century An intimate friend of Gertrude Stein Alice B Toklas and Thornton Wilder Steward maintained a secret sex life from childhood on and documented these experiences in brilliantly vivid and often very funny detail After leaving the world of academe to become Phil Sparrow a tattoo artist on Chicago's notorious South State Street Steward worked closely with Alfred Kinsey on his landmark sex research During the early 1960s Steward changed his name and identity once again this time to write

exceptionally literate upbeat pro homosexual pornography under the name of Phil Andros Until today he has been known only as Phil Sparrow but an extraordinary archive of his papers lost since his death in 1993 has provided Justin Spring with the material for an exceptionally compassionate and brilliantly illuminating life and times biography More than merely the story of one remarkable man Justin Spring's *Secret Historian* is a moving portrait of homosexual life long before Stonewall and gay liberation

Keats, Hermeticism, and the Secret Societies Jennifer N. Wunder, 2016-04-22 Jennifer Wunder makes a strong case for the importance of hermeticism and the secret societies to an understanding of John Keats's poetry and his speculations about religious and philosophical questions Although secret societies exercised enormous cultural influence during the late eighteenth and early nineteenth centuries they have received little attention from Romantic scholars And yet information about the societies permeated all aspects of Romantic culture Groups such as the Rosicrucians and the Freemasons fascinated the reading public and the market was flooded with articles pamphlets and books that discussed the societies's goals and hermetic philosophies debated their influence and drew on their mythologies for literary inspiration Wunder recovers the common knowledge about the societies and offers readers a first look at the role they played in the writings of Romantic authors in general and Keats in particular She argues that Keats was aware of the information available about the secret societies and employed hermetic terminology and imagery associated with these groups throughout his career As she traces the influence of these secret societies on Keats's poetry and letters she offers readers a new perspective not only on Keats's writings but also on scholarship treating his religious and philosophical beliefs While scholars have tended either to consider Keats's aesthetic and religious speculations on their own terms or to adopt a more historical approach that rejects an emphasis on the spiritual for a materialist interpretation Wunder offers us a middle way Restoring Keats to a milieu characterized by simultaneously worldly and mythological propensities she helps to explain if not fully reconcile the insights of both camps
