historian of secret societies and political conspiracies and an exhaustive researcher He looks back to the earliest roots of the Craft and then traces its influence into modern times From the Bible s Temple of Solomon through the Knights Templars to the Rosicrucians and Illuminati we learn of Masonry s roots and early history Enlightenment philosophy and the revolutionary currents of eighteenth century Europe opened an opportunity for the American experiment Sacred geometry and architecture combined to create Washington DC and the rest as they say is history This second revised and enlarged edition includes a new chapter on Freemasonry in South America from the revolution of Sim n Bol var to the capture and execution of Che Guevara

The Secret of the Temple John Michael Greer,2016-12-08 Over thousands of years the priests and sages of the ancient world discovered that the design and location of certain structures had beneficial effects on the crops that sustained life A body of traditional lore evolved using architecture and ceremonies that made use of these wholly natural but mysterious effects In The Secret of the Temple John Michael Greer painstakingly rebuilds a body of lost knowledge that has been used to accumulate and direct energy throughout history and can be used again today The Temple of Solomon was only one of many ancient structures that drew on the temple tradition The insights of this tradition have been passed down through those in society tasked with protecting ancient wisdom secret societies like the Knights Templar and the Freemasons But over time as cultures and technologies changed the meaning of these cryptic symbols and rituals became obscured until now This book explores the esoteric body of knowledge that shaped the world of our forebears gave rise to the world s most awe inspiring temples and cathedrals and continues to fuel speculation about powerful forces at work in our world

**Making Talismans** Nick Farrell,2001 Includes information on what talismans are and how they work a brief history of talismans in the Western Magical tradition how to use names of power angels magical languages and color magic how to draw talismans consecrate them and even destroy them

**A Brief Guide to Secret Religions** David V. Barrett,2011-05-26 This wide ranging book explores the diversity of esoteric and occult beliefs Neo Paganism is one of the fastest growing new religions in the western world where witchcraft or Wicca Druidry and Urban Shamanism are thriving Alongside this there has been an upsurge in New Age ideas of an even wider variety including astrology Tarot numerology and many others And then there are members of various schools of occult science practising High Magic Why this new interest in old beliefs Why are millions of educated people today abandoning both the established religion of their parents and 21st century scientific rationalism and turning to magic and esoteric teachings In their search for spirituality those who follow these paths claim to be applying ancient wisdom to the modern world The Brief History of Secret Religions a companion book to The Brief History of Secret Societies looks at the history and variety of these esoteric movements where they came from and what they tell us about the world today Praise for The New Believers an excellent guide to fringe religions that juxtaposes respectable movements and those conventionally dismissed as cults The Telegraph no nonsense comprehensive survey packed with non judgmental information about the beliefs aims and activities of such movements Daily

Mail     Victorian Occultism and the Making of Modern Magic A. Butler, 2011-01-05 The late Victorian period witnessed the remarkable revival of magical practice and belief Butler examines the individuals institutions and literature associated with this revival and demonstrates how Victorian occultism provided an alternative to the tightening camps of science and religion in a social environment that nurtured magical beliefs     *Circles of Power* John Michael Greer, 1997 Despite its popularity the Golden Dawn system of magic has potentials that are all but untapped Even the simplest Golden Dawn practices have aspects that have never been brought out in print This book is the definitive practical handbook on the Cabalistic magic of the Golden Dawn It goes step by step through the entire body of Cabalistic ritual magic from simple building blocks to powerful advanced techniques Illus     **The Sacred Life of Modernist Literature** Allan Kilner-Johnson, 2022-06-16 Probing the relationship between modernist literary experimentation and several key strands of occult practice which emerged in Europe from roughly 1894 to 1944 this book sets the work of leading modernist writers alongside lesser known female writers and writers in languages other than English to more fully portray the aesthetic and philosophical connections between modernism and the occult Although the early decades of the twentieth century the era of cocktails motorcars bobbed hair and war are often described as a period of newness and innovation many writers of the time found inspiration and visionary brilliance by turning to the mysterious occult past This book's principle intervention is to reimagine the contours and boundaries of literary modernism by welcoming into the conversation a number of significant female writers and writers in languages other than English who are often still relegated to the fringes of modernist studies Well remembered poets and novelists such as Ezra Pound W B Yeats and Aleister Crowley were tied to occult beliefs and this book sets these leading figures alongside less well remembered but equally splendid modernists including Paul Brunton Mary Butts Alexandra David Neel Florence Farr Dion Fortune Hermann Hesse and Rudolf Steiner From the little magazines where occultism and Fabianism were comfortable companions to consulting rooms of psychoanalysts where archetypes were revealed to be both mystical and mundane to the forbidden mountain trails that led to formidable spiritual teachers the conditions of modernism were invariably those conditions which inspired a return to the occult traditions that many thinkers believed had long evaporated Indeed in many ways these traditions were the making of the modern world By uncovering hidden hopes and anxieties that faced a newly modern Western Europe this book demonstrates how literary modernists understood occultism as a universal form of cultural expression which has inspired creative exuberance since the dawn of civilisation     Modern Magick Donald Michael Kraig, 2010 A step by step guide to magick including twelve lessons on concepts techniques and rituals and covering meditation ethics astral projection the tarot alchemy and more     **Stealing Fire from Heaven** Nevill Drury, 2011-03-02 The Western magical traditions are currently undergoing an international resurgence In *Stealing Fire from Heaven* Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems Gnosticism and the Hermetica the medieval Kabbalah Tarot and Alchemy and more recently

Rosicrucianism and Freemasonry collectively laid the basis for the modern magical revival which first began to gather momentum in Europe at the end of the nineteenth century Western magic has since become increasingly eclectic drawing on such diverse sources as classical Greco Roman mythology Celtic cosmology Kundalini yoga and Tantra shamanism chaos theory and the various spiritual traditions associated in many different cultures with the Universal Goddess Drury traces the rise of various forms of magical belief and practice from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality He also explores Chaos Magick and the occult practices of the so called Left Hand Path as well as twenty first century magical forays into cyberspace He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as stealing fire from heaven Considered in this light Drury argues modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm

**Inside a Magical Lodge** John Michael Greer, 2021-03-24 For centuries magical lodges have been one of the most important and least understood parts of the Western esoteric traditions The traditional secrecy of lodge organizations has made it next to impossible for modern students of magic to learn what magical lodges do and how their powerful and effective traditions of ritual symbolism and organization can be put to work This updated and expanded edition of Inside a Magical Lodge reveals the foundations of lodge work on all levels from the framework of group structure that allows lodges to efficiently handle the practical needs of a working magical group through the subtle approaches to symbolism and ritual developed within lodge circles to the potent magical methods that lodges use in their initiations and other ceremonial workings It is a must read for members of existing lodges for students of magical traditions such as the Golden Dawn for practitioners of other kinds of group magical work and for all those who have wondered about the hidden world behind lodge doors

*The Golden Dawn* Israel Regardie, Cris Monnastre, 1989 Provides an overview of the knowledge and practices of the Hermetic Order of the Golden Dawn describes rituals of the Outer and Inner Orders and discusses techniques of magical practice clairvoyance talismans and other topics

*Golden Dawn Rituals* Chic Cicero, Sandra Tabatha Cicero, 2025-08-08 Unravel the Transformative Powers of Golden Dawn Rites For scholars and practitioners of the esoteric Golden Dawn Rituals is a revelatory tome that unveils the intricate art and profound science of Golden Dawn ritual magic This unparalleled work offers over forty meticulously designed rituals solitary and group for the inner and outer orders distinguished by its groundbreaking exploration of ritual architecture and philosophical underpinnings With over sixty illuminating illustrations and tables this follow up to Golden Dawn Magic delivers precise guidance for transformative practices including The Ceremony of the Sephiroth Consecration of a Tiphareth Talisman Invocation of Thoth Tarot Divination Ritual The Vault of the Adepti Angelic Rite of Healing Charging the Guardians of the Temple A Summer Solstice Ritual A Ritual of Honor and Remembrance As

esteemed leaders of the Hermetic Order of the Golden Dawn the Ciceros provide authoritative insights making this an essential resource for academics and initiates eager to reach the life changing depths of these magical rites     *Don Juan, Mescalito and Modern Magic* Nevill Drury, 2023-07-28 First published in 1978 *Don Juan Mescalito and Modern Magic* begins with an analysis of the Castaneda material from the viewpoint of its inherently magical content The author examines the symbiotic gestures the magical actions and the mind altering techniques employed by the brujo Don Juan and then goes on to draw comparisons with two other schools of thought the psychedelic development of the 1960s and the Western Magical Tradition The essential aim throughout is to show that there is a basically Western shamanism which uses Western symbols and is easily accessible The shamanistic practices of the Hermetic Order of the Golden Dawn are examined in this context Considerable emphasis is also placed on mythological aspects associated with out of the body experiences and their relevance to both the Don Juan Mescalito imagery and the Qabalistic and Tarot symbols found in Western Magic This book will be of interest to students of religion history and literature
