**Secrets of Christ** Dean C. Dauw,1997      **Celestial Secret: A Novel** Kay Mortimer,2017-05-01 When the unimaginable happens an angel's perfect world crumbles thrusting him into unknown lands with unfamiliar faces on a quest to discover an unthinkable reality Can he survive the mission when nothing makes any sense any more Launch out with Mesha on this unforgettable journey of a lifetime to discover hidden truth that's been right in front of him the whole time Unearth answers never before revealed to Mesha and his colleagues in the most unlikely of places See the Bible come to life before your eyes in ways you never imagined Have you ever wondered what the angels thought when Jesus left heaven and came as a baby to the earth He created Have you ever envisioned how they felt when mankind rejected Him and ultimately crucified Him Have you ever imagined seeing the Ascension of Jesus from their perspective If you have or you would like to explore such a creative journey then this book is for you Come along and enjoy the ride as Author Kay Mortimer delves into this very concept in creative ways while remaining true to the biblical record as much as possible throughout the crafting of this imaginative story The Bible does indicate that the plan of redemption was a mystery to the angelic realm This novel offers a possible glimpse into what they may have thought or how they may have felt as the path forward became completely different than they probably ever expected      *The Secret Disciple* Mark Penderghast,2019-04-18 There met him out of the tombs a man with an unclean spirit who lived among the tombs and no one could bind him anymore even with a chain And Jesus asked him What is your name He replied My name is Legion for we are many Mark 5:29 The Secret Disciple offers a riveting and plausible alternative version of the advent of Christianity based on a close reading of the gospels This religious mystery story comes to the startling conclusion that the risen Jesus was in fact Legion Jeremiah the secret disciple If you are among those who have always questioned the story of the resurrection or wondered about the family of Jesus this book is for you **WHAT OTHERS ARE SAYING** The Secret Disciple retells the Christ story in beautiful language demystifying the resurrection miracle and envisaging Jesus as a true prophet of his times whose demon haunted follower Jeremiah becomes his most devoted disciple with startling consequences Readers also meet narrator Mary Magdalene thick headed Simon Peter and James the younger brother of Jesus A magnificent and fascinating read Bill Schubart author **The Priest**      **The Book of Unexplained Mysteries** Will Pearson,2019-10-17 How were the hunter gatherers of Gbekli Tepe able to build a series of stunning stone monuments six thousand years before Stonehenge Was the so called Wow Signal a radio transmission from deep space or the ambient resonating frequency of a passing comet What happened mid Atlantic to the passengers and crew of the Mary Celeste leaving the abandoned ship to sail on by itself Wonderful and weird here are twenty incredible mysteries that continue to enthrall and perplex Each unexplained mystery whether ancient or modern presents the reader with its own unique challenge      **The Gnostic Mysteries** Jacquelyn Small,2019-08-13 Based on Christianity's Gnostic foundations and the lost secret teachings of Jesus this book is a thought provoking conjecture on ways to manifest the Kingdom of Heaven on

Earth an inspirational reminder of what Christianity was intended to be      *The New Psychology of Leadership* S. Alexander Haslam, Stephen D. Reicher, Michael J. Platow, 2010-09-13 Winner of the University of San Diego Outstanding Leadership Book Award 2012 Shortlisted for the British Psychological Society Book Award 2011 Shortlisted for the CMI Chartered Management Institute Management Book of the Year Award 2011 2012 According to John Adair the most important word in the leader's vocabulary is we and the least important word is I But if this is true it raises one important question why do psychological analyses of leadership always focus on the leader as an individual as the great I One answer is that theorists and practitioners have never properly understood the psychology of we-ness This book fills this gap by presenting a new psychology of leadership that is the result of two decades of research inspired by social identity and self-categorization theories The book argues that to succeed leaders need to create champion and embed a group identity in order to cultivate an understanding of us of which they themselves are representative It also shows how by doing this they can make a material difference to the groups organizations and societies that they lead Written in an accessible and engaging style the book examines a range of central theoretical and practical issues including the nature of group identity the basis of authority and legitimacy the dynamics of justice and fairness the determinants of followership and charisma and the practice and politics of leadership The book will appeal to academics practitioners and students in social and organizational psychology sociology political science and anyone interested in leadership influence and power      **The Secret Magdalene** Ki

Longfellow, 2007-12-31 Raised like sisters Mariamne and Salome are indulged with riches position and learning a rare thing for females in Jerusalem But Mariamne has a further gift an illness has left her with visions she has the power of prophecy It is her prophesying that drives the two girls to flee to Egypt where they study philosophy mathematics and astronomy in the Great Library of Alexandria After seven years they return to a Judaea where many now believe John the Baptizer is the messiah Salome too begins to believe but Mariamne now called Magdalene is drawn to his cousin Yeshu a man touched by the divine in the same way she was during her days of illness Together they speak of sharing their direct experience of God but Yeshu unexpectedly gains a reputation as a healer and as the ill and the troubled flock to him he and Magdalene are forced to make a terrible decision This radical retelling of the greatest story ever told brings Mary Magdalene to life not as a prostitute or demon possessed but as an educated woman who was truly the apostle to the apostles      **Secret Societies**

John Lawrence Reynolds, 2011-09-01 Provides a behind the scenes glimpse into the world's most notorious secret societies chronicling their origins history initiations rituals beliefs activities secret signs members and influence      Secret Scrolls

Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework

other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith even without some new discovery. As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall. Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate and so will *Secret Scrolls*.

*The Secret of the Hidden Scrolls: The Final Scroll, Book 9* M. J. Thomas, 2021-01-12. In the thrilling series finale, Peter and Mary return to Jerusalem where they witness Jesus' crucifixion and Resurrection. The *Secret of the Hidden Scrolls* series follows siblings Peter and Mary and their dog Hank as they discover ancient scrolls that transport them back to key moments in biblical history. In their ninth and final adventure, the trio travels back to Jerusalem during the height of Jesus' popularity. But as they follow Jesus and his disciples, they quickly learn that Jesus' popularity makes him a target. Soon the religious leaders, led by a familiar enemy, have hatched a plan that causes one of Jesus' disciples to betray him, and Jesus is killed. With Jesus dead and time running out, will Peter and Mary be able to solve the secret of the scroll before they get stuck in the past forever? Join Peter, Mary, and Hank as they attend the Last Supper, witness Jesus' crucifixion, discover an empty tomb, and face the Enemy for the last time. Readers will be on the edge of their seats as *The Secret of the Hidden Scrolls* hurtles to a close.

*The Secret of Mary* St. Louis de Montfort, 1998-05. **The Secret Doctrine: Occultism (1st ed. 1897)** Helena Petrovna Blavatsky, 1897. **The English Catalogue of Books [annual]** Sampson Low, 1928. Vols for 1898-1968 include a directory of publishers.
