Four Views of Youth Ministry and the Church Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose defend and explore Four Views of Youth Ministry and the Church In a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what s profound and what s not in these four typologies Inclusive congregational Malan Nel What happens when a church thoroughly integrates its adolescents making them full partners in every aspect of congregational life Preparatory Wesley Black Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life Missional Chap Clark What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic Whose youths and youth workers are considered missionaries Strategic Mark Senter How feasible is it for a youth ministry to become a new church on its own the youth pastor becoming the pastor and the new church planted with the blessing of the mother church In Four View of Your Ministry and the Church solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students

this practical and straightforward book **Get Their Name** Bob Farr,Doug Anderson,Kay Kotan,2013-05-01 Change your church culture Create an outwardly focused environment where hospitality and invitation happen Sunday and every day of the week This book offers five steps to help congregations go public with their faith from service projects to sharing the faith with persons who want to know more about Christ and the church This book offers tactics to increase individual and church competency with relational evangelism with friends neighbors and even strangers Learn how to start up a conversation follow up with contacts and navigate unfamiliar settings Learn what works and what doesn't We may think that just because we invite someone on our church property they'll come back Often we don't reach out to help people cross the faith line because we're uncomfortable with evangelism or just plain scared Gain the confidence to share the good news boldly After all we know the name of the One who loves us all and who holds all power over heaven and earth Be Dynamic (Acts 1-12) Warren W. Wiersbe,2012-12-10 The ministry of the Holy Spirit is not a luxury it is an absolute necessity writes celebrated author and respected pastor Warren Wiersbe In his first of two books covering Acts Be Dynamic focuses on Peter's ministry mostly in Israel and centered in Jerusalem Through explaining Luke's record of the Gospel's advancement and church expansion Wiersbe opens the door to understanding the work of the church today Using hard hitting quotes from recognized names like St Augustine and John Bunyan Wiersbe proves himself as a well read author and gifted writer The depth of his study is astounding yet the accessibility of his text for every age group is evident as well He proves what Luke intended for Acts to be interpreted not as the apostles glorious acts but as the life changing acts of the Holy Spirit The same Spirit lives in believers today the same God calls followers to expand His church and the same basic problems still arise within the church but the same power available then is still available now to change the nations Churches That Make a Difference Ronald J. Sider,Philip N. Olson,Heidi Rolland Unruh,2002-04-01 Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities Many have adopted a narrow vision focusing on only one aspect of ministry But in today's environment of faith based opportunities many Christians are eager to start reaching out to their world with both Good News and good works and therefore they are searching for appropriate ways to integrate both into their ministry In Churches That Make a Difference best selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry a balance of evangelism and social outreach Illustrations and helpful organizational tips detail the how to's of an effective holistic ministry Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications User friendly tools are included as well for congregational studies surveys evaluations and community assessments The authors draw on extensive experience with church ministries and faith based organizations as they share the life changing vision and biblical mandate for living the whole gospel Church leaders will be encouraged in their process of developing and maintaining a holistic ministry and local churches will rediscover a passion for loving the whole person the
