Serving God In Church And Community:

Serving God, Saving the Planet Guidebook J. Matthew Sleeth, M.D., 2013-05-22 *Serving God Saving the Planet* is a study that will broaden the conversation with a focus on the dangers of materialism workaholism and spiritual bankruptcy as well as God's endless invitations for us to enjoy what he has created This twelve session study provides simple everyday ways to focus on stewardship and sustainability according to Scripture In the first six sessions Dr Matthew Sleeth explores his personal salvation experience and desire to follow Jesus in the context of the love story God tells in Genesis Dr Sleeth guides readers through each of the created elements reminding them of the God given commission to tend and protect the planet In the final six sessions Dr Sleeth examines how God's original command to tend and protect the planet extends into the actions and activities of every Christian's everyday lives Designed for use with the video **Ministry of the Towel** Dr T. Cedric Brown, 2017-08-26 In the 13th chapter of John Jesus is having supper with his disciples This is their final meal together before He is crucified Jesus could have said so many things during this last supper What would be His parting words What life principle did He want to leave with them Since this was the last supper we can suppose that whatever He prepared to say whatever principle He wanted to share would be significant Important Life changing Out of the many things Jesus could have taught He chose to talk about serving one another Jesus stated that He did not come to be ministered to or to be served but He came to serve He personified servanthood through countless acts of grace and mercy in the community He taught healed the sick restored sight to the blind raised the dead and fed over five thousand people But His ultimate act of serving occurred when He sacrificed His life on the cross for all mankind Regardless of the area of ministry God has called everyone to serve This book is a tool to help sharpen your skills as a servant in the Body of Christ as well as an executive in the business sector Whether your area of serving is administration music preaching outreach media diaconate adjutancy armor bearing or one of the many positions in the corporate world it does not matter The principles outlined in these pages will provide fresh insight and inspire you to improve your serving in your home church community and workplace Community as Church, Church as Community Michael Plekon, 2021-07-22 Parishes of all denominations are in decline shrinking closing dying We know that there are increasing numbers young and older who are religious nones and dones This book explores why the decline is taking place why the distancing is going on But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting The central theme of death and resurrection shapes the analysis of parishes covered Parishes are resurrecting by reinventing their ministries by repurposing their building to better serve their neighborhoods thus replanting and reconnecting with them All of this is the Spirit's doing but through the community of sisters and brothers who make up each congregation of faith Community as the core of church is the other reality shaping the book's reflection And community a parish being with those around living for more than its own survival are visions for going forward Other aspects of congregational life are also examined most importantly the pastors how they serve when budgets shrink how they

are trained how pastors act with the community not above it No recipes are suggested for parish resurrection but the stories of the parishes that have revived bear within numerous lessons for us in the future *Planting Healthy Churches for an Unchurched Community: Leaving a Legacy to Build On* Nakia Melecio,2016-11-18 Planting new churches is a dedicated response and reasonable service to fulfilling God s mission This critical church planting is not only the focus of today s Christians but it is also the theological and practical subject of numerous Christian studies that tout scripturally based work for shoring up today s church Nakia Melecio is answering God s call to support local churches both old and new and the outcry of God s people in a heartfelt attempt through conferences workbooks websites and many other substantive pathways for spiritual founding and healing Church planting is necessary but it is no easy feat Nakia Melecio s ministry will help struggling churches to reinvent themselves and new churches to plant firmly and deeply on solid rock Through steadfast diligence and unwavering faith God s mission can and will be fulfilled Nakia Melecio shares the vision of how to build a legacy and ultimately claim the victory methodically effectively spiritually and graciously **Serving Money, Serving God** Sheryl Johnson,2023-02-14 Justice commitments can and must be integrated into all of a church s financial practices including fundraising budgeting managing property and personnel investing and participating in community partnerships So argues Sheryl Johnson in *Serving Money Serving God Aligning Radical Justice Christian Practice and Church Life* This is the first Christian stewardship and finance book written from an explicitly anti racist decolonial feminist ecological and class critical standpoint Many churches espouse these commitments as individual members as congregations and through their denominations but pursue them as discrete initiatives such as themes for study and worship rather than as core organizing principles for congregational life Alignment between Christian beliefs and commitments and church practice is both ethically and practically necessary however A 2009 Pew Research Center study that found that about half of those who had become unaffiliated from religion had done so because they found religious people hypocritical judgmental or insincere Alignment between beliefs and church practice therefore matters deeply both for those who are active in churches and for those who are not but who might be if faith and action are consistent This book offers a positive and constructive approach to the topic and is filled with inspiring examples for churches of all sizes Case studies provide practical guidance and make the analysis concrete relatable and accessible The book highlights the importance of creativity imagination and a sense of hope filled adventure in engaging this work *The Embattled But Empowered Community* Wilma Wells Davies,2010 Based on extensive empirical research and utilizing predominately Latin American scholarly literature this book examines connections between Argentine popular and pentecostal worldviews It proposes that there is a major connection between the two rooted in cosmological assumptions of spiritual power **Church and Community** Kenneth Scott Latourette,1938 Na skrzyde ku seria o miu wolumin w wydana z okazji konferencji World Conference on Church Community and State Oxford 1937 *The U-Turn Church* Kevin G. Harney,Bob Bouwer,2011-06-01 You don t need to tell pastors that the majority of churches in

America are in a state of stagnation or decline Most of them are ministering in such a church Now two pastors who turned their churches around show leaders how they can help usher in a new season of health faithfulness growth and vision in their churches The U Turn Church walks readers through the roadblocks of tradition lack of vision or leadership structural problems and concerns about denominational distinctives to forge a new way forward into a hope filled future Through the stories of two churches that have experienced healthy transformation readers will see that there is not just one right way to reverse decline They will receive practical help and wisdom born of experience as they begin their own U Turn journey
