Serving The Master Devotional:

Serving 2 Masters , *Serving Two Masters* Elisabeth W. Sommer,2021-12-14 The eighteenth century was a time of significant change in the perception of marriage and family relations the emphasis of reason over revelation and the spread of political consciousness The Unity of the Brethren known in America as Moravians experienced the resulting tensions firsthand as they organized their protective religious settlements in Germany A group of the Brethren who later settled in Salem North Carolina experienced the stresses of cultural and generational conflict when its younger members came to think of themselves as Americans The Moravians who first immigrated to America actively maintained their connections to those who remained in Europe and gave them the authority for deciding religious social and governmental issues But as the children born in Salem became acclimated to more freedoms particularly in the wake of the American Revolution a series of disputes intensified the problems of transatlantic governance While the group s leadership usually associated Enlightenment principles with rebellion and religious skepticism the younger Brethren were drawn to its message of individual autonomy and creative expression Elisabeth Sommer traces the impact of this generational and cultural change among Moravians on both sides of the Atlantic and examines the resulting debate over the definition of freedom and faith **Family Devotions**

for Every Day in the Church Year Martin Luther,Georg Link,2010 **Give Us This Day Devotionals** Charles Erlandson,2020-12-18 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the church At the end of each day s devotional an appropriate prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer [Uttama](#)
