Setting Sun:

Cruising World ,1980-07 **NASA Technical Note** ,1963 *Hovering at a Low Altitude* Dalia Ravikovitch,2009
Ravikovitch s song is both ancient and new and it is unutterably poignant Stanley Kunitz **Inside A Heart** Dudley (CHRIS) Christian,2017-05-10 Thank you for your interest in my ramblings I DO hope I have in some small yet significant way caused you to think back to a happier day a time a friend or even just a place whereat YOU were Happy I have penned over 2000 tidbits which I am so grateful to have you share These were my Help and Salvation thru many of my most bitter days and served to keep me sane and hopeful that I a life and future had and this was ALL just being built or carved to leave for someone other YOU herein to find solace Thanks for reading **The Illustrated Crystallary** Maia Toll,2020-09-01 In the ancient world there were three medicine kingdoms animal vegetable and mineral Following her previous acclaimed volumes on animal The Illustrated Bestiary and vegetable The Illustrated Herbiary Maia Toll fulfills the call for mineral with The Illustrated Crystallary exploring the mystical qualities of 36 fascinating crystals and minerals including amethyst hematite mica smokey quartz emerald ruby and more Combining bits of ancient wisdom with her own insights Toll illuminates the aspects and energy of each stone and through rituals and reflections the life guidance it might offer contemporary readers Obsidian s shiny surface and sharp edges reflect the shadowy corners of the self and serve as the tool for cutting them loose The sky like color of earthly turquoise provides balance between opposing forces Stunning illustrations by Kate O Hara magnify the symbolism of each crystal and are also featured on 36 bonus cards included in an envelope bound in the back of the book Also available The Illustrated Herbiary and The Illustrated Bestiary Living with Grace Mark G. Boyer,2025-09-11 The year 2027 marks the thirtieth anniversary of John Denver s death His spirituality was a way of life like biblical spirituality is the reader enters Denver s spirituality and biblical spirituality to reflect on ways one may live both together Denver s spirituality is based in nature and people He observed nature and thoughtfully interpreted his experiences of it recording his interpretations in lyrics and music Likewise after interpreting his relationships he recorded his thoughts in love songs Denver and biblical spirituality both begin with experience reflection upon it and a record of what the experience meant Biblical authors told stories recorded reflections narrated events or wrote psalms and poetry about their experiences This book compares chosen Denver themes to biblical themes and reflects on the parallel spirituality in an abecedarian format of sixty seven entries organized with 1 a title theme 2 a JD section explaining how Denver uses the theme to name his experience 3 a Scripture passage which illustrates the biblical use of the theme 4 a Meditation Journal exercise to guide the reader into meditating journaling to deepen the reader s spirituality and 5 a Psalm Response a few verses from a biblical psalm song that uses the theme in some way **Christopher Columbus's Naming in the 'diarios' of the Four Voyages (1492-1504)** Evelina Guzuskyte,2014-01-01 In this fascinating book Evelina Guzauskyt uses the names Columbus gave to places in the Caribbean Basin as a way to examine the complex encounter between Europeans and the native inhabitants

Guzauskyt challenges the common notion that Columbus's acts of naming were merely an imperial attempt to impose his will on the terrain. Instead, she argues that they were the result of the collisions between several distinct worlds including the real and mythical geography of the Old World, Portuguese and Catalan naming traditions, and the knowledge and mapping practices of the Taino inhabitants of the Caribbean. Rather than reflecting the Spanish desire for an orderly empire, Columbus's collection of place names was fractured and fragmented, the product of the explorer's dynamic relationship with the inhabitants, nature, and geography of the Caribbean Basin. To complement Guzauskyt's argument, the book also features the first comprehensive list of the more than two hundred Columbian place names that are documented in his diaries and other contemporary sources.

Etel Adnan Lisa Suhair Majaj, Amal Amireh, 2015-10-02

This collection of essays concentrates on Arab American writer and artist Etel Adnan. Up until now, there has been no single volume dedicated to her work despite Adnan's increasing recognition and acclaim across the United States, Europe, and the Middle East. The essays fall into two sections. In the first, the essays respond to the range of vision and experience in Adnan's writing and art through analysis and appreciation. The second section focuses on responses to and interpretations of Sitt Marie Rose, Adnan's well-known novel about the Lebanese war. As a whole, the writings in this work seek to provide a comprehensive look at Adnan's literary and artistic accomplishments through analysis and close readings that place her texts within wider literary contexts.
