Lewis,1995-01-01 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience      **The Christian (2)** Watchman Nee,1992-06-01 Watchman Nee s writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee s writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader s understanding of Watchman Nee s ministry      **Routledge Library Editions: Spiritualism** Various,2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology      The Final Prophecy of Jesus Oral E. Collins,2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author s conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus      **The End Mark** Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great

amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ *Tribulation* R. H. Vargo, 2009-12-15 Tribulation God's Plan for the End of the Age reveals the information God wants every Christian to know during the last days before Christ returns In his follow up book to 2028 R H Vargo gives you his insights on the coming events of the Tribulation the timing for those events and what the Lord expects of you during the last days of this age He provides details of when Jesus will return the antichrist's plans the rapture the mark of the beast and all the end time prophecies from Revelation are explored in verse by verse detail You do not want to be caught off guard during the cataclysmic times ahead not knowing what to expect God always tells his people ahead of time of His plans but only to those servants willing to listen **The Homiletic Review**, 1898 Hope and Certainty Brown Landone, 1994-10 A sane hope that sustains us now and the certainty of a new age soon to come As revealed by prophets of prophecies that have come true based on the study of 7 782 prophecies that have not come true 361 that have been fulfilled the evidence that mos
