Writings of a Prophet for Jesus the Christ Gregory A. Booker, 2012-01-11 This book is not about teaching prophecy but is more about preaching God s prophetic word with boldness and clarity in order to wake up the churches from their slumber Part of this work is an inspired declaration exercising the gift of prophecy in prophetic utterance with a prophet s cry to his own country the United States It issues a forewarning and a forearming to God s people the Church to be ready as the deliverance for both the Church Israel the Nation draws nears despite a world full of disbelief in the Lordship of Christ our redeemer It is a prophet s personal cry and shout as a watchman who stands at the gates of Israel and sounds the alarm

Rethinking Eschatology Jason L. Quintern, 2025-01-23 In Rethinking Eschatology Jason L Quintern presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future **Revelation** Stan A. Lindsay, 2001 Using Burkean methodology to understand various levels of symbolic meaning this study shows that John creates a form of transcendence for early believers that extends into a pattern of continuity that other approaches to Revelation do not offer **Celebrating**
