The Seven Mountains of Thomas Merton Michael Mott, 1984 A biography of the Catholic priest who wrote *The Seven Storey Mountain*

The Seven Mountains of Thomas Merton Michael Mott, 1993 A biography of Trappist monk Thomas Merton tracing his life from his birth in France in 1915 through his years at the Abbey of Gethsemani in Kentucky to his death in Bangkok in 1968 and revealing details about his religious beliefs and challenges

Descripti n del editor **Thomas Merton** Mario Aguilar, 2011-03-18 A fresh exploration of Merton s life and thought focussing on his role as a Christian activist Written by an author who combines a contemplative life with political action this is an inspirational book that will encourage readers to work towards a more just world

Thomas Merton and the Individual Witness David E Oberson, 2024-09-26 Thomas Merton proclaimed over sixty years ago that we were living in a post Christian world Since then in an increasingly secular society where the influence of the institutional church is under doubt Thomas Merton s reflections are more salient than ever David Oberon s discussion and analysis brings this mystic monk and spiritual leader s view of the opportunities presented to Christians by cultural changes to the forefront focussing on how the individual s witness can take precedence Oberon situates the reader in the current cultural context and handles Merton s work with care and clarity He illuminates Thomas Merton s unique view of his own society which credibly speaks to our present aiding Christians in navigating a post Christian post truth world

[Remembering the Forgotten Merton](#) William J. Meegan, 2023-02-08 This is the first book written about John Paul Merton Thomas Merton s younger brother Neither scholar nor saint the life of John Paul Merton illustrates there is more than one way to live a meaningful and holy life His was a quietly incubating spirituality guided by his law of love He began life singing in a crib and ended his life praying as he lay dying in a dinghy in the English Channel during World War II This book examines the relationship he had with his famous brother Thomas especially in the years before Tom became a monk It examines among other topics the relationship between Thomas the intellectual and John Paul the action oriented younger brother As a teenager John Paul earned the nickname Wildman and as an adult he learned to live life to the fullest on his own terms The bumps and bruises of his life orphaned at twelve years of age dismissed from Cornell without his degree and frustrated in his effort to serve in World War II as a fighter pilot were faced head on He lived life as an optimist without losing sight of the reality of his world Most importantly John Paul s journey of hidden holiness can inspire each of us as we too journey onward

The Letters of Robert Giroux and Thomas Merton Patrick Samway S.J., 2015-08-27 From the time they first met as undergraduates at Columbia College in New York City in the mid 1930s the noted editor Robert Giroux 1914 2008 and the Trappist monk and writer Thomas Merton 1915 1968 became friends The Letters of Robert Giroux and Thomas Merton capture their personal and professional relationship extending from the time of the publication of Merton s 1948 best selling spiritual autobiography *The Seven Storey Mountain* until a few months before Merton s untimely death in December 1968 As editor in chief at Harcourt Brace Company and then at Farrar Straus Giroux

Giroux not only edited twenty six of Merton's books but served as an adviser to Merton as he dealt with unexpected problems with his religious superiors at the Abbey of Our Lady of Gethsemani in Kentucky as well as those in France and Italy These letters arranged chronologically offer invaluable insights into the publishing process that brought some of Merton's most important writings to his readers Patrick Samway S J had unparalleled access not only to the materials assembled here but to Giroux's unpublished talks about Merton which he uses to his advantage especially in his beautifully crafted introduction that interweaves the stories of both men with a chronicle of their personal and collaborative relationship The result is a rich and rewarding volume which shows how Giroux helped Merton to become one of the greatest spiritual writers of the twentieth century

Beneath the Mask of Holiness Mark Shaw, 2024-03-26 Spiritual writer Thomas Merton is the most influential American Catholic author of the twentieth century Despite appearances to the contrary in 1966 he was a troubled lonely monk Only when the suffering Merton fell madly in love with a student nurse a forbidden erotic affair condemned by the Catholic Church would he discover whether his devotion to God was stronger than his dedication to the woman he called a miracle in my life Truly an inspirational story based on Merton's personal journals new information and sources such as fellow monks *Beneath the Mask of Holiness* presents a unique portrayal of the famous man one never revealed in its entirety before

Thomas Merton Paul R Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation consumerism noise and technology The book includes parts of three previously unpublished conference contributions by Merton on technology Exploring Merton's thoughts on monastic renewal prayer radical simplicity ecology technology war peace and interfaith dialogue Dekar reminds us why Merton was so influential and why he continues to be so

Thomas Merton's American Prophecy Robert Inchausti, 1998-01-22 In Thomas Merton's *American Prophecy* Robert Inchausti provides a succinct summary and original interpretation of Merton's contribution to American thought More than just a critical biography this book lifts Merton out of the isolation of his monastic sub culture and brings him back into dialogue with contemporary secular thinkers In the process it reopens one of the roads not taken at that fateful cultural crossroads called The Sixties Inchausti presents Merton not as the spokesman for any particular group cause or idea but rather as the quintessential American outsider who defined himself in opposition to the world then discovered a way back into dialogue with that world and compassion for it As a result Merton was the harbinger of a still yet to be realized eschatological counter culture the unacknowledged precursor alternative and heir to Norman O Brown's defense of mystery in the life of the mind

The Wounded Heart of Thomas Merton Robert G. Waldron, 2014-05-14 Robert Waldron's brief biography of Thomas Merton examines and exposes a man who lived a deeply spiritual life yes but also a deeply conflicted one as well By the use of Jungian theory and archetypes Waldron explores all of the major Merton works e g *Seven Storey*

Mountain The Sign of Jonas The Collected Poems Zen and the Birds of Appetite but especially all of the many volumes of Merton's private diaries and discovers a man a soul struggling to live *la vita nuova* in the monastery while being drawn by various sirens out of it Edgy chancy and at times speculative Waldron penetrates Merton's sometimes dense poetry and prose to discover or uncover what was wanting in Merton's soul his desire for his own hermitage his longing for the nurse he fell in love with his desire perhaps to establish an entirely new monastic foundation Merton emerges less a saint than a sinner who never stopped trying to become a saint by becoming who he really was
