Seventeen Steps To Heaven A Catholic Guide To Salvation:

Seventeen Steps to Heaven Leo John Trese, Fr Leo Trese, 2001 No matter how dedicated to Christ you are familiarity can blunt your fervor and even make you less vigilant against sin That s why you need this warm guide It reveals what you must do in order to begin living your life with God truly at the center of everything you do With these seventeen steps you ll be able to prevent your love for God from being diminished by day to day pressures The author Fr Leo J Trese helps you to integrate into your actions the truths you profess He gives you solid ways to look squarely at the reality and love of God and to root out contrary attachments in your life showing you how to improve your confessions pray more fervently and let the fact of God s love and the joys of Heaven inspire you to be holy Refreshingly unlike many modern writers Fr Trese speaks bluntly of Hell and of the devastating magnitude of sin But don t despair He also discloses the remedies you can use to root out even the most entrenched sinful habits and attachments Simple profound and insightful this book is an effective and long lasting antidote to the spiritual dry rot that infects the soul of even the most careful Catholics Make your salvation a vivifying reality as Fr Trese shows you Why Heaven is worth living for working for and suffering for in this life God s anger what the inspired writers of Scripture mean when they use this phrase and how you can avoid this anger Do you truly belong to Christ Four qualities you ll have if you do What you must do if your confessions have become casual and thoughtless It s only a venial sin why this is one of the saddest phrases you could ever speak God s judgment how you can and should start getting ready now for this moment of divine truth Suffering from strong temptations Three things you can do today to overcome them Plus more to help you attain a truly soul nourishing relationship with God *Heaven in the American Imagination* Gary Scott Smith, 2011-06-01 Does heaven exist If so what is it like And how does one get in Throughout history painters poets philosophers pastors and many ordinary people have pondered these questions Perhaps no other topic captures the popular imagination quite like heaven Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven He argues that whether Americans have perceived heaven as reality or fantasy as God s home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age In the colonial era conceptions of heaven focused primarily on the glory of God For the Victorians heaven was a warm comfortable home where people would live forever with their family and friends Today heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone can reach his full potential Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction jokes and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven [American Book Publishing Record](#) ,2004 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Subject Guide to Books in Print* ,2001 **The Christian's Guide to Heaven, Or, A Manual of Catholic Piety ...
