Focussing on Quaker pamphlet literature of the commonwealth and restoration period Catie Gill seeks to explore and explain women s presence as activists writers and subjects within the early Quaker movement Women in the Seventeenth Century Quaker Community draws on contemporary resources such as prophetic writing prison narratives petitions and deathbed testimonies to produce an account of women s involvement in the shaping of this religious movement The book reveals that far from being of marginal importance women were able to exploit the terms in which Quaker identity was constructed to create roles for themselves in public and in print that emphasised their engagement with Friends religious and political agenda Gill s evidence suggests that women were able to mobilise contemporary notions of femininity when pursuing active

roles as prophets martyrs mothers and political activists The book's focus on collective Quaker identities which arises from its analysis of multiple authored texts is key to its claims that gender issues have to be considered when analysing the sect's emergent system of values and Gill assesses the representation of women in male authored texts in addition to female writers' attitudes to agency A bibliography that for the first time lists men and women's involvement as contributors as well as authors to Quaker pamphlets provides a valuable resource for scholars of seventeenth century radicalism

Romancing Decay Michael St John,2016-12-05 This collection of fifteen essays looks at the theme of decadence and its recurring manifestations in European literature and literary criticism from medieval times to the present day Various definitions of the term are explored including the notion of decadence as physical decay Some of the essays draw parallels between modernist and postmodernist notions of decadence Similarities are detected between fin de siècle decadence at the end of the nineteenth century which reaches its apotheosis in the character of Eugene Wrayburn in *Our Mutual Friend* and depictions of decadence in our own age as we enter the new millennium
