

Witches, Wives and Mothers: witchcraft persecution and women's confessions in seventeenth-century England

LOUISE JACKSON

Roehampton Institute, London, United Kingdom

ABSTRACT The confessions made by the Suffolk women charged with witchcraft in 1645 indicate that, in many cases, accused women were contextualising their own experiences within a wider demonological framework. Often they were judging themselves in their roles as wives and mothers – the witch, after all, was the behavioural opposite of the stereotypical role model of the ‘good wife’. There are noticeable references to infanticide, suicide and possible abuse. It could well be that women who possessed no other language to describe certain traumatic experiences took on the conceptual framework of demonology as a way of explaining events. Witch-hunting was a method of behavioural control in which women as victims (in many senses of the word) were themselves participating because they had no other framework of reference.

Introduction

In August 1645 Suffolk woman Anna Moats was judged guilty of witchcraft at a special court of Oyer and Terminer held in Bury St Edmunds. Magistrates were told she had confessed, within 2 hours of her arrest, to having ‘imps’ or evil spirits and that the devil had first appeared to her “when she was a lone in her howse and after she had been curseinge of her husband and her childeringe”.^[1] Branded as a scold and a witch, Anna had been persecuted for her failure to conform to the accepted norms of female behaviour – instead of fulfilling the expected role of a ‘good’ wife and mother she had been cursing and shouting at her husband and children. Anna was just one of over 100 individuals, mostly women, who were the

Seventeenth Century Mothers Advices

M. Urban

Seventeenth Century Mothers Advices:

Seventeenth-Century Mother's Advice Books M. Urban, 2006-02-04 Advice books published by women were a popular genre in Seventeenth and early Eighteenth century England and they were moral manuals with strong religious overtones Here Urban highlights a notable exception *Age Rectified* which counsels women to acquire a disposition of mind in old age which allows them to be accepted by younger generations

Mothers Advice Books Susan C. Staub, 2024-11-01 A form of courtesy literature Mother's Advice Books were texts written by mothers to instruct their children in religious educational and occasionally worldly matters The three texts included in this volume Elizabeth Richardson's *A Ladies Legacie* to her Daughters Susanna Bell's *The Legacy of a Dying Mother To Her Mourning Children* and the unattributed *The Mothers Blessing* offer interesting alternatives to the many published male views of the family from the period Indeed this volume features an appendix with two much shorter portions of predominantly male authored texts Mary Pennyman's letter to her children published as part of John Pennyman's *Instruction to his Children* and Elizabeth Walker's *For my Dear Children* Mrs Margaret Walker and Elizabeth Walker included in Anthony Walker's *The Holy Life of Mrs Elizabeth Walker* The fact that these women were mothers gave them an authority to write that other women were not easily granted and it is clear that many of these works were written with publication in mind In addition to giving women public status as authors these books also enabled them to enter political and religious debates under the guise of offering advice to their children The Mother's Advice Book is then an intriguing genre that simultaneously violates and yet replicates early modern patriarchy

Virtuous Necessity Jessica Murphy, 2015-08-25 A new way of looking at behavioral expectations for women in early modern England

Encyclopedia of Motherhood Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The *Encyclopedia of Motherhood* is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The *Encyclopedia* is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences

Medieval and Renaissance Lactations Jutta Gisela Sperling, 2016-04-22 The premise of this volume is that the ubiquity of lactation imagery in early modern visual culture and the discourse on breastfeeding in humanist religious medical and literary writings is a distinct cultural phenomenon that deserves systematic study Chapters by art historians social and legal historians historians of science and literary scholars explore some of the ambiguities and contradictions surrounding the issue and point to the need for further study in particular in the realm of lactation imagery in

the visual arts This volume builds on existing scholarship on representations of the breast the iconography of the Madonna Lactans allegories of abundance nature and charity women mystics food centered practices of devotion the ubiquitous practice of wet nursing and medical theories of conception It is informed by studies on queer kinship in early modern Europe notions of sacred eroticism in pre tridentine Catholicism feminist investigations of breastfeeding as a sexual practice and by anthropological and historical scholarship on milk exchange and ritual kinship in ancient Mediterranean and medieval Islamic societies Proposing a variety of different methods and analytical frameworks within which to consider instances of lactation imagery breastfeeding practices and their textual references this volume also offers tools to support further research on the topic

Sweet and Clean? Susan North, 2020-03-26 Sweet and Clean challenges the widely held beliefs on bathing and cleanliness in the past For over thirty years the work of the French historian George Vigarello has been hugely influential on early modern European social history describing an aversion to water and bathing and the use of linen underwear as the sole cleaning agent for the body However these concepts do not apply to early modern England Sweet and Clean analyses etiquette and medical literature revealing repeated recommendations to wash or bathe in order to clean the skin Clean linen was essential for propriety but advice from medical experts was contradictory Many doctors were convinced that it prevented the spread of contagious diseases but others recommended flannel for undergarments and a few thought changing a fever patient's linens was dangerous The methodology of material culture helps determine if and how this advice was practiced Evidence from inventories household accounts and manuals and surviving linen garments tracks underwear through its life cycle of production making wearing laundering and final recycling Although the material culture of washing bodies is much sparser other sources such as the Old Bailey records paint a more accurate picture of cleanliness in early modern England than has been previously described The contrasting analyses of linen and bodies reveal what histories material culture best serves Finally what of the diseases plague smallpox and typhus that cleanliness of body and clothes were thought to prevent Did following early modern medical advice protect people from these illnesses

Letters Between Mothers and Daughters Barbara Caine, 2018-02-02 There are now many studies of family letters in Europe but most of them focus on marital letters and letters between parents especially mothers and their sons Little attention has been paid to the letters to and from daughters This volume seeks to begin filling that gap by exploring the continuities and changes evident in the letters written between mothers and daughters over several centuries Some of these changes reflect the history of letters and the ways that they were written and delivered especially the move from the use of scribes and couriers in the medieval and early modern period which made both the writing and reading of letters a public affair to the use of pens and the situation in which letters were able to be written in private and read only by the person to whom they were addressed But the letters also reveal the changing nature of the mother and daughter relationship as the formal and more distant ties evident in the early period in which dynastic and other matters were often more important to a mother than her

daughter's personal happiness were replaced by closer and more intimate ties and a concern with particular personalities and individual needs. This book was originally published as a special issue of *Women's History Review*. **Mother's Advice Books** Betty S. Travitsky, 2016-12-05 Early modern works of advice can be typified by a number of texts by Erasmus falling into a variety of categories: advice on family conduct, manners, study plans, and piety. A close relation to these works of advice was the parental advice book, usually written by a father to his son. It was not until the early 17th century that the mother's advice book evolved, and even then these were often legitimated by the female authors claiming that sickness or even impending death made relaying their motherly advice by a means other than print impossible. The contents of the present volume, ordered chronologically by the date of the first edition of each advice book, are limited to works attributed to named mothers, even though information about these historical women is not always abundant. *Miscellanea* was the attempt of Elizabeth Grymston to distill advice to her only surviving son. It was first published in 1604. The text reproduced here is the 1608 edition, which was the first to include the additional substantive Prayers. Even though listings indicate there were 19 editions of *The Mother's Blessing* before 1640, very little is known of Dorothy Leigh. The first edition, 1616, reproduced here describes her as a gentle woman, not long deceased, and her dedicatory epistle to her three sons identifies her as a widow. Elizabeth Clinton wrote her advice book when she had become countess dowager. It was dedicated to her daughter-in-law and addresses an area where she had apparently been deficient: the imperative directed at early modern women by domestic conduct books that mothers should nurse their own children. The edition reproduced here is the British Library copy. Elizabeth Brook-Joceline composed her *Legacy* whilst awaiting the birth of her first child, having become convinced that she would die in childbirth. She died in 1622, nine days after the birth of a daughter. Possibly the most poignant of the mother's advice books, this was intended to stand in for her instruction. *Women and the Bible in Early Modern England* Femke Molekamp, 2013-03-21 *Women and the Bible in Early Modern England* provides an account of the uniquely important role of the Bible in the development of female interpretative and literary agency, as well as in the expression of female subjectivity in early modern England. In the later sixteenth and throughout the seventeenth century, women's religious writing diversified in genre and entered increasingly into a public literary sphere. Femke Molekamp shows that the Bible was at the heart of female reading culture and that women can be seen to have participated in multiple modes of reading it, which in turn fostered various kinds of literary writing. The sources used in this book to reconstruct reading practices and trace their connection to religious writing are drawn from diverse archives to include the annotations, biographical writing, commonplace books, letters, treatises, and other literary writings in print and manuscript of both prominent early modern women well known to us and women who have so far remained obscure. The book argues that the increased circulation of the Bible in English fostered reading practices that enabled a growth in female interpretative and literary agency. *Women Writers and Public Debate in 17th-Century Britain* C. Gray, 2007-07-23 This book reveals women writers' key role in constituting seventeenth-century public

culture and in doing so offers a new reading of that culture as begun in intimate circles of private dialogue and extended along transnational networks of public debate

Seventeenth Century Mothers Advices Introduction

Seventeenth Century Mothers Advices Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Seventeenth Century Mothers Advices Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Seventeenth Century Mothers Advices : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Seventeenth Century Mothers Advices : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Seventeenth Century Mothers Advices Offers a diverse range of free eBooks across various genres. Seventeenth Century Mothers Advices Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Seventeenth Century Mothers Advices Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Seventeenth Century Mothers Advices, especially related to Seventeenth Century Mothers Advices, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Seventeenth Century Mothers Advices, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Seventeenth Century Mothers Advices books or magazines might include. Look for these in online stores or libraries. Remember that while Seventeenth Century Mothers Advices, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Seventeenth Century Mothers Advices eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Seventeenth Century Mothers Advices full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seventeenth Century Mothers Advices eBooks, including some popular titles.

FAQs About Seventeenth Century Mothers Advices Books

1. Where can I buy Seventeenth Century Mothers Advices books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Seventeenth Century Mothers Advices book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Seventeenth Century Mothers Advices books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Seventeenth Century Mothers Advices audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Seventeenth Century Mothers Advices books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
