Sex And Difference In Ancient Greece And Rome

Sarah Toulalan, Kate Fisher

Sex And Difference In Ancient Greece And Rome:

Sex and Difference in Ancient Greece and Rome Mark Golden, Peter Toohey, 2003 This volume offers a selection of important and accessible scholarship on sex and gender in Greece and Rome organized to provide an historical overview The book reflects the pace of research and thought since the 1960s *Sex and Difference in Ancient Greece and Rome* Mark Golden, 2019-07-30 This volume collects and introduces some of the best writing on sexual behaviour and gender differences in ancient Greece and Rome including four chapters newly translated from German and French For centuries discussions of sexuality and gender in the ancient world if they took place at all focussed on how the roles and spheres of the sexes were divided While men occupied the public sphere of the community ranged through the Greek and Roman worlds and participated in politics courts theatre and sport women kept to the home Sex occupied a separate sphere in scholarly terms restricted to specialists in ancient medicine And then the subjects were transformed first by Sir Kenneth Dover then by Michel Foucault This book charts and illustrates the extraordinary evolution of scholarly investigation of a once hidden aspect of the ancient world In doing so it sheds light on fascinating and curious aspects of ancient lives and thought

Women in Ancient Greece Paul Chrystal , 2017-06-29 Examines women whose influence was positive as well as those whose reputations were more notorious Supremely well researched from many different historical sources Superbly illustrated with photographs and drawings *Women in Ancient Greece* is a much needed analysis of how women behaved in Greek society how they were regarded and the restrictions imposed on their actions Given that ancient Greece was very much a man s world most books on ancient Greek society tend to focus on men this book redresses the imbalance by shining the spotlight on that neglected other half Women had significant roles to play in Greek society and culture this book illuminates those roles *Women in Ancient Greece* asks the controversial question how far is the assumption that women were secluded and excluded just an illusion It answers it by exploring the treatment of women in Greek myth and epic their treatment by playwrights poets and philosophers and the actions of liberated women in Minoan Crete Sparta and the Hellenistic era when some elite women were politically prominent It covers women in Athens Sparta and in other city states describes women writers philosophers artists and scientists it explores love marriage and adultery the virtuous and the meretricious and the roles women played in death and religion Crucially the book is people based drawing much of its evidence and many of its conclusions from lives lived by historical Greek women *Female Homosexuality in Ancient Greece and Rome* Sandra Boehringer, 2021-09-06 This groundbreaking study among the earliest syntheses on female homosexuality throughout Antiquity explores the topic with careful reference to ancient concepts and views drawing fully on the existing visual and written record including literary philosophical and scientific documents Even today ancient female homosexuals are still too often seen in terms of a mythical ethereal Sapphic love or stereotyped as Amazons or courtesans Boehringer s scholarly book replaces these clichés with rigorous precise analysis of iconography and texts by Sappho Plato Ovid Juvenal and many other

lyric poets satirists and astrological writers in search of the prevailing norms constraints and possibilities for erotic desire The portrait emerges of an ancient society to which today s sexual categories do not apply a society before sexuality where female homosexuality looks very different but is nonetheless very real Now available in English for the first time Female Homosexuality in Ancient Greece and Rome includes a preface by David Halperin This book will be of value to students and scholars of ancient sexuality and gender and to anyone interested in histories and theories of sexuality **Sexuality in Greek and Roman Culture** Marilyn B. Skinner,2013-07-23 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome Covers a wide range of subjects including Greek pederasty and the symposium ancient prostitution representations of women in Greece and Rome and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity includes added illustrations and offers student friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered **Controlling Desires** Kirk Ormand,2008-11-30 Historians of ancient Greece and Rome are sometimes hesitant to engage with the well documented fact that Greek and Roman men regularly engaged in same sex sexual relations with younger men In a similar vein scholars have constructed elaborate social explanations for Sappho a 6th century woman from the island of Lesbos who wrote passionate poetry about her erotic relations with a number of women in order to avoid her apparent sexual orientation On the other hand in recent times the Greeks and Romans have occasionally been idealized as prototypes of modern homosexuality or bisexuality In this engaging cross disciplinary book Ormand argues that the Greeks and Romans thought of sex and sexuality in ways fundamentally different from our own Ormand s exploration of Greek and Roman sexual practice allows readers the opportunity to see how attitudes and beliefs about sex sexuality in short functioned in the early civilizations of the West and how those attitudes reveal the unspoken rules that defined public and private behavior Ormand treats Greece and Rome in separate sections with ample cross references and comparisons Within each section individual chapters focus on different types of texts and visual arts Just as sexuality is presented differently in our legal cases than it is on television sitcoms or supermarket tabloids the reader will naturally find that the Greeks and Romans talk one way about sex love and marriage in legal speeches and another way in comedies satires and philosophical texts Ormand s analysis takes into account changes in attitude over time as well as different modes of presenting a complex and interconnected set of social beliefs and behaviors **Sexuality in Greek and Roman Society and Literature** Marguerite Johnson,2022-08-29 This second edition includes an updated review of sexuality in Greece and Rome an expanded bibliography and numerous new passages with original translations This book provides readers with detailed information notes and original translated passages on the fascinating and multi faceted theme of ancient sexuality

The sources range from the era of Homer and Hesiod through to the Graeco Roman world of the Fourth Century CE and explore the diversity of approaches to sexuality and sexual expression as well as how these issues relate to the rest of ancient society and culture. *Sexuality in Greek And Roman Society and Literature* is an invaluable resource to students and academics alike providing a detailed series of chapters on all major facets of sexuality in ancient Greece and Rome. It will particularly appeal to those interested in sexuality and gender in antiquity as well as ancient literature and social studies.

Sexuality in Greek and Roman Culture Marilyn B. Skinner, 2013-08-19 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era. It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome. Covers a wide range of subjects including Greek pederasty and the symposium, ancient prostitution, representations of women in Greece and Rome and the public regulation of sexual behavior. Expanded coverage extends to the advent of Christianity, includes added illustrations and offers student friendly pedagogical features. Text boxes supply intriguing information about tangential topics. Gives a thorough overview of current literature while encouraging further reading and discussion. Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered.

Human Sexuality and its Problems John Bancroft, 2008-12-29 Prepared by one of the world's leading authorities, *Human Sexuality and its Problems* remains the foremost comprehensive reference in the field. Now available in a larger format, this classic volume continues to address the neurophysiological, psychological and socio-cultural aspects of human sexuality and how they interact. Fully updated throughout, the new edition places a greater emphasis on theory and its role in sex research and draws on the latest global research to review the clinical management of problematic sexuality, providing clear practical guidelines for clinical intervention. Clearly written, this highly accessible volume now includes a new chapter on the role of theory and separate chapters on sexual differentiation and gender identity development, transgender and gender non-conformity and HIV/AIDS and other sexually transmitted diseases. *Human Sexuality and its Problems* fills a gap in the literature for academics interested in human sexuality from an interdisciplinary perspective as well as health professionals involved in the management of sexual problems. Long awaited new edition of the definitive reference text on human sexuality. Addresses the neurophysiological, psychological and socio-cultural aspects of human sexuality and how they interact. Examines the normal sexual experience and covers the various ways in which sex can be problematic, including dysfunctional, out of control, high risk and illegal sexual behaviour. Reviews the clinical management of problematic sexuality and provides clear practical guidelines for clinical intervention. Presents a broad cross-disciplinary perspective of the subject area, making the book suitable for all professionals involved in the field. Presents a more theoretical approach to the study of human sexuality, reflecting recent changes in research. Includes a section on brain imaging to demonstrate the latest research findings in sexual arousal and to compare and contrast individuals with normal and low levels of sexual desire. Discusses the use of sex

as a mood regulator and the importance of current research in this area Discusses the impact on the internet on the modern sexual world Explores the relevance of transgender and gender non conformity Contains a chapter on HIV and AIDS and other sexually transmitted infections Chapter on therapy fully updated to reflect the movement towards integration of psychological and pharmacological approaches to management Explores the complex relationships between anger sexual arousal and sexual violence

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body
