Sex And Gender In Historical Perspective Selections From Quaderni Storici:

Sex and Gender in Historical Perspective Edward Muir, Guido Ruggiero, 1990-09 The inaugural volume of Selections from Quaderni Storici looks at sexual mores and gender in European social history from the Renaissance to the twelfth century

Women, Sex and Marriage in Early Modern Venice Daniela Hacke, 2017-05-15 Women Sex and Marriage in Early Modern Venice is the first study to investigate systematically the moral policies of both Church and State in the age of Counter Reformation confessionalisation in Venice Examining ecclesiastical and civil lawsuits related to illicit sex broken marriage promises and disrupted marriages of artisan and ordinary women and men Daniela Hacke can convincingly show how central sexual morality was to the patriarchal society of sixteenth and seventeenth century Venice Drawing on a wide range of archival sources the author skilfully reconstructs what gender difference meant in daily life in courtship rituals marital disputes and in sexual relations In the streets and in the courts women and men fought not only over proper gender behaviour within and outside marriage but also about the meaning of conjugality and of domestic patriarchy Neighbours played an active role in mediating between distressed partners and between children and parents Their interventions and perceptions reveal much about the moral values and the networks of support within a fascinatingly heterogeneous community such as early modern Venice The study makes important contributions to the fields of gender history social history and the history of crime and sexuality

Sexuality and Gender in Early Modern Europe James Turner, 1993-08-05 An exploration of sexuality and gender in Renaissance art literature and society

Early Modern Italy Christopher Black, 2002-01-04 Early Modern Italy is a fascinating survey of society in Italy from the fifteenth to the eighteenth centuries the Renaissance to the Enlightenment Covering the whole of the Peninsula from the Venetian Republic to Florence through to Naples it shows how the huge economic cultural and social divides of the period still affect the stability of present day united Italy This is an essential guide to one of the most vibrant yet tempestuous periods of Italian history

Marriage Wars in Late Renaissance Venice Joanne Marie Ferraro, 2001 Based on previously unexamined archival literature this book brings to life the lost voices of ordinary Venetians and opens up their world of intimacy and conflict sexuality and living arrangements

The Curse of Eve, the Wound of the Hero Peggy McCracken, 2010-11-24 In The Curse of Eve the Wound of the Hero Peggy McCracken explores the role of blood symbolism in establishing and maintaining the sex gender systems of medieval culture Reading a variety of literary texts in relation to historical medical and religious discourses about blood and in the context of anthropological and religious studies McCracken offers a provocative examination of the ways gendered cultural values were mapped onto blood in the Middle Ages As McCracken demonstrates blood is gendered when that of men is prized in stories about battle and that of women is excluded from the public arena in which social and political hierarchies are contested and defined through chivalric contest In her examination of the conceptualization of familial relationships she uncovers the privileges that are grounded in gendered definitions of

blood relationships She shows that in narratives about sacrifice a father's relationship to his son is described as a shared blood whereas texts about women accused of giving birth to monstrous children define the mother's contribution to conception in terms of corrupted often menstrual blood Turning to fictional representations of bloody martyrdom and of eucharistic ritual McCracken juxtaposes the blood of the wounded guardian of the grail with that of Christ and suggests that the blood from the grail king's wound is characterized in opposition to that of women and Jewish men Drawing on a range of French and other literary texts McCracken shows how the dominant ideas about blood in medieval culture point to ways of seeing modern values associated with blood in a new light and how modern representations in turn suggest new perspectives on medieval perceptions

The Biographical Turn Hans Renders, Binne de Haan, Jonne Harmsma, 2016-09-13 The Biographical Turn showcases the latest research through which the field of biography is being explored Fifteen leading scholars in the field present the biographical perspective as a scholarly research methodology investigating the consequences of this bottom up approach and illuminating its value for different disciplines While biography has been on the rise in academia since the 1980s this volume highlights the theoretical implications of the biographical turn that is changing the humanities Chapters cover subjects such as gender religion race new media and microhistory presenting biography as a research methodology suited not only for historians but also for explorations in areas including literature studies sociology economics and politics By emphasizing agency the use of primary sources and the critical analysis of context and historiography this book demonstrates how biography can function as a scholarly methodology for a wide range of topics and fields of research International in scope The Biographical Turn emphasizes that the individual can have a lasting impact on the past and that lives that are now forgotten can be as important for the historical narrative as the biographies of kings and presidents It is a valuable resource for all students of biography history and historical theory

Binding Passions Guido Ruggiero, 1993-06-10 Mining the rich Venetian archives especially the unusually detailed records of Venice's own branch of the Roman Inquisition Guido Ruggiero provides a strikingly new and provocative interpretation of the end of the Renaissance in Italy In this boldly structured work he develops five narrative accounts of individual encounters with the Inquisition that illustrate the double edged metaphor of how passions were both bound by late Renaissance society and were seen in turn as binding people In this way new perspectives are opened on magic witchcraft love marriage gender and discipline at the level of the community and beyond Witches courtesans prostitutes women healers nobles Cardinals and renegade priests and monks speak from these pages describing their lives beliefs hopes fears and lies With an imaginative flair for storytelling and impeccable scholarship Ruggiero exposes the rich complexity of the culture and poetics of the everyday at the end of the Renaissance and illuminates a previously unexplored chapter in Italian history

The Borgia Family Jennifer Mara DeSilva, 2019-10-11 The Borgia Family Rumor and Representation explores the historical and cultural structures that underpin the early modern Borgia family their notoriety and persistence and reinvention in the popular imagination The book

balances studies focusing on early modern observations of the Borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen It reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the Borgia Black Legend and its representations Focused on the deeds and posthumous reputations of Pope Alexander VI and his children Cesare and Lucrezia Borgia the volume charts the choices made by the family and contextualizes them amid contemporary expectations and reactions Extending beyond their deaths it also investigates how the Borgias became emblems of anti Catholic and anti Spanish criticism in the later early modern period and their residing reputation as the best and worst of the Renaissance Exploring a spectrum of traditional and modern media The Borgia Family contextualizes both Borgia deeds and their modern representations to analyze the family s continuing history and meaning in the twenty first century It will be of great interest to researchers and students working on interdisciplinary aspects of the Renaissance and early modern Italy

Sex And Gender In Historical Perspective Selections From Quaderni Storici Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex And Gender In Historical Perspective Selections From Quaderni Storici has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex And Gender In Historical Perspective Selections From Quaderni Storici has opened up a world of possibilities. Downloading Sex And Gender In Historical Perspective Selections From Quaderni Storici provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex And Gender In Historical Perspective Selections From Quaderni Storici has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex And Gender In Historical Perspective Selections From Quaderni Storici. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex And Gender In Historical Perspective Selections From Quaderni Storici. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex And Gender In Historical Perspective Selections From Quaderni Storici, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Sex And Gender In Historical Perspective Selections From Quaderni Storici has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
