Sex And Status:

Gender, Sex and Status Gerhard Falk, 2019-05-01 Bob Mills analyzes the Democratic Party and the Republican Party over the course of time He finds both of them seriously flawed and raises deep questions about the two party system overall Presenting a history of our two major political parties Mills takes a balanced approach equally critical of each party In short chapters sprinkled with humor and loaded with historical references he calls into question the very fundamentals of America's political infrastructure This is a book for all those who are frustrated by the ridiculous election campaigns we have to endure and the inadequate options we face at election time Democracy may be the best system but only when it works
