Sex And The Intelligent Woman:

Sex and the intelligent women Manfred F. DeMartino, 2013-12-11 Sex and the Intelligent Woman [By] Manfred F. Demartino. Epilogue by Albert Ellis Manfred F. DeMartino, 1974 **Are We Having Fun Yet?** Marcia Douglass, Lisa Douglass, 1997-07-17 Offers female readers advice on enhancing their sex lives addressing such subjects as how to enjoy the physical pleasures of sex and how women's bodies respond best to sexual stimulation The African-American Woman's Guide to Great Sex, Happiness & Martial Bliss Jel D. Lewis Jones, 2003 The author gives great relationship tips and advice in the more than 30 informative chapters such as Enhance Your Sex Appeal Communicating In Lovemaking Thirteen Secrets To Sizzling Passion and 72 Ways to Love Your Lover Studies in the Psychology of Sex, Volume 2 Havelock Ellis, 2021-11-16 Studies in the Psychology of Sex Volume 2 Havelock Ellis It has been remarked by Professor Wilhelm Ostwald that the problem of homosexuality is a problem left over to us by the Middle Ages which for five hundred years dealt with invertes as it dealt with heretics and witches To regard the matter thus is to emphasize its social and humanitarian interest rather than its biological and psychological significance It is no doubt this human interest of the question of inversion rather than its scientific importance great as the latter is which is mainly responsible for the remarkable activity with which the study of homosexuality has been carried on during recent years The result has been that during the fourteen years that have passed since the last edition of this Study was issued so vast an amount of work has been carried on in this field that the preparation of a new edition of the book has been a long and serious task Nearly every page has been rewritten or enlarged and the Index of Authors consulted has more than doubled in length The original portions of the book have been still more changed sixteen new Histories have been added selected from others in my possession as being varied typical and full These extensive additions to the volume have rendered necessary various omissions Many of the shorter and less instructive Histories contained in earlier editions have been omitted as well as three Appendices which no longer seem of sufficient interest to retain In order to avoid undue increase in the size of this volume already much larger than in the previous editions a new Study of Eonism or sexo esthetic inversion will be inserted in vol v where it will perhaps be at least as much in place as here

Sin and Sex Robert Briffault, 2024-06-28 Delve into the complex interplay of morality culture and human sexuality with Robert Briffault's provocative work Sin and Sex This thought provoking book offers a comprehensive exploration of the ways in which societal norms and religious beliefs shape our understanding and attitudes toward sex and sin Robert Briffault a distinguished anthropologist and sociologist brings his extensive knowledge and analytical skills to bear on this intricate subject In Sin and Sex he examines the historical evolution of sexual mores the impact of religious doctrines on sexual behavior and the psychological underpinnings of guilt and desire The book traces the origins and transformations of sexual morality across different cultures and epochs revealing how notions of sin and virtue are deeply rooted in social and religious contexts Briffault explores how ancient civilizations from the Greeks and Romans to early Christians viewed sexuality and

how these perspectives have influenced modern Western attitudes Briffault's analysis is not limited to historical and cultural dimensions he also delves into the biological and psychological aspects of human sexuality He discusses the inherent drives and instincts that govern sexual behavior the development of sexual identity and the ways in which societal pressures can lead to internal conflicts and neuroses Sin and Sex challenges readers to reconsider their preconceptions about morality and sexuality encouraging a more nuanced and empathetic understanding of human behavior Briffault's writing is both scholarly and accessible making complex ideas comprehensible and engaging for a wide audience This book is essential reading for students of anthropology sociology psychology and anyone interested in the intersections of culture religion and sexuality Sin and Sex provides valuable insights into the forces that shape our sexual norms and the ways in which these norms influence our lives Join Robert Briffault on a journey through the multifaceted world of sin and sex and discover the profound connections between our deepest desires and the moral codes that seek to regulate them This seminal work remains a significant contribution to the study of human sexuality and its moral implications **The Lady's Magazine Or**

Entertaining Companion for the Fair Sex, 1787 **Studies in the Psychology of Sex v2** Havelock Ellis, 2015-11-07

Sexual inversion as here understood means sexual instinct turned by inborn constitutional abnormality toward persons of the same sex It is thus a narrower term than homosexuality which includes all sexual attractions between persons of the same sex even when seemingly due to the accidental absence of the natural objects of sexual attraction a phenomenon of wide occurrence among all human races and among most of the higher animals It is only during recent years that sexual inversion has been recognized previously it was not distinguished from homosexuality in general and homosexuality was regarded as a national custom as an individual vice or as an unimportant episode in grave forms of insanity 1 We have further to distinguish sexual inversion and all other forms of homosexuality from another kind of inversion which usually remains so far as the sexual impulse itself is concerned heterosexual that is to say normal Inversion of this kind leads a person to feel like a person of the opposite sex and to adopt so far as possible the tastes habits and dress of the opposite sex while the direction of the sexual impulse remains normal This condition I term *sexo esthetic inversion* or *Eonism* The nomenclature of the highly important form of sexual perversion with which we are here concerned is extremely varied and most investigators have been much puzzled in coming to a conclusion as to the best most exact and at the same time most colorless names to apply to it The first in the field in modern times was Ulrichs who as early as 1862 used the appellation *Uranian Uranier* based on the well known myth in Plato's Banquet Later he Germanized this term into *Urning* for the male and *Urningin* for the female and referred to the condition itself as *Urningtum* He also invented a number of other related terms on the same basis some of these terms have had a considerable vogue but they are too fanciful and high strung to secure general acceptance If used in other languages than German they certainly should not be used in their Germanized shape and it is scarcely legitimate to use the term *Urning* in English *Uranian* is more correct **The Smart Woman's Guide to Diabetes** Amy Stockwell

Mercer,2011-07-15 Of the 17 million Americans who have diabetes approximately 93% of that number are women And it appears that number of women with diabetes is increasing each year Diabetes is particularly difficult for women in large part due to the hormonal changes associated with the menstrual cycle changes that affect blood sugar levels As a consequence women with diabetes have higher rates of chest pain heart attack coronary heart disease and stroke And women with diabetes face special challenges The Smart Woman's Guide to Diabetes provides advice tips and research from a diverse community of women living with diabetes It provides practical insight and references for the optimal management of diabetes from women living with the disease as well as doctors nurses nutritionists and educators Personal anecdotes from nearly one hundred women throughout the book reveal both the good and the bad of living with diabetes including the frustration sense of shame sense of isolation as well as the capacity for strength and the opportunity for growth The Smart Woman's Guide to Diabetes lets you know that you are not alone but rather it will make you feel like you are sitting in your favorite coffee shop with your friends who share the same disease Special Features of Smart Woman's Guide to Diabetes include Personal anecdotes on a wide variety of topics are in every chapter Authentic advice from women living with diabetes Expert tips from female endocrinologists educators and nutritionists who are also living with diabetes Comprehensive in scope this book examines all the challenges and issues women with diabetes face Research and statistics are provided for each topic
