Gibbon, Elizabeth A. Harkins Monaco, David F. Bateman, 2021-07-02 People with disabilities have traditionally been denied access to sexuality education or the free expression of sexuality Through a disability studies lens this book considers the historical legal and ethical implications of sexuality education for people with disabilities Editors Gibbon Monaco and Bateman and their contributors discuss the roles of family culture entertainment education and social media as they relate to sexuality education and explore contextual concepts such as intersectionality the range of disabling conditions and the connections between adolescent development and disability The text concludes with recommendations to support people with disabilities in the transition to adulthood The editors advocate for public policy improvements and a call to action for students teachers and families *Reimagining Relationships and Sex Education* Emily Setty, Jonny Hunt, 2025-11-03 Presenting safe uncertainty as a transformative framework for understanding adolescent intimacies and relationships Setty and Hunt critique current deficit models in relationships and sex education in place of a nuanced engagement with digital intimacies online sexual learning and sex

media healthy relationships gender and consent **Sexuality Education from an Islamic Perspective** G. Hussein Rassool, Muhammad Aftab Khan, Shaikh Abdul Mabud, Muhammad Ahsan, 2020-02-13 We live in an over sexualised culture where sex and sexuality have become part of the public domain This sexual revolution challenges Judeo Christian and Islamic norms and boundaries As such sexuality education is a sensitive and extremely important issue and its current implementation in schools has raised public concerns This book explores the subject contextualising it within the matrix of Islamic beliefs and practices Islam binds sexuality and sexual education to a moral grid with rights and obligations justice and equity There is a dominant discourse and stereotype around Islamic sexuality which presents sex and sexuality as the biggest taboo fraught with fear and seldom discussed This book dispels such myths and misconceptions providing an overview of sexuality education in the modern world and the need for such education Relationships and Sex Education 3-11 Sacha Mason, Richard Woolley, 2019-03-21 Where do babies come from The prospect of this age old question is one that causes significant apprehension for many professionals working with children but this isn't where the anxiety ends This book argues that it is essential to have clear strategies to support children's questions about relationships growing up and sex so that they are enabled to develop positive and confident views about themselves and those around them It examines important concerns such as the role of media in children's lives in shaping their views on relationships and explores how issues of gender and sexuality are considered more fluidly Whether working in an academy free schools faith schools the independent sector or elsewhere this book supports you to help children to deal with a wide range of relationships issues meeting the requirements of the new legislation on relationships education for primary aged children as a foundation for relationships and sex education Drawing on research with teachers about their apprehensions about teaching the subject and children's experience of its delivery the authors give a full picture of common concerns and difficulties and how to successfully meet them and support children from 3-11 and the transition to secondary school Topics covered include platonic friendships developing self respect and respect for others and enabling personal choice and safety Sacha Mason and Richard Woolley explore issues surrounding notions of age and stage development They discuss how children develop at different rates and that each child is unique in relation to learning in this area They outline a distinct pedagogical approach to managing children's individual needs for relationships and sex education They also look at supporting children with SEND when considering how to implement relationships education in primary schools This second edition includes new chapters on children's development and needs and developing inclusive relationships education The book has been updated throughout with summaries of the latest research case studies ideas for developing practice and signposts to key websites and resources The chapters provide all the support you need to confidently promote children's healthy development **The Palgrave Encyclopedia of Sexuality Education**, 2024-12-23 This Encyclopedia provides a comprehensive map of the field of sexuality education It offers an entry point for those interested in this topic providing a robust summary of issues and

directing them to its best scholarship Comprehensive in scope it covers diverse global locations to highlight the significance of context when defining sexuality education The rapid development and increase in accessibility of digital technologies which has broadened sexuality education to include digital and media platforms is also reflected
