Sex Marriage And Chastity:

Sex, Marriage, and Chastity William E. May, 1981 There is a compelling and urgent need to provide the public with a relatively brief work which articulates as clearly and persuasively as possible the truths about human sexuality marriage and chastity as enunciated by the Roman Catholic Church The present work is an effort to provide this study Book jacket

Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States

Not Ready for Marriage, Not Ready for Sex Chris Padgett, Linda Padgett, 2006 When Chris Padgett met Linda Dodge for the first time at the end of high school sparks flew Or maybe that was just the glare from Chris s mustard yellow polyester vintage suit a typical item in his shock and awe wardrobe Linda was impressed if puzzled but the beautiful cheerleader and Chris winner of the senior class s Most Unique Personality award were soon a couple Even sooner the two young Christians found themselves involved in a passionate sexual relationship Certain they should stop but just as certain they couldn t the relationship began to unravel When they found the courage in college to choose chastity they discovered a renewed friendship affection and the self discipline that would serve as a firm foundation for marriage Wondering if you have the resolve to choose sexual purity Wondering why you should choose it Read the Padgetts story for some straight talk about sex and the truth that will set you free

The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of

marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In *The Bond of Love* Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church's teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity As he demonstrates far from being a set of arbitrary rules that constrain human freedom this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality rooted in theological anthropology Next discussed is the virtue of chastity the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons The volume concludes by addressing practices and circumstances that violate the essence of marriage This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors teachers and all of the Church's faithful striving to live in the love and communion that is grounded in Christ

Defending Same-sex Marriage: Our family values : same-sex marriage and religion Mark Philip Strasser, Traci C. West, Martin Dupuis, William A. Thompson, 2007 Places the struggle for marriage rights in the context of other American civil rights movements advocating legal and religious recognition of same sex marriage while educating the public about what gay marriage does and does not mean for the future of the institution of marriage

Not Just Private Craig Bakker, 2023-03-07 Both within the church and outside of it popular discourse around sex is often shallow and individualistic This is especially true on the topic of sex outside of marriage *Not Just Private* explains how our sexual practices can and should stem from our deeply held uniquely Christian convictions convictions that mean we cannot talk about sex apart from Christian community or Christian character Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches With these foundations in view we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities This is a book for Christians who want to be chaste but are not sure why they should be This is also a book for non Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion namely chastity In the end *Not Just Private* shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian

Interfaith Marriage Bonni-Belle Pickard, 2022-05-05 As societies across the globe rethink and often discard the institutions of marriage and religion interfaith marriages continue to grow in number These unions usually committed to seeing past the traditional sectarian labels often struggle when the traditional sources of support for marital life faith community family support are not available Still the determination of interfaith couples to negotiate and cross boundaries gives hope to a fractured world Bonni Belle Pickard draws from her personal and professional experience to suggest ways of

addressing the challenges of interfaith couples and their families **Sex and the Single Person** Barbara John,2004-06
