Sex Matters:

Sex Matters Osho, 2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in *Sex Matters*. Sex to Superconsciousness Sex matters to us all. The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies. With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune. *Sex Matters* begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans. Throughout the book in response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature. We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology's way of pointing toward the consciousness that helps us to understand ourselves. Finally we are presented with a clear choice a repressed sexuality that leads to pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India. Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world.

Sex Matters Holly Lawford-Smith, 2023-06-22 *Sex Matters* addresses a cluster of related questions that arise from the conflict of interests between rights based on sex and rights based on gender identity. Some of these questions are theoretical including who has the more ambitious vision for women's liberation gender critical feminists or proponents of gender identity. How does each understand what gender is. What are the arguments for the refrain that trans women are women and do they succeed. Other questions taken up in the book are more applied to specific issues in law and policy including should there be a right to exclude people who are biologically male from women only spaces. How do the interests of all stakeholders to bathrooms in particular trade off when it comes to moving from sex to gender identity as the basis for self inclusion. If we think about types of transition or gatekeeping requirements on transition as providing assurance to women who are asked to accept the opening up of women only spaces to transwomen are any such assurances sufficient. Is TERF a slur as some radical and gender critical feminists have claimed. And finally is gender critical speech hate speech as it has been classified by some social media platforms or at least harmful speech. Holly Lawford Smith discusses these issues in a series of essays all but one of them previously unpublished. She takes an analytic philosophical approach to these issues drawing on ideas from political philosophy philosophy of biology and philosophy of language as well as second wave feminist theory and empirical literature to defend a

gender critical position in response to all of these questions **Sex Matters** Mona Charen,2018-06-26 Author of the New York Times bestseller *Useful Idiots* and popular columnist Mona Charen takes a close reasoned look at the aggressive feminist agenda undermining the success and happiness of men and women across the country In this smart deeply necessary critique Mona Charen unpacks the ways feminism fails us at home in the workplace and in our personal relationships by promising that we can have it all do it all and be it all Here she upends the feminist agenda and the liberal conversation surrounding women s issues by asking tough and crucial questions such as Did women s full equality require the total destruction of the nuclear family Did it require a sexual revolution that would dismantle traditions of modesty courtship and fidelity that had characterized relations between the sexes for centuries Did it cause the broken dating culture and the rape crisis on our college campuses Did it require war between the sexes that would deem men the enemy of women Have the strides of feminism made women happier in their home and work life The answer is No *Sex Matters* tracks the price we have paid for denying sex differences and stoking the war of the sexes family breakdown declining female happiness aimlessness among men and increasing inequality Marshaling copious social science research as well as her own experience as a professional as well as a wife and mother Mona Charen calls for a sexual ceasefire for the sake of women men and children *Sex Matters* Jonathan McKee,2015-03-10 The Unedited Truth About Sex Is hooking up really wrong What about living together if you fall in love If the Bible bans sex before marriage is everything else fair game What about same sex relationships Since when does God deny any kind of true love Great questions but who has the answers Our culture creates a lot of confusion about sex Honestly sometimes it s difficult to know who s telling the truth On one hand when we read our Bibles or go to church we hear how God s design is to wait for sex and save that kind of intimacy for marriage But on the other hand when we go to school turn on the TV or listen to many of the songs on our favorite playlists they say quite the opposite Naturally this makes many of us wonder Who s right Sex seems fun How can something so natural be off limits In *Sex Matters* Jonathan McKee tackles all of these questions giving you the frank unvarnished truth about sex regardless how awkward or embarrassing *Sex Matters* provides super helpful truthful answers to the big questions you ve wondered about but never asked Way better than anything you ll find through a web search Scott Rubin junior high pastor Willow Creek Community Church Just don t do it isn t enough Let s face it Today s young people chronically encounter sexually charged images and messages but rarely hear the whole story They are looking for real answers to tough questions and *Sex Matters* isn t afraid to tell them the unedited truth Every teenager with an Internet connection or a phone in their pocket needs to read this book Doug Fields youth pastor for thirty years at Saddleback Mariners Church This isn t a sanitized Christianized moralized just say no tactic but a practical approach to what s really pressuring kids today with biblical wisdom for how to succeed Pete Sutton director of student ministry and middle school pastor Christ Community Church St Charles Illinois This could be the most honest and relevant book available for teenagers in your ministry I wish I had something this honest and
