

A Deep Dive into the Oldest Profession: Sex Work

EPISODE 14

Sex Profession

Stephanie Buehler

Sex Profession:

Sex Work Matters Melissa Hope Ditmore, Antonia Levy, Alys Willman, 2013-04-04 *Sex Work Matters* brings together sex workers scholars and activists to present pioneering essays on the economics and sociology of sex work From insights by sex workers on how they handle money intimate relationships and daily harassment by the police to the experience of male and transgender sex work this fascinating and original book offers new theoretical frameworks for understanding the sex industry The result is a vital new contribution to sex worker rights that explores the topic in new ways especially its cultural economic and political dimensions Readers weary of the sensational and often salacious treatment of the sex industry in the media and literature will find *Sex Work Matters* refreshing

Sexual Exploitation in Professional Relationships Glen O. Gabbard, 1989 This book presents the latest data on and clinical ethical and medicolegal issues pertaining to sexual intimacy in the professional relationship Contributors including psychiatrists psychologists social workers clergy and attorneys explore the issue of professional incest across the broad spectrum of the helping professions

Encyclopedia of Sex and Sexuality Heather L. Armstrong, 2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers

The Routledge Handbook of Male Sex Work, Culture, and Society John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a

discrete field. Importantly, it provides a vehicle for the voices of male sex workers and new and established scholars. This richly detailed, humane, and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other. The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities. A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work, this handbook will be of great interest to scholars of criminology, sociology, gender studies, and cultural studies, and all those interested in male sex work.

What Every Mental Health Professional Needs to Know About Sex, Second Edition Stephanie Buehler, 2016-11-07. The second edition of this acclaimed guide to understanding sexuality and working with clients on sexuality issues is extensively updated to reflect recent scientific, practical, and social developments in the field. It provides updated information on relevant disorders in the DSM-5, new theoretical approaches, new pharmacological treatments, updated information on STDs, new understandings of transgender individuals, the impact of same-sex marriage laws, controversies over sex addiction, and much more. Chapters are enhanced with the addition of new take-away points, additional worksheets, and a glossary. Distinguished by an easy-to-read, down-to-earth approach, the text provides plentiful information, tools, and exercises to increase the confidence and comfort of both trainee and experienced mental health professionals treating sexual issues. Based on the premise that the therapist must be comfortable with his or her own sexuality in order to provide effective treatment, the book discusses the characteristics of healthy sexuality for both client and therapist and addresses issues of discomfort that may arise for the therapist. New to the Second Edition: Sexual and other disorders in DSM-5; New understandings of sexual identity and fluidity, including transgender; Legal status of same-sex marriage; New pharmacological treatments for sexual issues; New methods of sexological research; Updated and expanded coverage of assessment tools; Mindfulness interventions; Supplemental Instructor's Manual with quizzes and chapter-by-chapter PowerPoint slides; Updated Practitioner Resources including informational handouts and illustrations.

What Every Mental Health Professional Needs to Know About Sex Stephanie J. Buehler, 2013-07-29. Print CourseSmart **Professional Sexual Misconduct in Institutions** Werner Tschan, 2013-10-01. Essential reading about a notoriously difficult problem: how abusive professionals manipulate their clients and what we as organizations and individuals can do about it. Professional sexual misconduct (PSM) is a problem that is notoriously difficult to address and that can be a minefield for all concerned: for victims, for the institutions where it takes place, and also because outstanding and supposedly responsible members of society may be accused of abuse. Here, Werner Tschan, one of the world's leading experts on the prevention of PSM, outlines an up-to-date approach to PSM and other professional disruptive behaviors. He describes practical ways to prevent PSM as well as effective treatments for victims and those accused. Using examples from real-life cases from around the world, he also discusses how PSM is a societal problem and what we can do to stop it. Recent headline cases involving a variety of

organizations medical media church schools sport industry show that institutions can be ideal environments for PSM and so great emphasis is placed in this volume on preventive measures that we can and must take at an institutional level With clear jargon free writing this book is essential reading for all professionals interested in preventing and dealing with PSM as well as of interest to victims and their families as well *Women in Non-traditional Occupations* United States. Bureau of Occupational and Adult Education,1976 **Sex Offenders** Fabian M. Saleh,John M. Bradford,Daniel J. Brodsky,2021-10-08 Sex Offenders 2nd Edition offers the most up to date research involving the treatment and management of paraphilic and non paraphilic sex offenders with and without comorbid mental illness or intellectual disability Providing in depth coverage on issues related to identification risk assessment and management treatment and legal solutions this volume seeks to ensure public safety while at the same time maintaining medical integrity and respect for due process The Second Edition newly addresses LGBTQ issues as well as new categories of risk potentially unaddressed by changing sex offender registry laws Bringing together the foremost international and interdisciplinary authors and perspectives on the topics this book is intended for psychiatrists clinical psychologists and researchers who work with sex offenders as well as attorneys members of the judiciary and policymakers Jung and Sex Edward Santana,2016-10-04 C G Jung despite not being widely known for his views on sexuality or the treatment of sexual issues made extensive contributions to understanding the complexities of this field throughout his life In Jung and Sex Edward Santana makes the case that reclaiming this knowledge can address substantial problems with current treatments and support many who struggle with sexual issues This thorough exploration of Jung s approach to sexual issues presents a wide ranging new look at his work and adds contemporary perspectives for helping those suffering with sexual difficulties The book calls for an important bridging of clinical perspectives to address the contemporary challenges of complex sexual issues and brings attention to a large body of Jung s work on human sexuality ranging from pioneering thoughts on sexual expressions of the soul to understanding ways to treat sexual symptoms Jung and Sex provides a comprehensive analysis of Jung s views on and clinical approaches to sexual issues and treatments using this knowledge in order to help those with sexual problems and the professionals who support them It is an essential text for understanding critical dimensions of human sexuality Jung and Sex is an important contribution that closes a gap in the literature of Jungian psychology It offers unique insights into the subject for Jungian psychotherapists analytical psychologists sex therapists and relationship counselors The book also supports the work of academics and those interested in contemporary applications of Jungian and post Jungian studies
