Creation The Fall The Incarnation The Sacraments Married Life Celibacy Family Life Conclusion *Sacred Sex* Tim Alan Gardner, 2009-01-16 For years Christians have been told that sex is God's creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple's sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness *Sacred Sex* shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined *Sex, Gender and the Sacred* Joanna de Groot, Sue Morgan, 2014-04-03 *Sex, Gender and the Sacred* presents a multi faith multi disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4 000 years of history Contains readings relating to sex and religion that encompass 4 000 years of gender history Features new research in religion and gender across diverse cultures periods and religious traditions Presents multi faith and multi disciplinary perspectives with significant comparative potential Offers original theories and concepts relating to gender religion and sexuality Includes innovative interpretations of the connections between visual verbal and material aspects of particular religious traditions ***Sacred Sexuality*** A. T. Mann, 1995 ***Sexuality, Religion and the Sacred*** Loraine Hutchins, H. Sharif Williams, 2018-10-24 *Sexuality Religion and the Sacred* is a thoughtful collection of bisexual polysexual and pansexual scholarship on religion and spirituality It examines how religious and spiritual traditions address sexuality whilst also exploring the ways in which bisexually polysexually and pansexually active people embrace religious and spiritual practice The volume offers a comprehensive analysis of these prevalent themes by focusing on five main areas of discussion Christian and Unitarian Discourses Indigenous and Decolonizing Spiritual Discourses Feminist Spiritual Discourses Buddhist Discourses and Neo Pagan Discourses *Sexuality Religion and the Sacred* offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology humanities cultural studies and social sciences as well as sexology professionals and clergy from various faith and spiritual traditions It gives readers an insight into the intersection of sexualities and spiritualities and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses This book was originally published as a special issue of the *Journal of Bisexuality*
