Sex Death And Hierarchy In A Chinese City:

Sex, Death, and Hierarchy in a Chinese City William R. Jankowiak, 1993 The first contemporary ethnographic account of urban life in China Sex Death and Hierarchy in a Chinese City studies both public and private life including such aspects as religious belief gender images family life and sexual attraction [Sex, Science and Morality in China](#) Joanna McMillan, 2014-07-30 After decades of near silence on the matter sex is being talked about in China But what is being said Who is allowed to speak And whose purposes are being served This ground breaking book takes a critical look at how sex in China is thought and talked about Drawing on the work of the country's foremost sex experts and years of research in the field it gives an overview of the sexual landscape in China today Including new material on transsexuals fetishism sex aids and pornography the book shows that the dominant ways of thinking about sex are neither innocent nor inconsequential and that amid catalogues of prescriptions linking self management to the collective good people are making decisions about how to live their sexual lives The most lively and accessible critique of sexual discourse this book will be essential reading for scholars in Chinese studies cultural studies and sexuality and gender studies **Gender and Sexuality in Modern Chinese History** Susan L. Mann, 2011-09-19 Gender and sexuality have been neglected topics in the history of Chinese civilization despite the fact that there is a massive amount of historical evidence on the subject China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre modern state How did these and other late imperial legacies shape twentieth century notions of gender and sexuality in modern China Susan Mann answers this by focusing on state policy ideas about the physical body and notions of sexuality and difference in China's recent history from medicine to the theater to the gay bars from law to art and sports More broadly the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming modern while simultaneously challenging the universalizing assumptions of Western modernity [Chinese Street Music](#) Samuel Horlor, 2021-04-29 Musical community is a notion commonly evoked in situations of intensive collective activity and fervent negotiation of identities Passion Square shows the daily singing of Chinese pop classics in parks and on street corners in the city of Wuhan have an ambivalent relationship with these ideas They inspire modest outward signs of engagement and are guided by apparently individualistic concerns singers are primarily motivated by making a living through the relationships they build with patrons and reflection on group belonging is of lesser concern How do these orientations help complicate the foundations of typical musical community discourses This Element addresses community as a quality rather than as an entity to which people belong exploring its ebbs and flows as associations between people other bodies and the wider street music environment intersect with its various theoretical implications A de idealised picture of musical community better acknowledges the complexities of everyday musical experiences [Contemporary Chinese Politics](#) Allen Carlson, Mary E. Gallagher, Kenneth Lieberthal, Melanie Manion, 2010-07-29 Contemporary Chinese Politics

Sources Methods and Field Strategies considers how new and diverse sources and methods are changing the study of Chinese politics Contributors spanning three generations in China studies place their distinct qualitative and quantitative methodological approaches in the framework of the discipline and point to challenges or opportunities or both of adapting new sources and methods to the study of contemporary China How can we more effectively use new sources and methods of data collection How can we better integrate the study of Chinese politics into the discipline of political science to the betterment of both This comprehensive methodological survey will be of immense interest to graduate students heading into the field for the first time and experienced scholars looking to keep abreast of the state of the art in the study of Chinese politics

What Government Can Do Benjamin I. Page, James R. Simmons, 2002-04-15 At the same time Page and Simmons show how even more could be and should be accomplished

BOOK JACKET Theorising Chinese Masculinity Kam Louie, 2002-04 This book is the first comprehensive analysis of Chinese masculinity Kam Louie uses the concepts of wen cultural attainment and wu martial valour to explain attitudes to masculinity This revises most Western analyses of Asian masculinity that rely on the yin yang binary Examining classical and contemporary Chinese literature and film the book also looks at the Chinese diaspora to consider Chinese masculinity within and outside China

Transforming Patriarchy Gonçalo Santos, Stevan Harrell, 2016-11-01 Each successive wave of revolution to hit modern China political cultural and economic has radically reshaped Chinese society Whereas patriarchy defined the familial social structure for thousands of years changing realities in the last hundred years have altered and even reversed long held expectations Transforming Patriarchy explores the private and public dimensions of these changes in present day China Patriarchy is not dead but it is no longer the default arrangement for Chinese families Daughters in law openly berate their fathers in law Companies sell filial piety insurance Many couples live together before marriage and in some parts of rural China almost all brides are pregnant Drawing on a multitude of sources and perspectives this volume turns to the intimate territory of the family to challenge prevailing scholarly assumptions about gender and generational hierarchies in Chinese society Case studies examine factors such as social class geography and globalization as they relate to patriarchal practice and resistance to it The contributors bring the concept of patriarchy back to the heart of China studies while rethinking its significance in dominant Western centric theories of modernity

Obedient Autonomy Erika E.S. Evasdottir, 2007-10-01 In the west the idea of autonomy is often associated with a sense of freedom a self interested state of being unfettered by rules or obligations to others This original anthropological study explores a type of obedient autonomy that thrives on setbacks blossoms as more rules are imposed and flourishes in adversity Obedient Autonomy analyzes this model and explains its precepts through examining the specialized and highly organized discipline of archaeology in China The book follows Chinese students on their journey to becoming full fledged archaeologists in a bureaucracy saturated environment Often required to travel in teams to the countryside archaeologists are uniquely obliged to overcome divisions among themselves between themselves and their peasant workers

and between themselves and bureaucratic officials This analysis reveals how these interactions provide teachers of archaeology with stories used to foster obedient autonomy in their students Moreover it demonstrates how this form of autonomy enables a person to order and control their future careers in what appears to be a disorderly and uncertain world A masterly contextualization of archaeology in China Obedient Autonomy shows how the discipline has accommodated itself to a Chinese social structure and uncovers the moral ethical political and economic underpinnings of that context It will be accessible to students of anthropology even as it will provoke Euro American archaeologists and interest social theorists of science philosophers gender theorists and students of Chinese society

Women and Gender in Contemporary Chinese Societies Shanshan Du, Ya-chen Chen, 2013-03-04

Recent attention to historical geographic and class differences in the studies of women and gender in China has expanded our understanding of the diversity and complexity of gendered China Nevertheless the ethnic dimension of this subject matter remains largely overlooked particularly concerning women's conditions and gender status Consequently the patriarchy and its oppression of women among the Han the ethnic majority in China are often inaccurately or erroneously associated with the whole gendered heritage of China epitomized by the infamous traditions of footbinding and female infanticide Such academic and popular predisposition belies the fact that gender systems in China span a wide spectrum ranging from extreme Han patriarchy to Lahu gender egalitarianism The authors contributing to this book have collectively initiated a systematic effort to bridge the gap between understanding the majority Han and ethnic minorities in regard to women and gender in contemporary Chinese societies By achieving a quantitative balance between articles on the Han majority and those on ethnic minorities this book transcends the ghettoization of ethnic minorities in the studies of Chinese women and gender The eleven chapters of this volume are divided into three sections which jointly challenge the traditions and norms of Han patriarchy from various perspectives The first section focuses on gender traditions among ethnic minorities which compete with the norms of Han patriarchy The second section emphasizes the impact of radical social transformation on gender systems and practices among both Han and ethnic minorities The third section underscores socio cultural diversity and complexity in resistance to Han patriarchal norms from a broad perspective This book complements previous scholarship on Chinese women and gender by expanding our investigative lens beyond Han patriarchy and providing images of the multiethnic landscape of China By identifying the Han as an ethnically marked category and by bringing to the forefront the diverse gender systems of ethnic minorities this book encourages an increasing awareness of and sensitivity to the cross cultural diversity of gendered China both in academia and beyond

Sex Death And Hierarchy In A Chinese City Introduction

In today's digital age, the availability of Sex Death And Hierarchy In A Chinese City books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex Death And Hierarchy In A Chinese City books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex Death And Hierarchy In A Chinese City books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex Death And Hierarchy In A Chinese City versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex Death And Hierarchy In A Chinese City books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex Death And Hierarchy In A Chinese City books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex Death And Hierarchy In A Chinese City books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex Death And Hierarchy In A Chinese City books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
