Macmillan Diaries The Cabinet Years 1950 1957:

The Macmillan Diaries: v. [1]. The Cabinet years, 1950-1957 Harold Macmillan, 2003 The Macmillan Diaries
Harold Macmillan, 2003 A personal record of Harold Macmillan's experiences governing the nation including several key events such as the Cuban Missile Crisis Britain's bid for entry into Europe the build up to the Vietnam war and the Profumo Affair a scandal that went to the heart of his own government and came to typify the you've never had it so good sixties

The Macmillan Diaries Harold Macmillan, 2003 This first volume of two covers the Conservatives return to office in 1951 and the personalities and politics of Churchill's and Eden's governments culminating in Macmillan's accession to the premiership in 1957 It records not only Macmillan's political preoccupations such as the process of European integration Anglo American relations conflict in the Middle East or the problems of the Cold War but also provides wry pen portraits of many of the leading European and American figures of the period Macmillan was an acute observer of events and people not just in his own country or party but on the wider international and political scene He describes with ironic amusement the diplomatic confrontations with the Russians casts a connoisseur's eye over great parliamentary occasions and comments acerbically on the infighting of the Labour Opposition In the process the diary also reveals aspects of Macmillan's wider activities and inner concerns his anxieties his views on his role and what he hoped to achieve casting light beyond the unflappable exterior onto the character of one of the most enigmatic figures in modern British political history Having it So Good Peter Hennessy, 2007-05-03 Winner of the Orwell Prize for Political Writing Peter Hennessy's Having it So Good Britain in the Fifties captures Britain in an extraordinary decade emerging from the shadow of war into growing affluence The 1950s was the decade in which Roger Bannister ran the four minute mile Bill Haley released Rock Around the Clock rationing ended and Britain embarked on the traumatic disastrous Suez War In this highly enjoyable original book Peter Hennessy takes his readers into front rooms classrooms cabinet rooms and the new high street coffee bars of Britain to recapture as no previous history has the feel the flavour and the politics of this extraordinary time of change Utterly engaging a treat It breathes exhilaration Libby Purves The Times If the Gods gossip this is how it would sound Philip Ziegler Spectator Books of the Year A particular treat fine wise and meticulously researched Andrew Marr Stands clear of the field as our best narrative history of this decisive decade Peter Clarke Sunday Times A compelling narrative Hennessy's love of the flesh and blood of politics breathes on every page Tim Gardam Observer The late Ben Pimlott once described Hennessy as something of a national institution You can forget the first two of those five words Guardian Anthony Eden, Anglo-American Relations and the 1954 Indochina Crisis Kevin Ruane, Matthew Jones, 2019-07-25 In the spring of 1954 after eight years of bitter fighting the war in Vietnam between the French and the communist led Vietminh came to a head With French forces reeling the United States planned to intervene militarily to shore up the anti communist position Turning to its allies for support first and foremost Great Britain the US administration of Dwight D Eisenhower sought to create what

Secretary of State John Foster Dulles called a united action coalition In the event Winston Churchill s Conservative government refused to back the plan Fearing that US led intervention could trigger a wider war in which the United Kingdom would be the first target for Soviet nuclear attack the British Foreign Secretary Anthony Eden was determined to act as Indochina peacemaker even at the cost of damage to the Anglo American special relationship In this important study Kevin Ruane and Matthew Jones revisit a Cold War episode in which British diplomacy played a vital role in settling a crucial question of international war and peace Eden s diplomatic triumph at the 1954 Geneva Conference on Indochina is often overshadowed by the 1956 Suez Crisis which led to his political downfall This book however recalls an earlier Eden a skilled and experienced international diplomatist at the height of his powers who may well have prevented a localised Cold War crisis escalating into a general Third World War

The Last Lion Box Set Paul Reid, William Manchester, 2012-11-20 Universally acclaimed for their compelling narrative their fresh insights and their objective renderings of Winston Churchill s life The Last Lion trilogy presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic adventurer aristocrat soldier and statesman Born at the end of the 19th century when Imperial Britain still stood at the splendid pinnacle of her power Churchill would witness the shift a few years later as the Empire hovered on the brink of a catastrophic new era One of the greatest wartime leaders of our time he would go on to stand alone politically isolated in Parliament as he took the lead in warning of the growing Nazi threat and would lead Britain to victory against Nazi Germany and the Axis powers in World War II Now celebrated historian William Manchester s landmark biographies are collected together for the first time along with the eagerly anticipated final installment Churchill s last years in power More than thirty years in the making The Last Lion is the definitive work on this remarkable man whose courageous vision guided the destiny of a nation during darkly troubled times and who looms as one of the greatest figures of our century

British Policy in Aden and the Protectorates 1955-67 Spencer Mawby, 2006-05-18 This book provides the first detailed account of the confrontation which took place between Britain and Nasser in the Colony of Aden and the surrounding states prior to British withdrawal in 1967

Exploring Intelligence Archives R. Gerald Hughes, Peter Jackson, Len Scott, 2008-03-11 This edited volume brings together many of the world s leading scholars of intelligence with a number of former senior practitioners to facilitate a wide ranging dialogue on the central challenges confronting students of intelligence The book presents a series of documents nearly all of which are published here for the first time accompanied by both overview and commentary sections The central objectives of this collection are twofold First it seeks to build on existing scholarship on intelligence in deepening our understanding of its impact on a series of key events in the international history of the past century Further it aims to explore the different ways in which intelligence can be studied by bringing together both scholarly and practical expertise to examine a range of primary material relevant to the history of intelligence since the early twentieth century This book will be of great interest to students of intelligence strategic and security studies foreign policy and international history

Army, Empire,

and Cold War David French,2012-01-26 The veterans of the Fourteenth Army who fought in Burma between 1942 and 1945 called themselves the forgotten army But that appellation could equally well be applied to the whole of the British army after 1945 Histories of Britain's post war defence policy have usually focused on how and why Britain acquired a nuclear deterrent David French takes a new look at these policies by placing the army centre stage Drawing on archival sources that have hardly been used by historians he shows how British governments tried to create an army that would enable them to maintain their position as a major world power at a time when their economy struggled to foot the bill The result was a growing mismatch between the military resources that the government thought it could afford on the one hand and a long list of overseas commitments in Europe Africa the Middle East and the Far East that it was reluctant to surrender The result was that the British created a Potemkin army a force that had an outwardly impressive facade but that in reality had only very limited war fighting capabilities Army Empire and Cold War will interest not only historians of the British army but also those who are trying to understand Britain's role in the Cold War and how and why the British came to surrender formal rule over their empire

Veteran MPs and Conservative Politics in the Aftermath of the Great War Richard Carr,2016-03-03 Between 1918 and 1939 448 men who performed uniformed service in the First World War became Conservative MPs This relatively high profile cohort have been under explored as a distinct body yet a study of their experiences of the war and the ways in which they and the Conservative Party represented those experiences to the voting public reveals much about the political culture of Interwar Britain and the use of the Great War as political capital Radicalised ex servicemen have thus far been considered a rather continental phenomenon historiographically And whilst attitudes to Hitler and Mussolini form part of this analysis the study also explores why there were fewer such types in Britain The Conservative Party it will be shown played a crucial part in such a process with British politics serving as a contested space for survivors interpretations of what the war should mean

The Secret History of UK Security Vetting from 1909 to the Present Daniel Lomas,2025-05-15 Using newly available government records private papers and documents obtained through Freedom of Information this book tells the secret story of UK security vetting from 1909 to the present Although Britain avoided American style red baiting and McCarthy like witch hunts successive UK governments have like their Five Eyes allies implemented security procedures to protect government defence and industry from so called subversives and fellow travellers Officially from 1948 the British government applied political tests to civil servants a process extended to character defects in the early 1950s with the introduction of positive vetting However an unofficial purge had taken place for much longer facing political backlashes as an infringement of civil liberties and suppression of free speech Although it's been argued that Britain's secret purge had little impact this study looks at the experiences of those removed from the secret state those LGBT and BAME individuals discriminated against by government and the impact of government policy generally while studying the responses of Ministers and civil servants to spy scandals and international events Drawing from newly released

archival material Freedom of Information releases and interviews this book offers new insights into the scope of government security checks on civil servants defence contractors and armed forces personnel from Edwardian spy scares and the inter war period to the Cold War and present day

The Truth Is Our Weapon Chris Tudda, 2006-05-01 President Dwight D Eisenhower and his secretary of state John Foster Dulles deployed a tactic Chris Tudda calls rhetorical diplomacy sounding a belligerent note of anti Communism in speeches addresses press conferences and private meetings with allies and with Moscow Yet all the while Tudda discloses the two were confidentially committed to a contradictory course the establishment of a strong system of collective security in Western Europe peaceful accommodation of the Soviet Union and the maintenance of a new albeit divided Germany Tudda explores the Eisenhower administration's pursuit of these two mutually exclusive diplomatic strategies and reveals how failure to reconcile them endangered the fragile peace of the 1950s He builds his argument through three case studies of the administration's badgering the French and their allies to ratify the European Defense Community of its threat to liberate Eastern Europe from Moscow's rule and of its forcing the issue of German reunification By emphasizing the threat from the Soviet Union Eisenhower and Dulles were trying to promote an activist rather than an isolationist foreign policy But their rhetorical diplomacy intensified Cold War tensions with European allies as well as with Moscow and effectively overwhelmed the administration's true diplomatic aims Based on American British Eastern European and Soviet primary sources many only recently unearthed *The Truth Is Our Weapon* is a major contribution to the historiography of Eisenhower's diplomacy and an important statement about the implications of public and private policy making

Cold War Spencer C. Tucker, Priscilla Roberts, 2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker *Cold War A Student Encyclopedia* captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union *Cold War A Student Encyclopedia* offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century

[Seeking a Role](#) Brian Harrison, 2009-03-26 In this the first of two self standing volumes bringing *The New Oxford History of England* up to the present Brian Harrison begins in 1951 with much of the empire intact and with Britain enjoying high prestige in Europe The United Kingdom could still then claim to be a great power whose welfare state exemplified compromise between

Soviet planning and the USA's free market When the volume ends in 1970 no such claims carried conviction The empire had gone central planning was in trouble and even the British political system had become controversial In an unusually wide ranging yet impressively detailed volume Harrison approaches the period from unfamiliar directions He explains how British politicians in the 1950s and 1960s responded to this transition by pursuing successive roles for Britain worldwide as champion of freedom and in Europe as exemplar of parliamentary government the multi racial society and economic planning His main focus though rests not on the politicians but on the decisions the British people made largely for themselves on their environment social structure and attitudes race relations family patterns economic framework and cultural opportunities By 1970 the consumer society had supplanted postwar austerity the socialist vision was fading and the sixties the theme of his penultimate chapter had introduced new and even exotic themes and values Having lost an empire Britain was still resourcefully seeking a role it had yet to find it Glubb Pasha and the Arab Legion Graham Jevon,2017-04-27

During the 1950s John Glubb and the Arab Legion became the cornerstone of Britain's imperial presence in the Middle East Based on unprecedented access to the unofficial archive of the Arab Legion including a major accession of Glubb's private papers Graham Jevon examines and revises Britain's post 1945 retreat from empire in the Middle East Jevon details how Glubb's command of the Arab Legion secured British and Jordanian interests during the 1948 Arab Israeli war answering questions that have dogged historians of this conflict for decades He reveals how the Arab Legion was transformed by Cold War concerns from an internal Jordanian security force to a quasi division within the British Army Jevon also sheds new light on the succession crisis following King Abdullah's assassination and uses previously unseen documents to challenge accepted contentions concerning King Hussein's dismissal of Glubb the 1956 Suez Crisis and the nature of Britain's imperial decline

Choosing party leaders Andrew Denham,Peter Dorey,Andrew S. Roe-Crines,2020-05-15 How political parties choose their leaders and why they choose the leaders they do are questions of fundamental importance in contemporary parliamentary democracies This book examines political leadership selection in the two dominant parties in recent British political history exploring the criteria and skills needed by political leaders to be chosen by their parties While the Conservative Party's strong record in office owes much to ability to project an image of leadership competence and governing credibility the Labour Party has struggled with issues of economic management leadership ability and ideological splits between various interpretations of socialism The authors argue that the Conservatives tend towards a unifying figure who can lead the Party to victory whereas the Labour Party typically choose a leader to unite the party behind ideological renewal Exploring the contemporary political choices of leaders like Boris Johnson and Jeremy Corbyn this book offers a timely insight into the leadership processes of Britain's major political players *British Prime Ministers From Balfour to Brown* Robert Pearce,Graham Goodlad,2013-09-02 The origins of the post of Prime Minister can be traced back to the eighteenth century when Sir Robert Walpole became the monarch's principal minister From the dawn of the twentieth

century to the early years of the twenty first however both the power and the significance of the role have been transformed British Prime Ministers from Balfour to Brown explores the personalities and achievements of those twenty individuals who have held the highest political office between 1902 and 2010 It includes studies of the dominant premiers who helped shape Britain in peace and war Lloyd George Churchill Thatcher and Blair as well as portraits of the less familiar from Asquith and Baldwin to Wilson and Heath Each chapter gives a concise account of its subject s rise to power ideas and motivations and governing style as well as examining his or her contribution to policy making and handling of the major issues of the time Robert Pearce and Graham Goodlad explore each Prime Minister s interaction with colleagues and political parties as well as with Cabinet Parliament and other key institutions of government Furthermore they assess the significance and current reputation of each of the premiers This book charts both the evolving importance of the office of Prime Minister and the continuing restraints on the exercise of power by Britain s leaders These concise accessible and stimulating biographies provide an essential resource for students of political history and general readers alike *Crosswinds* Vijay

Gokhale,2024-02-03 The establishment of a communist regime in China upended Western plans for the post WWII Asian order As the United States of America and Great Britain grappled with the implications of this new China in terms of their strategic and economic interests in the western Pacific significant divergences also emerged A newly independent India seeking to define its place and role in the region under conditions of Cold War was hoping to enlist China as partner This book based on archival material outlines India s efforts to craft a foreign policy in the context of the Anglo American competition in the Far East The roles played by the towering personalities of that era Jawaharlal Nehru Zhou Enlai Harry S Truman Dwight D Eisenhower John Foster Dulles Winston Churchill Anthony Eden and Krishna Menon and the personal chemistry between them are woven into the narrative to paint a picture of the nuts and bolts of Indian diplomacy during the early years of the nation **The Last Lion** Paul Reid,William Manchester,2012-11-06 The long awaited final volume of William Manchester s legendary biography of Winston Churchill Spanning the years of 1940 1965 The Last Lion picks up shortly after Winston Churchill became Prime Minister when his tiny island nation stood alone against the overwhelming might of Nazi Germany The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage lightning fast intellect and an irresistible will to action The Last Lion brilliantly recounts how Churchill organized his nation s military response and defense compelled FDR into supporting America s beleaguered cousins and personified the never surrender ethos that helped the Allies win the war while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States More than twenty years in the making The Last Lion presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic leader This is popular history at its most stirring **Conservative thinkers** Mark Garnett,Kevin Hickson,2013-07-19 This book outlines and evaluates the political thought of the Conservative Party through a detailed examination of its principal thinkers from Harold Macmillan to the

present Traditionally the Conservative Party has been regarded as a vote gathering machine rather than a vehicle for ideas This book redresses the balance through a series of biographical essays examining the thought of those who have contributed most to the development of ideas within the party The chapters benefit from archival research and interviews with leading Conservatives The recent revival of Conservative fortunes makes the book particularly timely The book begins with an introductory chapter explaining the role of ideology in the Conservative Party It then traces the political thought of the Conservative Party through its principal theorists since the 1930s These are Harold Macmillan R A Butler Quintin Hogg Enoch Powell Angus Maude Keith Joseph the traditionalists Maurice Cowling T E Peter Utlej Peregrine Worsthorne Shirley Letwin and Roger Scruton Ian Gilmour John Redwood and David Willetts The book concludes with an overall assessment of the political thought of the Conservative Party and the relevance of past debates for contemporary Conservatism The book will be of considerable interest to academics and non academics alike for those who have a special interest in the Conservative Party but also for any student of contemporary British Politics

Yeah, reviewing a book **Macmillan Diaries The Cabinet Years 1950 1957** could mount up your close associates listings. This is just one of the solutions for you to be successful. As understood, feat does not recommend that you have extraordinary points.

Comprehending as well as treaty even more than further will manage to pay for each success. next to, the publication as competently as sharpness of this Macmillan Diaries The Cabinet Years 1950 1957 can be taken as well as picked to act.

Macmillan Diaries The Cabinet Years 1950 1957 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Macmillan Diaries The Cabinet Years 1950 1957 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Macmillan Diaries The Cabinet Years 1950 1957 has opened up a world of possibilities. Downloading Macmillan Diaries The Cabinet Years 1950 1957 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Macmillan Diaries The Cabinet Years 1950 1957 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Macmillan Diaries The Cabinet Years 1950 1957. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world.

However, it is essential to be cautious while downloading Macmillan Diaries The Cabinet Years 1950 1957. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Macmillan Diaries The Cabinet Years 1950 1957, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Macmillan Diaries The Cabinet Years 1950 1957 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Macmillan Diaries The Cabinet Years 1950 1957 Books

1. Where can I buy Macmillan Diaries The Cabinet Years 1950 1957 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
