## **Macnamara And Hall:**

**Macnamara and Hall** Elise Title, 1990      **The story of an Irish sept [Macnamara] by a member of the sept [N.C. Macnamara]**. Nottidge Charles Macnamara, 1896      **El Proyecto Macnamara** John Fox, 2014-06-18 This is the story of Eugene Macnamara a maverick young priest from Ennis County Clare who sought to establish a colony for Irish families in the 1840s in Alta California Mexico's far north western territory Had the 10 000 ready volunteers from Limerick Clare and Cork of whom he boasted actually arrived a New Ennis New Clare or New Ireland could have been born His scheme failed when the US seized California in 1846 Macnamara's life spanned half the globe and was dramatic expulsion from a Paris seminary a dash to Rome from Guiana to expose a convulsing mission a year in revolutionary Mexico two months in threatened California backed by the Royal Navy and asylum in Mexico City during the Mexican War 1846-8 He followed it all with a Macnamara Scheme II in Chile His arrival in Mexico 1844 was at a time of tension between North America's landlords Mexico the US and Britain His 1846 licence to settle 20 000 square miles with 15 000 settlers was formalised by Mexico in 1847 and even qualified for a US hearing in 1852 but it was not appealed British diplomats merchants and bondholders supported him When US President Polk learned of El Proyecto Macnamara he acted immediately to stop any British colonising in North America In Washington Macnamara personified at the highest levels a political and commercial conspiracy between Britain and Mexico against the US This biography is the compelling story of this international Irishman and his lingering aftermath      A Genealogical and Heraldic History of the Landed Gentry of Great Britain & Ireland Bernard Burke, 1886      **Macnamara's Irish Colony and the United States Taking of California in 1846** John Fox, 1999-11-15 Images of Irish immigration often bring to mind Ellis Island and crowded Eastern ports If Eugene Macnamara's planned Irish Colony in California had succeeded however we might have a very different view of the Irish in America In 1844 Eugene Macnamara an Irish priest with a shadowy history began promoting his plan to create an Irish colony in California With the first of the Potato Famines a year later many Irish farmers had to seek a new life and California seemed to be the answer In both Washington and Mexico Macnamara and his plan were viewed as suspicious even dangerous yet once the US war with Mexico gained California for the United States the priest and his plan were largely forgotten Both period documents and new discoveries are used to flesh out the story of the California colonization project and the mysterious figure behind it With illustrations maps and index this book is a valuable resource for understanding American Mexican and Irish history and a fascinating glimpse of the ways in which the past might have been different      **Dr. Macnamara, 1861-1931** Robin Betts, 1999-01-01 This well researched historical biography is the first on Dr T J Macnamara the first ex elementary teacher to win a government post Colleague and close friend of Lloyd George and praised by Winston Churchill Macnamara was an educationist journalist and Cabinet Minister This study of his life and career makes a major contribution to educational history as well as to the history of the Liberal Party the National Union of Teachers NUT and British political history

generally Fascinating details of Macnamara's pre Parliamentary career are provided and alongside the biographical account the book deals with a range of major issues with which Macnamara was involved In education government control of school funding and the curriculum in the 1890s is considered together with the emergence of elementary school teachers as powerful public figures the operation and decline of London's first education system the London School Board 1870 1904 and resistance especially in Wales to Balfour's 1902 Education Act Defense issues feature a view of the First World War arms race from inside the Admiralty the Admiralty during the First World War from the standpoint of the only government minister who held the same office throughout the hostilities working with among others Churchill and Balfour Macnamara's establishment of the dole on response to the post war economic slump 1920 22 is also considered Important analysis is included of the fragmentation of the Liberal Party in the 1920s leaving Macnamara as one of the last of Lloyd George's supporters
