*Mad Enough to Kill* Janice Greene,1984-06-04      **Mad Enough to Kill** Janice Greene,1984-01-01      **Six of One** Rita Mae Brown,2017-01-31 Perched right on the Mason Dixon line tiny Runnymede Maryland is ripe with a history almost as colorful as the women who live there from Celeste Chalfonte headstrong and aristocratic who murders for principle and steals her brother s wife to Fannie Jump Creighton who runs a speakeasy right in her own home when hard times come knocking Then of course there re Louise and Julia the boldly eccentric Hunsenmeir sisters Wheezie and Juts spend their whole lives in Runnymede cheerfully quibbling about everything from men to child rearing to how to drive a car But they never let small town life keep them from chasing their biggest dreams or from being true to who they really are Sparkling with a perfect combination of sisterhood and sass *Six of One* is a richly textured Southern canvas Rita Mae Brown at her winning fondest best Kirkus Reviews      **Always a Sunrise** Cheryl Okimoto,2010      **South Town** Lorenz

Graham,2025-01-14 *South Town* by Lorenz Graham is a powerful and deeply moving novel that explores the complexities of race identity and community in a small Southern town during the early 20th century With vivid storytelling and poignant characters Graham brings to life the struggles and triumphs of individuals navigating a world shaped by segregation and systemic injustice The story centers on David Williams a young Black boy growing up in South Town where divisions between Black and White residents run deep Through David s eyes readers experience the harsh realities of racism and inequality as well as the strength and resilience of the Black community His journey is one of self discovery and courage as he learns to navigate a world fraught with prejudice while holding onto hope and the dream of a better future Graham masterfully depicts the everyday lives of South Town s residents capturing their joys sorrows and unyielding determination The novel delves into themes of family friendship and the power of education as tools for empowerment and change At its heart *South Town* is a story about the fight for dignity and justice offering a lens into the human spirit s capacity for resilience in the face of adversity Written with eloquence and empathy *South Town* is both a vivid portrayal of a pivotal time in American history and a timeless exploration of universal human struggles Graham s compelling narrative sheds light on the challenges of racial inequality while celebrating the enduring strength of community and hope A cornerstone of African American literature *South Town* is a must read for anyone seeking an honest thought provoking and ultimately uplifting story about perseverance justice and the enduring quest for equality      **Am I A Danger To Public** Chandrika Barman,2020-02-04 The book contains psychiatric expert reports of six psychiatrists These expert reports were accepted by an Australian judge in criminal court They are reports about an Indian doctor working in Australia They are trying to find out if Indian Hindu religious beliefs are enough evidence of psychosis delusion and schizophrenic kind of mental illness The true story is about political psychiatry in Australia Where if you give evidence in a political enquiry against the Australian government the government will do anything to brand you mentally impaired use your religious beliefs and identity against you to smear you as mentally

impaired and destroy your reputation and then your money and career as a punishment only for giving evidence against them in a political enquiry      *Hounded to Death* Rita Mae Brown, 2009-09-29 Sister Jane Arnold esteemed master of the Jefferson Hunt Club has traveled to Kentucky for one of the biggest events of the season the Mid America Hound Show where foxhounds bassets and beagles gather to strut their champion bloodline stuff But the fun is squelched when immediately after the competition a contestant turns up dead stripped to the waist and peppered with birdshot Two weeks later back in Virginia a popular veterinarian dies from what appears to be a self inflicted gunshot wound Sister refuses to believe that her friend killed herself and vows to sniff out the truth But before she can make real headway a wealthy pet food manufacturer vanishes during the granddaddy of all canine exhibitions the Virginia Hound Show Ever reliant on her horse sense Sister can't help but connect the three incidents and what she uncovers will make her blood run colder than the bodies that keep turning up in unexpected places      *Forever Dies* Christopher Percy, 2025-09-11 My name is Flendin the Blade and this is the end of my tale I am wounded by the loss of dear friends yet unable to engage with those that stay close to me Bent remains unconscious and Smidgen seems deeply and irrevocably changed since his resurrection The Bag I was charged to protect now talks sings gurgles spits and curses It is determined like most things to bring me down a constant reminder that my life can never be the same again Esa was taken and I am a man obsessed driven to find my pregnant woman though I am convinced she is lost to a world of pain Desperately I look for signs that she still lives hoping for any hint of her but as the trail goes cold so does my heart and I sink further into hopelessness I feel so alone finding no comfort in a land growing more hostile with every step I take And then there are the two witches I know I lack the skills and the courage to defeat In the face of such dread opposition I cannot foresee my group of disparate Turned and thieves lasting much longer As the world closes in fast to finish me off only one thing seems certain in the end nothing lasts forever and everything dies      *Murder, She Wrote: Rum and Razors* Jessica Fletcher, Donald Bain, 1995-04-01 The USA Today bestselling *Murder She Wrote* series continues as Jessica Fletcher embarks on a murderous vacation After a cold winter in Cabot Cove Maine and with another soon to be bestseller on the way to her publisher mystery writer Jessica Fletcher is off to balmy St Thomas with its aquamarine sea and white sand beaches But from the moment Jessica arrives at a four star inn nestled by a beautiful lagoon she senses trouble in paradise Yet the gourmet food and the beautiful sunsets chase away Jessica's concerns until she finds the owner's body at the edge of the lagoon The island police think that a hot tempered ex employee is the killer But for cool headed Jessica it's time to unpack her talent for sleuthing and find the real serpent in this Eden      **Kill Shot** Susan Sleeman, 2025-05-01 Suspense and romance combine in Susan Sleeman's thrilling new novel about an FBI agent who must team up with a beautiful therapist to stop a killer with a deadly new weapon Some fears haunt you forever As the ballistics and weapon's expert for the FBI's special task force nicknamed the White Knights Rick Cannon has known the Department of Defense was developing self steering bullets Rick feared these smart bullets which have one hundred percent accuracy that

*The Sun Came Down* Percy Bullchild,2005-01-01 At the age of sixty seven Percy Bullchild 1915 1986 a Blackfeet Indian from Browning Montana with little formal education in English set out to put the oral traditions and history of his people into a permanent written record He regarded this undertaking to write the Indian version of our own true ways in our history and legends as he puts it as both a corrective and an instructive tool Bullchild culled this remarkable collection of historical legends from his memory of the oral history as it was passed down to him by his elders and by seeking out the oral traditions of other tribes These stories like all legends Bullchild reminds us may sound a little foolish but they are very true And they have much influence over all of the people of this world even now as we all live Woody Kipp provides a preface for this Bison Books edition
