*Mad Horses Around* Albert B. Feldstein, 1988      *Around the Camp-fire* Sir Charles G. D. Roberts, 1896      **The Killing of Crazy Horse** Thomas Powers, 2011-11-01 With the Great Sioux War as background and context and drawing on many new materials Thomas Powers establishes what really happened in the dramatic final months and days of Crazy Horse's life. He was the greatest Indian warrior of the nineteenth century whose victory over General Custer at the battle of Little Bighorn in 1876 was the worst defeat ever inflicted on the frontier army. But after surrendering to federal troops, Crazy Horse was killed in custody for reasons which have been fiercely debated for more than a century. *The Killing of Crazy Horse* pieces together the story behind this official killing.      *Around the Camp-fire* Charles Roberts, 2017-05-28      *The Man Who Listens to Horses* Monty Roberts, 1999-01-26 This spellbinding memoir details the extraordinary life of Monty Roberts, a man whose gentle, compassionate training methods transforming the once brutal practice of horse breaking throughout the world are redefining the way we think about communication not only between other species but between ourselves. Over the past year more than a million people have been uplifted by Roberts' book from animal lovers to business leaders and everyone in between. Amusing, poignant, riveting and humane, *The Man Who Listens to Horses* is that rare book that brings us into the company of a man and his magic and opens us to the world of animals.      *Schindler's Short-Short Stories & Uncommon Sense* James Schindler, 2019-04-15 In Schindler's *Short Short Stories Uncommon Sense* you will experience Schindler's unique humor and insights. The incredibly short, true and humorous stories along with an assortment of timely observations and comments will definitely bring a smile to your face and give you something to think about. Quick and simple, Schindler's *Short Short Stories Uncommon Sense* is filled with clever tales written with a bit of advice and uncommon sense thrown in for good measure.      *Broken Bond Pain and Agony* Harish Noudiyal, 2021-11-23 Slavery has existed in many parts of the world since ancient times. But in the Caribbean British colony, the enslavement of Africans began in the 1600s and 1610s. Many Caribbean plantation owners were slave owners though both men came to believe that slavery was morally wrong. Slavery flourished in the Caribbean. In most of the US states there were large cotton and tobacco farms that required slave workers. During the revolution in the years 1776s to 1783s in the West it began to turn against slavery, believing it violated the US Constitution's promise that all men and women are created equal. As the 1800s began, Northern abolitionists were starting a crusade to end slavery while Southerners insisted on their right to continue their traditional way of life which included owning slaves which affected the Caribbean as well. Ram Charar was born in the 1820s and reached the Caribbean sometime in the 1840s when the business of buying and selling slaves by the plantation owners was booming. Most of them were field hands working to raise and harvest crops. Mostly slave women were domestic servants working in the plantation houses. The rising anger in the West and the Caribbean on the issue of slavery helped bring about the American Civil War. When the war ended in 1865, slavery was abolished in the West but remained in the Caribbean and took a little time to end.      Great
