Mad Jack The Biography Of Captain John Percival Usn 1779 186:

Mad Jack Percival James H. Ellis, 2002 Percival's naval career began in 1797 when he was impressed into British naval service aboard the HMS Victory and ended in 1846 after taking the USS Constitution on her only around the world cruise. This book draws from unpublished journals, letters, and logs to provide previously unknown details about Percival's adventures and the formative years of the U.S. Navy. **Mad Jack** David Long, 1993-03-24 A respected writer of naval history, Long is most qualified to write this first biography of Mad Jack, an unusual and controversial figure in the early days of the U.S. Navy. Using family accounts and primary materials, Long recounts the 40-year naval career of this maverick naval officer and, in doing so, gives the lowdown on how the Navy worked in its nascent years. Anyone interested in eighteenth and nineteenth-century military history will find this engrossing reading. This popularly written but scholarly study covers the unusual Navy captain whose career spanned the globe. Long provides a chronological account of Captain Percival's early years, his command during the War of 1812, his administrative duties at the Boston Navy Yard, his trips to the Pacific, mutinies, an incident with missionaries in Hawaii, and the subsequent trial, cruises to the Caribbean, South America, and the Mediterranean, a trek around the world in the mid 1840s, his retirement, and his final years. Extensive notes and a bibliographical essay guide the reader to other important sources for those studying the period. Numerous maps are also provided. *Forthcoming Books* Rose Arny, 1993 **Will of Captain John Percival**, 19?? **Capt. John Percival** United States. Congress. House.
