Decisions that are growing more complex at every turn. Tender, funny and full of warmth and simple joys. *A Country Affair* is the perfect introduction to a delightful place and its witty and lovable inhabitants. Christian Simpson, 2012-05-01 *Lost Youth Volume 2* London is the follow up to the critically acclaimed bestselling novel *Lost Youth Volume 1*. New Zealand. Here now continues this incredible true life story of one man's life that took him from a lonely prison cell in New Zealand to England bound at the young age of 20 years old. Once in London without knowing anyone and with only the clothes on his back, he campaigned for the next 5 years of his life for the release of the notorious gangland crime boss Reggie Kray from a 30 year prison sentence. What was to come next in the author's life was unexpected as not only did he step straight into the underbelly surroundings of the British underworld, one of the most powerful gangland families in British history, he too was swept into the world of show business. Starting out in the music industry thanks to the kind hearts of two people, a lovely Irish lady by the name of Eileen Sweeney and an old school Irish gentleman by the name of Vince Power. The author was given work at The Mean Fiddler in Harlesden which at the time was the most famous live music venue in all of the British Isles. He then went on to making a career for himself, going on to working with such names as Michael Jackson, Jon Bon Jovi, Paul McCartney, Tricky, Elton John, Janet Jackson, to name only a few, that saw this young man take the correct path in life rather than a life of crime. He chooses rock n roll rather than a life spent behind jailed bars. He turned his life around for the better and went onto great heights that could never have been dreamed of. This book will take you on one hell of an adventure, but one you will need to hold on tight as there are many shakes, rattles and rolls along the way. It is an inspiration to anyone who has ever suffered or given up on their hopes and dreams. It's what films are made of. Hollywood will be sure to be knocking soon. **Time Is a River** Mary Alice Monroe, 2009-01-20

Every book that Mary Alice Monroe has written has felt like a homecoming to me. Pat Conroy, bestselling author of *The Prince of Tides*. With the warmth of the South and the insight of a seasoned storyteller, Mary Alice Monroe delivers a moving tale of healing, friendship and the powerful bonds that tie us to each other and the natural world. Recovering from breast cancer and reeling from her husband's infidelity, Mia Landan flees her Charleston home for the mountains near Asheville, North Carolina, and takes refuge in a neglected cabin recently inherited by her fly fishing instructor, Belle Carson. The cabin once belonged to Belle's grandmother, the legendary fly fisher and journalist of the 1920s, Kate Watkins, whose life fell into ruins after she was accused of murdering her lover, a scandal that plagued Belle's family for generations. But Mia is compelled to find out more about Kate, especially when she discovers Kate's journal. The inspiring words of the remarkable woman echo across the years. Mia has been finding new strength and profound challenges in fly fishing, and Kate's wise words comparing life to a river resonate deeply. As she

separates the truth from the lies behind Kate's fall from grace Mia feels a strange kinship with Kate who suffered fears betrayal and heartwrenching loss yet found strength compassion and ultimately forgiveness A story timeless in its appeal emerges with a power that brings a transforming healing for Mia for Kate's descendants and for all those in Mia's new community
