Mad Boy Chronicles:

The Fat Boy Chronicles Diane Lang, Michael Buchanan, 2010-11-12 It's bad enough being the new kid but as a freshman Jimmy finds school less enjoyable than many of his classmates. Standing 5'5" and weighing 187 pounds he's subjected to a daily barrage of taunts and torments. His only sources of comfort are his family, his youth group and his favorite foods. When his English teacher assigns a journal as a writing project Jimmy chronicles not only his struggles but also his aspirations to lose weight and win the girl of his dreams. Inspired by a true story and told in first person journal entries *The Fat Boy Chronicles* brings to life the pain and isolation felt by many overweight teenagers as they try to find their way in a world obsessed with outward beauty.

Performing Adaptations Michelle MacArthur, Lydia Wilkinson, Keren Zaiontz, 2009-03-26 *Performing Adaptations: Conversations and Essays on the Theory and Practice of Adaptation* brings together scholars and artists from across North America and the United Kingdom to contribute to the growing discourse on adaptation in the arts. An ideal text for students of theatre, drama and performance studies, this volume offers a ground-breaking set of essays, interviews and artistic reflections that assess adaptation from the perspective of live performance, an aspect of the field that has been under-explored until now. The diverse authors and interview subjects in this anthology take a variety of approaches to both creating and analyzing adaptations, demonstrating the form's suitability for testing and speaking back to dominant models of creation, production and analysis. Featuring articles by pioneering adaptation scholar Linda Hutcheon and critically acclaimed writer and critic George Elliott Clarke, *Performing Adaptations* advances the field of adaptation studies in new and exciting ways. The authors in *Performing Adaptations* do not comprise a comprehensive view of adaptation studies but represent a collection of gutsy voices that use adaptation to test and speak back to dominant models of creation, production and analysis. Some of these perspectives include a group of artists from the African Diaspora, Europe and Canada, the AfriCan Theatre Ensemble, the voice of Chinese Canadian playwright Marjorie Chan, the innovative storytelling of Beth Watkins and her adaptation of letters written by transgendered student activist Jesse Carr, the views of vanguard Canadian queer filmmaker John Greyson and African Canadian poet, novelist and critic George Elliott Clarke. Their adaptation of sources to other genres, mediums and cultural contexts represent the act of a radical dialogical reading writ large.

Dramatic Revisions of Myths, Fairy Tales and Legends Verna A. Foster, 2012-10-10 These new essays explore the ways in which contemporary dramatists have retold or otherwise made use of myths, fairy tales and legends from a variety of cultures, including Greek, West African, North American, Japanese and various parts of Europe. The dramatists discussed range from well-established playwrights such as Tony Kushner, Caryl Churchill and Timberlake Wertenbaker to new theatrical stars such as Sarah Ruhl and Tarell Alvin McCraney. The book contributes to the current discussion of adaptation theory by examining the different ways and for what purposes plays revise mythic stories and characters. The essays contribute to studies of literary uses of myth by focusing on how recent dramatists have used myths, fairy tales and legends to address contemporary

concerns especially changing representations of women and the politics of gender relations but also topics such as damage to the environment and political violence

The Canada Trip Charles Gordon,2013-07-30 It started out as a simple idea Charles Gordon and his wife Nancy drive across Canada Starting from Ottawa they drove east through Quebec through New Brunswick P E I Nova Scotia and Newfoundland where they learned about soap for the moose From St John s they headed west on a different route through the Maritimes to Montreal Toronto and Lake of the Woods scene of the famous cottage in At the Cottage Then it was west along what used to be called the CPR route all the way to Vancouver and Victoria Then via Prince Rupert they followed the Yellowhead Trail back through Edmonton and Saskatoon hitting Flin Flon and Northern Ontario on the way home Ranging from moose to chipmunks from a cool jazz festival to even cooler icebergs and from the Prestige Motel to the Chateau Lake Louise this book is a highly personal look at a country well worth visiting witty and affectionate a fact that its own citizens tend to overlook As Charles Gordon the perfect companion puts it in his final paragraph What does Canada need you ask to enter the twenty first century More passing lanes More ferries Reading lamps on both sides of the bed Bridges you can see off More animals beside the road And more Canadians

City Boy: Chronicles of a Nairobi Life Dr. Frank Njenga,2025-05-22 The mention of an African autobiography often evokes images of a want and penury a childhood sullied by poverty and hopelessness and the predictable rags to riches narrative Not so for City Boy In this bold and refreshing account Dr Frank Njenga a leading psychiatrist and author weaves a compelling tale of growing up in an affluent neighbourhood attending a once European only school enjoying foreign travel in childhood and all the trappings of a good upbringing His account of the Mau Mau period as well as the post independence era is captivating With candour and charm he invites readers into the world that shaped him a world of books travel privilege and the rich tapestry of people who influenced his journey It is a story that turns tables on the notion that rural poverty and adversity in childhood are the building blocks of a successful life Rather City Boy offers a new lens through which to view adolescence in the 1960s personal ambition and what it takes to scale the heights of professional growth In City Boy Dr Njenga rewrites the script on success with elegance honesty and a rare clarity of thought

Oppliger, 2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem
