A Mad Lady's Garland Ruth Pitter, 1934 A Mad Lady's Garland Ruth Pitter, 1934 **The Letters of Ruth Pitter** Don W. King, 2014-03-27 Although Ruth Pitter 1897 1992 is not well known her credentials as a poet are extensive and in England from the mid 1930s to the mid 1970s she maintained a modest yet loyal readership In total she produced eighteen volumes of new and collected verse Her *A Trophy of Arms* 1936 won the Hawthornden Prize for Poetry in 1937 and in 1954 she was awarded the William E Heinemann Award for *The Ermine* 1953 Most notably perhaps she became the first woman to receive the Queen's Gold Medal for Poetry in 1955 Furthermore from 1946 to 1972 she was often a guest on BBC radio and television programs In 1974 The Royal Society of Literature elected her to its highest honor a Companion of Literature and in 1979 she received her last national award when she was appointed a Commander of the British Empire Pitter was a voluminous letter writer Her friends and correspondents read like a Who's Who of twentieth century British literary luminaries including AE George Russell AR Orage Hilaire Belloc Walter de la Mare Julian Huxley John Masefield Phillip and Ottoline Morrell George Orwell Dylan Thomas TS Eliot CS Lewis James Stephens Dorothy L Sayers Siegfried Sassoon Virginia Sackville West Dorothy Wellesley Lord David Cecil John Betjeman Evelyn Waugh John Wain Kathleen Raine and May Sarton Stylistically Pitter's letters are marked by crisp prose precise imagery and elegant simplicity reflecting a well read and vigorous mind lithe curious penetrating analytical and perceptive Of her more than one thousand letters covering the years 1908 1988 published here is a generous selection These selected letters go a long way toward illustrating Pitter's desire to reach a public interested in her as both a poet and personal commentator These letters offer an understanding of the silent music the dance in stillness the hints and echoes and messages of which everything is full reflected in her life and poetry In total they provide an essential introduction to the work of this neglected twentieth century poet *A Critical History of English Poetry* Herbert Grierson, J. C. Smith, 2014-01-13 This famous work was the result of the wartime collaboration of two Scottish scholars Their tracing of the course of English poetry has been described by *The Times Literary Supplement* as a volume of masterly compression They deliberately spend most time on the greatest poets believing that significant as traditions and influences are the great poet himself affects the spirit of his age and moulds the tradition he has inherited At the same time enough attention is paid to minor poets to make the book historically complete and to fill in the most important links in the chain of poetic development Thus Gower is here as well as Chaucer Patmore as well as Browning Both in scope and in detail *A Critical History of English Poetry* is a distinguished and valuable work Arguments of Heart and Mind Jan Montefiore, 2002 Amitav Ghosh is an authoritative critical introduction to the fictional and non fictional writings of one of the most celebrated and significant literary voices to have emerged from India in recent decades It is the first full length study of Amitav Ghosh's work to be available outside India Encompassing all of Ghosh's fictional and non fictional writings to date this book takes a thematic approach which enables in depth analysis of the cluster of themes ideas and

issues that Ghosh has steadily built up into a substantial intellectual project This project overlaps significantly with many of the key debates in postcolonial studies and so this book is both an introduction to Ghosh's writing and a contribution to the development of ideas on the postcolonial in particular its relation to postmodernism Amitav Ghosh is for students and teachers of postcolonial literatures in English at both undergraduate and postgraduate levels *Contemporary Poetry and Contemporary Science* Robert Crawford, 2006-09-07 A unique collaboration between leading poets and scientists Contemporary Poetry and Contemporary Science demonstrates through its form and through practice as well as reflection that poetry and science can meet with productive results Crossing between disciplines and between prose and verse the book shows how modes of scientific knowledge and of poetic making continue to be intertwined Often drawing on Scottish intellectual traditions rather than on the notorious two cultures argument Contemporary Poetry and Contemporary Science argues through examples for a more open and mutually sympathetic engagement of poetry and science in contemporary culture Provocative nimble and surprising this book is in several senses a crossover volume In its gathering of essays as well as poems it is the first book of its kind Readers can see how a poet and a solar physicist may share working assumptions how poetic insight may inform psychiatric practice how a poet's encounter with an MRI scanner leads to a fresh neurological experiment As well as new essays by internationally distinguished poets scientists and literary critics including Simon Armitage Gillian Beer Jocelyn Bell Burnell Miroslav Holub Kay Redfield Jamison and Edwin Morgan the book includes a series of specially commissioned poems by John Burnside Michael Donaghy Sarah Maguire Paul Muldoon Don Paterson and others Each poem is introduced by the scientist whose work prompted the poem Though Contemporary Poetry and Contemporary Science exposes and investigates strains between the way poets and scientists see and reinvent the world the book is most arresting and enjoyable when it shows just how often poets and scientists agree **Encyclopedia of British Poetry, 1900 to the Present** James Persoon, 2015-04-22 Presents a comprehensive A to Z reference with approximately 450 entries providing facts about contemporary British poets including their major works of poetry concepts and movements *Catalog of Copyright Entries. New Series* Library of Congress. Copyright Office, 1936 **Catalogue of Copyright Entries** Library of Congress. Copyright Office, 1936 **A Guide to Twentieth Century Literature in English** Harry Blamires, 2021-06-23 First published in 1983 A Guide to Twentieth Century Literature in English is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa Australia Canada the Caribbean India Ireland New Zealand Pakistan Sri Lanka and the UK The book contains substantial articles relating to major novelists poets and dramatists of the age as well as a wealth of information on the work of lesser known writers and the part they have played in cultural history It focuses in detail on the character and quality of the literature itself highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details A Guide to Twentieth Century Literature in English is ideal for those with an interest in the twentieth century literary scene and the history of literature
