Time Is Up Gary Moore,2018-07-24 With the dawning of every new day humanity is forced ever so closer to its appointed destiny an ordained manifestation of God where time and mercy ends and God s eternal judgment begins This spiritual threshold was breached by the unveiling and fulfillment of the prophecy given in Daniel 12 4 and with the emergence of the computer via the www the tree of knowledge of good and evil revisited man s curiosity driven by an uncontrollable desire for knowledge has propelled the heart of man s imagination into the realm of the unknown a cosmoses of unknown knowledge unsorted by the truth a distorted truth that callously represents a place in time controlled through the manipulation of false information by that old serpent called the Devil and Satan which deceived the whole world Revelation 12 9 As spirit filled truth believing children of God we must use every avenue given to us by the spirit of God to ensure the evolution of the Church s message Calvary without sacrificing the truth and integrity of God s word And since God s word requires no additives or preservatives in order to maintain its integrity it would benefit the true church more by returning to its roots the basics the truth In his latest diabolical yet subtle contribution to mankind that old serpent called the Devil flaunts his authority over Tinsel Town in the form of a weekly television series Hollywood s latest blockbuster Lucifer lends credence to the words of the prophet Isaiah Woe unto them that call evil good and good evil that put darkness for light and light for darkness that put bitter for sweet and sweet for bitter Isaiah 5 20 The true body of Christ breeds to redeem the time when the truth begins and ends still being the truth Darkness for light Returning to its roots

when her father drops her off in front of her dorm at the prestigious Ault School in Massachusetts She leaves her animated affectionate family in South Bend Indiana at least in part because of the boarding school s glossy brochure in which boys in sweaters chat in front of old brick buildings girls in kilts hold lacrosse sticks on pristinely mown athletic fields and everyone sings hymns in chapel As Lee soon learns Ault is a cloistered world of jaded attractive teenagers who spend summers on Nantucket and speak in their own clever shorthand Both intimidated and fascinated by her classmates Lee becomes a shrewd observer of and ultimately a participant in their rituals and mores As a scholarship student she constantly feels like an outsider and is both drawn to and repelled by other loners By the time she s a senior Lee has created a hard won place for herself at Ault But when her behavior takes a self destructive and highly public turn her carefully crafted identity within the community is shattered Ultimately Lee s experiences complicated relationships with teachers intense friendships with other girls an all consuming preoccupation with a classmate who is less than a boyfriend and more than a crush conflicts with her parents from whom Lee feels increasingly distant coalesce into a singular portrait of the painful and thrilling adolescence universal to us all
