The Aesthetics and Politics of Linguistic Borders Heidi Grönstrand, Markus Huss, Ralf Kauranen, 2019-10-18 This collection showcases a multivalent approach to the study of literary multilingualism embodied in contemporary Nordic literature While previous approaches to literary multilingualism have tended to take a textual or authorship focus this book advocates for a theoretical perspective which reflects the multiplicity of languages in use in contemporary literature emerging from increased globalization and transnational interaction Drawing on a multimodal range of examples from contemporary Nordic literature these eighteen chapters illustrate the ways in which multilingualism is dynamic rather than fixed resulting from the interactions between authors texts and readers as well as between literary and socio political institutions The book highlights the processes by which borders are formed within the production circulation and reception of literature and in turn the impact of these borders on issues around cultural linguistic and national belonging Introducing an innovative approach to the study of multilingualism in literature this collection will be of particular interest to students and researchers in literary studies cultural studies and multilingualism The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Stripburger, 2004 **Sins Of Eight: Whistleblowers** Joey Bisson, 2023-02-24 Aiden's lifelong struggle against Seven a deceptive demonic being that has sought to control him ever since he was a child reaches a new level when Aiden teams up with his son Gael who has formed a group called the Whistleblowers They are dedicated to fighting against the evil Lamia and her army of followers who are trying to take over the city Lamia is growing desperate leading her to open a portal imbued with her own blood a gateway to a place where no Paragon agent dares travel Only one person other than Lamia and her children may open the door and that person is Aiden Therefore he must locate the gateway and banish it from the earthly plane before it's too late But nothing in this epic battle is ever easy especially when family is involved Although Gael saved Aiden from becoming the dragon he still doesn't trust him and on his worst days he might even hate him But if Gael Aiden and the Whistleblowers are to be victorious all of them must learn the true meaning of the word sacrifice and everything that it demands from themselves and each other If Aiden makes it out the other side he might just be able to break Seven's stranglehold on his life forever
