## **Made In Manitoba An Anthology Of Short Fiction:**

*Made in Manitoba* ,1990      **Telling Stories** ,2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research      **Canadian Books in Print. Author and Title Index** ,1975      The Wascana Anthology of Short Fiction University of Regina. Canadian Plains Research Center,1999 This anthology of short stories has been designed specifically as an instructional text for first year university students To explore the many dimensions of short narrative fiction the collection includes traditional classics from European culture from Chaucer to Gogol and Chekhov and extends to popular and celebrated stories from contemporary writers There is a decided emphasis on new stories from the Plains region of Canada and the United States Guy Vanderhaeghe Richard Ford Margaret Laurence Thomas King Bonnie Burnard Louise Erdrich all of them present masterly tales with specific appeal to students at post secondary institutions      The Journal of Commonwealth Literature ,1991 One number each year includes Annual bibliography of Commonwealth literature

**Essays on Canadian Writing** ,1993      **Western American Literature** ,1992      **A Sense of Place** Christian Riegel,1998-03 A re evaluation of regionalism in Canadian and American writing A Sense of Place provides a comparative approach to the issue within a continental framework The contributors to this collection including Frank Davey Marjorie Pryse and Jonathan Hart look at a broad range of writers They explore regionalism on both sides of the border in light of the central political cultural literary and theoretical debates of our times      **Canadian Book Review Annual** Joyce M. Wilson,2001      **Small Press Record of Books in Print** Len Fulton,1994      **Canadiana** ,1990-09      Creative Canada ,1972-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers

conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible Canadian Books in Print ,2003 Dictionary of Manitoba Biography J.M.
