Investigating Simenon Russell Campbell, 2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works **The Penguin Modern Classics Book**

Blackwell, 2022-06-27 The detective story the classic whodunit with its time displacement structure of crime according to most literary historians is of relatively recent origin Early in its development the whodunit was harshly criticized for its tightly formula bound structure Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether Yet today the genre is alive as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology the genre continues to develop a complexity that reflects and guides the literary sophistication needed This book the first of its kind analyzes over 150 whodunit novels and short stories across the decades from *The Moonstone* to the contemporary novels that saved the genre from an ignominious death **The Encyclopedia of Murder and Mystery** B. Murphy, 1999-12-09 Bruce Murphy's *Encyclopedia of Murder and Mystery* is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance **The Body in the Graveyard** Stephen Hudson, 2024-09-13 Peter Trumper the posing arrogant charlatan who styles himself Mister French has been found dead his body lying in a graveyard If it was murder then there are plenty of suspects in his characteristically high handed way he's belittled insulted or offended nearly everybody he met But who was so tormented by him as to seek retribution Trumper's former colleague the part time schoolteacher and Ph.D. student Carol Jones tries to unlock the secret of his death At the same time another question gnaws at her whilst curiosity demands to know who committed the murder should the killer really have to face justice After all as her hero Inspector Maigret once said The criminal is often less guilty than his victim **The Dancer at the Gai-Moulin (Inspector Maigret)** Georges Simenon, 2025-09-09 In Liège the city of Georges Simenon's youth a foreigner is found dead and two young boys are accused of his murder in this installment in the Inspector Maigret series Somewhere in Liège Jean Chabot and Ren Delfosse hide out in the cellar of a seedy bar Their plan to rob the establishment goes awry when by the light of a match they see the dead body of a man whom they had seen only hours before They flee in horror When the two boys are accused of the murder their

friendship is put to the test and seemingly irrelevant social differences threaten their friendship and their freedom A mysterious Frenchman arrives in town What is he up to And where is Maigret The Flemish House Georges Simenon,2014-12-04 The father of contemporary European detective fiction Ann Cleeves She wasn't an ordinary supplicant She didn't lower her eyes There was nothing humble about her bearing She spoke frankly looking straight ahead as if to claim what was rightfully hers If you don't agree to look at our case my parents and I will be lost and it will be the most hateful legal error Maigret is asked to the windswept rainy border town of Givet by a young woman desperate to clear her family of murder But their well kept shop the sleepy community and its raging river all hide their own mysteries This novel has been published in a previous translation as The Flemish Shop Compelling remorseless brilliant John Gray A supreme writer unforgettable vividness Independent *Maigret and the Good People of Montparnasse* Georges Simenon,2018-08-02 His artistry is supreme John Banville Why all of a sudden did this shock him He was annoyed with himself for being shocked He felt as if he had been sucked into the bourgeois almost edifying atmosphere that surrounded those people good people so everyone kept telling him A retired manufacturer has been shot dead by his own pistol last seen alive by his son in law In this seemingly motiveless murder Inspector Maigret must rely on his famous intuition to discover the truth This novel has been published in a previous translation as Maigret and the Black Sheep One of the greatest writers of the twentieth century Guardian Translating National Allegories Alistair Rolls,John West-Sooby,Marie-Laure Vuaille-Barcan,2019-04-15 This book explores the intersection of a number of academic areas of study that are all individually of growing importance translation studies crime fiction and world literature The scholars included here are leaders in one or more of these areas The frame of this volume is imagological its focus is on the ways in which national allegories are constructed and deconstructed encompassing descriptions of national characteristics as they play out at the level of the local or the individual as well as broader political analyses Its corpus crime fiction is shown to be a privileged site for writing the national narrative and often in ways that are more complex and dynamic than is suggested by the genre's much cited role as vehicle for a new realism Finally these two areas are problematised through the lens of translation which is a crucial player in both the development of crime fiction and the formation rather than simply the interlingual transfer of national allegory In this volume national allegories and the crime novels in which they emerge are shown to be eminently versatile foundationally plural texts that promote critical rewriting as opposed to sites for fixing meaning This book was originally published as a special issue of The Translator Liberty Bar Georges Simenon,2015-03-05 The father of contemporary European detective fiction Ann Cleeves It had a smell of holidays The previous evening in Cannes harbour with the setting sun had also had the smell of holidays especially the Ardena whose owner swaggered in front of two girls with gorgeous figures Dazzled at first by the glamour of sunny Antibes Maigret soon finds himself immersed in the less salubrious side of the Riviera as he retraces the final steps of a local eccentric Penguin is publishing the entire series of Maigret novels in new translations This novel has

been published in a previous translation as *Maigret on the Riviera* Compelling remorseless brilliant John Gray One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian A supreme writer unforgettable vividness Independent

Night Trains Andrew Martin,2017-02-09 Night trains have long fascinated us with the possibilities of their private sleeping compartments gilded dining cars champagne bars and wealthy travellers Authors from Agatha Christie to Graham Greene have used night trains to tell tales of romance intrigue and decadence against a rolling background of dramatic landscapes The reality could often be as thrilling early British travellers on the Orient Express were advised to carry a revolver as well as a teapot In Night Trains Andrew Martin attempts to relive the golden age of the great European sleeper trains by using their modern day equivalents This is no simple matter The night trains have fallen on hard times and the services are disappearing one by one But if the Orient Express experience can only be recreated by taking three separate sleepers the intriguing characters and exotic atmospheres have survived Whether the backdrop is 3am at a Turkish customs post the sun rising over the Riviera or the constant twilight of a Norwegian summer night Martin rediscovers the pleasures of a continent connected by rail By tracing the history of the sleeper trains he reveals much of the recent history of Europe itself The original sleepers helped break down national barriers and unify the continent Martin uncovers modern instances of European unity and otherwise as he traverses the continent during interesting times with Brexit looming Against this tumultuous backdrop he experiences his own smaller dramas as he fails to find crucial connecting stations ponders the mystery of the compartment dog and becomes embroiled in his very own night train whodunit
